New Fall Sports

TENNIS

Boasting four returning lettermen, PA's varsity tennis team will enter its first fall competitive season. Captain Bill Kaplan, who played first for the Blue at the end of last spring season, will lead Andover in the number one position. In the second spot for PA will be Sandy Wood, a ranked player in New England. Wood, the number five player last spring, has a lot of experience and will be difficult to beat.

Bacon To Play Three

Upper Ned Bacon, who played number six on last spring's team, will help pace the racketmen in the third position. Contending for the four, five, and six positions will be Brooks Bloomfield, PA's last returning letterman, and JV starters Blair Richardson, Dave Kay, and Mike Gomez. If the players in these lower three positions play well, the Blue racketmen will have an excellent chance of beating the strong Exeter team.

Andover's only experienced doubles team is the pair of Bacon and Bloomfield, who played in the number three slot last spring. The remaining doubles teams are as yet undecided.

Limited Schedule

Though there are only three matches scheduled for the tennis team so far this season, Coach Kent Allen hopes to arrange a couple of additional matches, if possible.

GOLF

Paced by four returning lettermen, the varsity golf team has excellent chances of improving last spring's disastrous 1-6 record. This season marks the golf team's first fall term competitive season. Captain Dave Chase, the team's only two year veteran, is the prime contender for the number one position.

Coyer, Mavor To Lead PA

Chris Coyer and Doug Mavor, also back from last year's varsity will probably round out the top three. Chase and Coyer alternated in the number two and three positions last year while Mavor played either number five or six. The fourth returnee is upper Jack Cahill and he should also have no trouble staying on the varsity squad.

Other contenders for the team include junior Mitchell Moore, an experienced golfer from Florida. Four members of last year's JV squad will also compete for the remaining two spots on the varsity. Seniors Bill Gifford and John Hines have perhaps the best chances, coming up from the number three and four spots on the JV, respectively. Chris Gannon and Sloane Citron, who also come back from successful seasons on last year's undefeated JV team, round out the top contenders.

The new fall schedule has six matches, two matches each with Worcester Academy, Tabor Academy and Exeter.

The defensive line is still largely undecided although returning letterman Phil Chaplin and Senior Pat Grant will probably start at the end positions. Mark Schaefer and lower Mac DeCamp are the other contenders at the ends while Tim Albers, Jack Dunn, and George Ireland lead the candidates for the defensive tackle slots.

Blue Football Expects Fine Season

Craig Brickley (11) is starting at right halfback for PA.

With the home opener just three days away, the varsity football team appears ready to open its season with an explosive offense but a questionable, if not shaky, defense. The offense will be led by co-captains Peter McCandless, the starting quarterback, and Craig Brickley, who will be starting at right halfback for the third consecutive year. Senior prep Tim Whalen will be the left halfback, and Charlie Boyd appears set as the starting fullback. Phil Elias, Pete Beck, and Jeff McAnallen lead the list of spare running backs. The tight end will be upper prep Mike Reardon, with Bill Lewis and lower Dan Dilorati the leading contenders for the split end position.

Offensive Line Experienced

Although a fine scrambler, McCandless should not often be forced to face this problem, as he will be protected by an experienced offensive line. Karl Harig will start at center, with Al Senior and Dan Lasman anchoring down the guard positions. The fourth veteran, Lary Gaynor, will be one of the offensive tackles, while senior Kent Cuthbertson is the favorite to start at the other tackle slot.

The defense, on the other hand, has many question marks. The line appears weak up the middle, while the cornerbacks are inexperienced.

Returning letterman Phil Chaplin and senior Mark Schaefer will be the defensive ends. Ken Langley will team up with upper Mike Corcoran at the tackle slots, with Steve Pinchuk playing the middle guard position.

The linebacking corps is fairly set. Newcomer Joe Coner will start on the left side, while senior Pat Grant is the probable starter on the right. Leading contenders for the other linebacking spots are veteran Stu Shofner, Steve Miller, and senior Bill Boechenstein.

The defensive secondary appears strong up the middle, but the cornerbacks are major question marks. Returnee Mark Pellegrini will be the rover, while senior prep Bob Carroll will play free safety. There is a four way battle for the two cornerback positions, with Bill Zech and Walt Bukawyn having the best shots at starting.

Football Loses To Tufts, 26-22

..Saturday, September 30; Andover—A gallant fourth quarter PA comeback fell one touchdown short as the Tufts freshmen held on to defeat Andover, 26-22, in the opening game of the season. The brilliant passing combination of Mike Byrne to John Rosa accounted for all of Tufts' points, as Ros's four touchdown receptions and one conversion attempt led the frosh to a 26-0 lead after three periods.

Whelan Sparks Comeback

The Blue offense, which had been virtually non-existent through three quarters, finally came to life in the final period, and almost pulled off a miraculous comeback. First Tim Whelan took a pitchout from quarterback Peter McCandless and streaked 83 yards down the left sideline for PA's first touchdown. Whelan made a great individual effort on this first down play, as he broke two tackles at the line of scrimmage before outracing the defensive secondary to the end zone. McCandless scored the conversion on a roll out to make the score 26-8.

After an exchange of possessions, Tufts punted on a third down from its own 5-yard line, and Craig Brickley's return coupled with a costly interference penalty against the frosh, brought the ball down to Tufts' 14-yard line. On first down, Bill Lewis scored the first of his two touchdowns on a double reverse. After taking a handoff from Brickley, Lewis hurdled one prospective tackler and then waltzed into the end zone

behind an evoy of blockers, narrowing the score to 26-14.

Comeback Falls Short

Five minutes later, the inspired Blue defense, led by tackle Ken Langley, forced a Tufts' fumble, which was recovered by Mark Pellegrini on the Tufts' 12-yard line. After an incomplete pass on first down, Lewis once again was called upon, and he found open field down the right sideline for his second score of the day. Pete Beck caught McCandless' conversion pass to narrow the score to 26-22, but time ran out before the Blue could mount another serious scoring threat.

Tufts Takes Early Lead

The Frosh had taken an early lead, as it had struck for two quick touchdowns by Rosa in the first period. Tufts then increased its lead to 20-0 in the second quarter, as Rosa caught his third touchdown pass of the day. Much of the blame for these scores lies with the Blue cornerbacks, as they were repeatedly beaten by the quick Tufts' receiver. Bill Zech was the lone exception, as he was the only cornerback who did not give up a touchdown pass. In addition, the middle of the PA defensive line proved extremely vulnerable in the first half, as it was unable to mount an effective pass rush against the Tufts' quarterback.

The Blue offense, meanwhile, could generate no attack throughout the first three periods. Quarterback McCandless was constantly forced to scramble, and when he did have the time to throw he was off target, managing just four completions in sixteen attempts.

Gridders To First

Victory Of Season

Craig Brickley rushed for 86 yards, in PA's win over Choate.

Saturday, October 7; Wallingford, Conn.—Playing in a driving rainstorm, the varsity football team took its first victory of the year by shutting out a hapless Choate squad, 18-0. Halfback Tim Whelan led the Blue offense, as he scored on touchdown runs of three and 55 yards, while Craig Brickley's 30-yard option pass to Dan Dilorati accounted for the other PA touchdown.

After an exchange of possessions, Choate tried to cross up the PA defense by attempting a quick kick on third down from deep inside its own territory. However, the strategy backfired, as an alert Bob Carroll pounced on the slippery football to give the Blue first down on Choate's

Blue Takes Early Lead

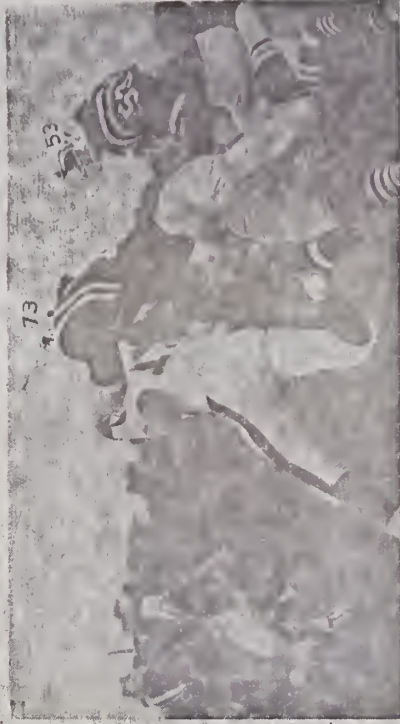

Andover took control of the game from the outset, as it struck for two touchdowns in the opening quarter. On its second possession of the

30 yard line.

On first down, Brickley took a handoff from quarterback Peter McCandless and, rolling right, spotted Dilorati breaking free behind the Choate secondary. Brickley's pass was perfect, and Dilorati simply outraced his defenders to the goal line, giving the Blue a 12-0 lead.

Busted Play Successful

After two periods of boring, uninspired football, in which the Blue defense completely stymied Choate's unorganized, single-wing offense, Andover scored its final touchdown with less than two

minutes remaining in the game.

Whelan Leads...Offense

On second down from the Blue 41 yard line, Brickley swept around right end, cut back into the middle of the field, and just as he was being tackled, spun around and flipped the ball back to Whelan, surprising not only the Choate defenders but his own teammates as well. Whelan then made the most of this situation, as he streaked unmolested down the left sideline and, aided by the blocking of Mike Reardon, scored his second touchdown of the day, giving the Blue an insurmountable 18-0 advantage.

PA Offense Erratic

Despite the one-sided victory, the Blue offense still appeared erratic and at times sluggish. For the second week in a row, the pass blocking broke down, and McCandless, given little time to set up and throw, was unable to complete a pass all afternoon. The lack of backfield timing presented another major problem for the offense. Andover's defense, on the other hand, was much improved over last week and, combining its own talent with the ineptness of Choate's offense, easily stopped all offensive thrusts by the oppositions.

Lawrenceville Topples Football

Saturday, October 14; Lawrenceville, N.J.—Facing an inspired Lawrenceville squad, the varsity football team suffered its second loss of the season by the lopsided score of 44-22. For the second consecutive week, halfback Tim Whelan accounted for most of the Blue offense, as he scored two of the three PA touchdowns on passes of 63 and 87 yards.

Lawrenceville Takes Early Lead

Andover fell behind early in the contest, as Lawrenceville scored the first two times it had possession of the ball to take a 14-0 lead after one quarter. Tailback Corky Ellis masterfully directed Lawrenceville's precisioned, single-wing offense on both drives, as the Larries ran through and around PA defenders with ease. Both the Blue defensive end and middle guard positions proved extremely vulnerable as Lawrenceville sweeps and traps up the middle consistently resulted in long gains.

Lawrenceville continued its domination of play in the second quarter, and struck for two more touchdowns against a lethargic Blue defense. Lawrenceville's defense, on the other hand, completely stymied the PA attack, shutting off the Blue on all but one play, a beautiful 53-yard scoring pass from Peter McCandless to split end Dan Dilorati, as the Larries took a commanding 28-6 lead after the first half.

Assault Continues

After a scoreless third quarter, the Lawrenceville offensive assault continued, as the home team scored sixteen insurance points to increase its margin to 44-6. Once again, the Lawrenceville quarterbacks picked apart the Blue defense, and in particular, the defensive secondary, against which four touchdown passes were thrown during the course of the game.

Football's offense has averaged 21 points a game.

Whelan Scores Twice

Trailing by thirty-eight points the Blue finally added some points to the scoreboard, as PA tallied two fourth-quarter touchdowns on a pair of screen passes to the fleet-footed Whelan, who made great individual efforts on each play. After taking the throws from McCandless, Whelan weaved his way to the endzone, leaving a trail of cursing Lawrenceville defenders in his wake. However, the hustle and determination displayed by Whelan on these long scoring passes was missing from the rest of the Blue offense during much of the game, as Lawrenceville rolled to an unexpectedly easy victory.

Defense Guides PA Football To Win Vs. Mount Hermon

Saturday, October 21; Andover- Faced by the tremendous individual efforts of Tim Whelan, the varsity football team took its second victory of the year with a 12-7 triumph over visiting Mount Hermon. Slashing his way through the Hermies' defense, the hustling Whelan tallied his sixth and seventh touchdowns of the season on runs of two and 17 yards, as PA registered a come-from-behind victory.

Mount Hermon Scores First

Mount Hermon opened the scoring with a touchdown late in the second quarter, but the Blue came right back on its next possession to tighten the margin to 7-6. Whelan capped this 65-yard PA march with a two-yard sweep around left end. Up to this point, both teams had played sluggishly, with neither able to generate an effective offensive attack.

Sluggishness Continues

The second half started off as a carbon copy of the first, as neither team could sustain a drive during the entire third quarter and half of the fourth. Then, with six minutes remaining, a short Mt. Hermon punt was downed on the Hermies' 45-yard line, from which point the PA offense took over and marched to the winning touchdown.

On the first play of the series, Whelan hauled in a screen pass from quarterback Peter McCandless and brought it down to the 27-yard line. Two plays later, Craig Brickley made a great leaping catch on the 18, and on fourth down, McCandless' second quarterback sneak attempt resulted in a first down on the 17-yard line. Whelan then scampered untouched around left end, hurdled a tackler at the five-yard line, and fell into the endzone with the winning points.

Mount Hermon had one more chance to score following the kickoff, but the Blue defense, which seemed to jell as the game wore on, rose to the occasion and stopped the Hermies for four downs.

Blue Defense Dominates

The vast improvement in the Blue defense during the course of the game paralleled PA's general takeover of play. The defensive line, led by Kent Cuthbertson, Mike Corcoran, and Mark Schaeffer, spent much of the game in the Mt. Hermon backfield, applying constant pressure to the Hermies' quarterback, while linebackers Joe Coner and Stu Shofner proved equally dominant. In addition, the defensive secondary showed a great improvement over last week's debacle at Lawrenceville, as it allowed Mt. Hermon just three completed passes for a total of 17 yards.

Deerfield Crushes Varsity Football, 20-0

Saturday, October 28, Deerfield, Mass.—Plagued by six turnovers and an inept offensive attack, the varsity football team suffered its third defeat of the season by an embarrassing 20-0 score to Deerfield Academy. The Blue could do nothing right in its worst showing to date, as Deerfield capitalized on five interceptions and a recovered fumble to roll to an easy victory.

McCandless—1-21-5 Interceptions

Much of the blame for the defeat lies with the offense and in particular with quarterback Peter McCandless. McCandless was able to complete just one pass in 21 attempts, in addition to throwing five interceptions. At least three of his passes were dropped, however, and on many occasions, he was forced to scramble and throw on the run, as the pass blocking proved extremely ineffective. McCandless was dropped five times attempting to pass, while the remainder of the backfield was unable to gain a single net yard rushing. In fact, PA could manage only three first downs during the entire game.

A perfect example of Andover's ineptness occurred late in the first half, with Deerfield leading, 6-0, the result of a 20-yard scoring pass from Paul La Rochelle to Dwight Neal. McCandless started the drive with his only completed pass of the day, a beautiful 57-yard bomb down the left sideline to Dan Dilorati. On the next play, however, another McCandless-to-Dilorati pass was tipped in the air and intercepted, stopping the Blue's only march of the day, and marking the first and last time that PA was able to penetrate into the Green's territory.

Second Half Disastrous

The second half proved even more disastrous than the first. Deerfield converted two interceptions into touchdowns, both of which were scored by fullback Dave Majorowski on one-yard plunges over left tackle. The PA defense cannot be blamed for either score, as the offense surrendered the ball to Deerfield deep inside Blue territory on each occasion. The offense, though, continued to play poorly, failing to take advantage of three Green turnovers, two of these being interceptions by safetyman Bob Carroll, and thus handed Deerfield its first victory of the year.

Defensive Backfield Leads Andover Football To 14-6 Upset Victory Over Williams Frosh

Saturday, November 4; Andover.—In its finest performance of the season, the varsity football team evened its record at 3-3 with a 14-6 victory over the previously unbeaten Williams Freshmen. Halfbacks Tim Whelan and Craig Brickley led the Blue offense, as they rushed for 112 and 75 yards, respectively. The PA defense, especially the secondary, also proved dominant, stopping the frosh on all but one drive during the game.

Whelan Opens Scoring

Andover scored the first time it had possession of the ball, as PA marched downfield in eleven plays, most of which were sweeps by Brickley and Whelan. The big play of the drive was an 18-yard double reverse by split end Bill Lewis, giving PA a first down on the Williams' 17-yard line. Two plays later, Whelan capped the 69-yard march with a 14-yard end sweep, and when Al Senior kicked the extra point, Andover had an early 7-0 advantage.

Left cornerback Wali Bukawyn led the secondary, as he recovered the fumble, accounted for one of the interceptions on a great leaping catch, and personally stopped numerous end sweeps at the line of scrimmage. Safetyman Bob Carroll and rover Mark Pellergrini were also outstanding, accounting for one and two interceptions respectively. However, the defensive secondary will miss cornerback Bill Zech, who injured his knee against Williams and will thus be unable to play on Saturday against Exeter.

Offensive Line Improves

Much of the success which Whelan and Brickley achieved on the offense must be credited to the offensive line, which blocked extremely well on running plays. Leading the line was Phil Kemp, who, starting for the first time at one of the guard positions, proved very effective.

Football Team Hopes To Upend Exeter

This Saturday, the varsity football team will oppose a powerful Exeter squad, thus marking the 92nd renewal of this prep school rivalry. Andover enters the contest with an even 3-3 record, while Exeter will bring a 5-1 mark into the season's finale for both teams.

Led by tri-captains Jim Curry, Randy Lombardo, and Danny Fournier, the Red boasts twelve returning letterman and an explosive offensive attack, which has averaged almost 24 points per game. Curry, Lombardo, and senior prep Jim Soule have accounted for most of these points, as they have scored 15 of Exeter's 21 touchdowns between them.

While Soule and Lombardo handle most of the running chores, Exeter is also equipped with a strong passing attack which is headed by quarterback Doug Brothers. In the six games that have been played this year, Brothers has thrown for seven touchdown passes, five of them going to flankerback Curry, and the remaining two to Lombardo. From his tight end position, Dave Bossy also stands out as an excellent receiver.

Defense Stingy

Defensively, Exeter has yielded the stingy total of just over ten point per game. The defense is anchored by tri-captain Fournier at left defensive end, tackles Roy Mays and Bob Gantley, and cornerback Mark Trivett. However, despite Exeter's quality at many key positions, there exists a definite lack of quantity, as the Red have four players going both ways.

Exeter's only loss came at the hands of Worcester Academy, while Andover fell to both the Tufts freshmen and Deerfield, teams which the Red easily defeated. However, as was the case last year, comparative scores mean nothing in this game, and coming off its victory over the Williams frosh, the Blue should be more than ready to face Exeter.

Brickley's 177-Yard Effort Spearheads PA Football To 19-6 Upset Victory Over Exeter

by Mike Savit

Saturday, November 11; Andover—Turning a mediocre season into a worthwhile one, an aroused varsity football team crushed an overconfident Exeter squad, 19-6. A strong defensive effort and great performances from halfbacks Craig Brickley and Tim Whelan were the main ingredients responsible for the victory, as PA avenged its 30-20 upset loss of a year ago.

Brickley's Greatest Day

For co-captain Brickley, the victory was also a personal triumph, as he closed an outstanding three-year career with his greatest day ever. With emotion reaching a feverous

PA's ensuing series of downs, the Blue offense marched 56 tough yards downfield, only to have the drive stopped inches short of a first down on the PEA 21-yard line. The Blue collected its initial first downs during the march, and the running attack which would eventually prove so dominant began to show signs of life.

Red Turnover Proves Costly

Andover had little time to hemoan its fate, however, because four plays later, Exeter quarterback Brothers aided the PA cause immeasurably by fumbling a handoff on his own 42-yard line. Linehacker Bill Boeschenstein made the recovery for An-

Despite a lack of scoring, PA dominated the action, running off 15 plays to just nine for Exeter. A Mark Schaefer recovery of a Red fumble on the first play of the second half had given the offense excellent scoring position, but the Blue was once again forced to relinquish the ball on downs deep inside PEA territory.

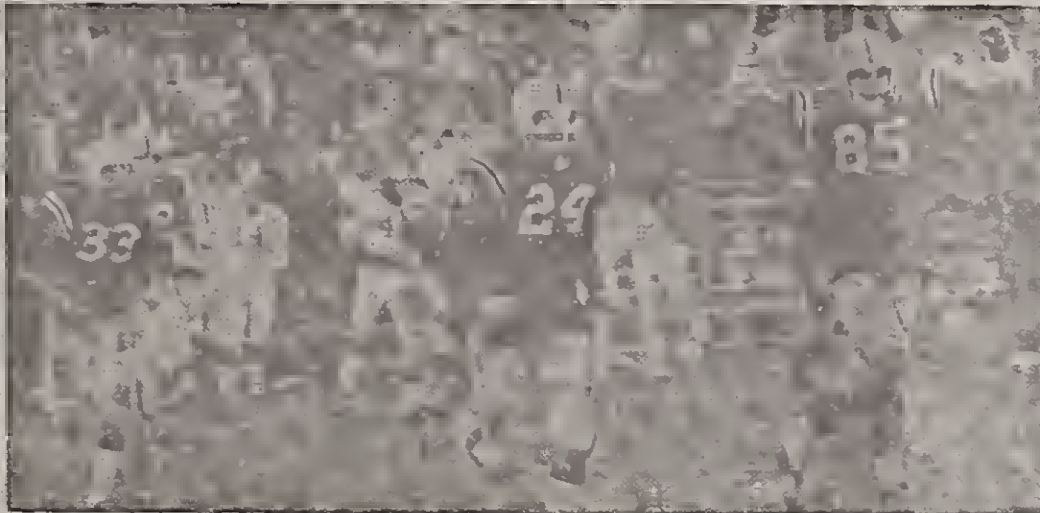

Andover Increases Lead

With time running out in the period, a Red punt was downed on the PA 34-yard line, from which the offense generated the virtual clinching drive. Whelan and Brickley alternated carries on the march, with the latter's 39-yard sweep around right end, which

Schaefer and Ken Langley, had harassed Brothers all afternoon, caused this interception, as Schaefer's fierce rush had caused Brothers to hurry his throw. The interception marked PA's second swipe of a Brothers pass, with safetyman Bob Carroll's first-quarter interception, his fourth in the last three games, accounting for the other one.

Blue Insures Victory

The Blue offense was unable to capitalize on this mistake, but after an exchange of possessions, it marched 52 yards for the touchdown that sealed Exeter's doom. Whelan's 27-yard burst off left tackle was the crucial play of the drive, and Brickley's eight-

Mark Pelligrini (33), Walt Bnckawyn (42), and Mark Schaefer (85) played well on defense.

pitch on both sides of the field, Brickley scored two touchdowns and gained a staggering total of 177 yards on the ground, while constantly penetrating the Red defense for long gains. Whelan also proved unstoppable, as he concluded a brilliant individual season by rushing for one touchdown and 157 yards. The two fleet halfbacks also accounted for all of Andover's 13 first downs.

The defense, meanwhile, stopped Exeter cold on all but one play, a 71-yard touchdown pass from Red southpaw quarterback Doug Brothers to flanker Jim Curry, which gave Exeter a short-lived 6-0 lead and the partisan Andover crowd a few anxious moments. This anxiety soon turned to frustration when, on

Andover, and seconds later, Whelan made the recover count by rumhling 35 yards over left tackle for PA's opening tally. Whelan took the handoff from quarterback Peter McCandless and swept to the left side, cut back behind excellent blocking, and easily outraced his pursuit to the endzone. When Al Senior converted the extra point, Andover had a 7-6 lead, one which it would never relinquish. This second-quarter score changed the complexion of the game, giving PA the momentum and confidence which would soon spell victory.

During the third quarter, the game reached one-sided proportions, as Andover completely outplayed, outhustled, and outhit Exeter.

Tim Whelan gained 157 yards to aid in Andover's upset victory over Exeter.

brought the ball down to the Exeter 17-yard line, the key play. Time elapsed in the period before PA could score, so on the second snap of the fourth quarter, Brickley hurdled one yard over right guard to record his first touchdown of the year. With a seven-point lead and eleven minutes left on the clock, the crowd could sense another one of those upsets which have been so numerous in the 92-year rivalry of these clubs.

An Andover triumph became even more of a reality when, on Exeter's next possession, a third-down pass was thrown right to Blue linebacker Joe Coner, who accepted the gift with open arms and returned it to the PEA 21-yard line. The defensive line, which, led by

yard touchdown gallop behind an Al Senior block was the play which sent Exeter reeling back to New Hampshire, on the losing end of a 19-6 score.

Despite the individual heroics of Brickley and Whelan, the victory must be considered a team effort. From the work of substitute cornerback Al Maddox, to the performance of the offensive line, which constantly opened big holes for the running backs, everyone performed with excellence. The triumph, Andover's 47th of the series, brought much satisfaction to the cheering crowd of alumni, faculty, and students, which withstood freezing weather conditions to cheer on the home squad.

Andover's two-pronged attack stuns Exeter

By RICK STEWART
Eagle-Tribune Sports Writer

Craig Brickley ran under a lot of people, Timmy Whelan ran under a lot of people and Andover rolled over Exeter, 19-6, in the 92nd football game between the two most traditional prep school rivals in New England Saturday afternoon at Andover's Brothers Field.

At 5-7, 165 pounds, Whelan is Andover's chug-a-lug runner and Saturday the senior prep from Natick chug-a-lugged the left side for 159 yards and his ninth touchdown of the year. Exeter found out early on that trying to tackle Whelan above the waist is like trying to stop an angry bull with a sign saying "please."

While Whelan was bouncing off and under tacklers, Co-Captain Brickley was having the biggest day of his PA football career, going around the right side for 175 yards and two touchdowns. Not bad, considering that in Andover's first six games, Brickley had gained just 165 yards and hadn't scored at all.

Before Whelan and Brickley started set-

ting anxious Andover hearts at rest, though, there was a football team from Exeter to worry about. Said team brought two things into the game that mattered. One, an impressive 5-1 record and two, a probable All-Prep receiver named Jim Curry.

The record, as things turned out, didn't really impress anybody. Curry did, though, snagging a football on Exeter's third offensive series that was your classic BOMB. Seventy-one yards straight down the sidelines and quarterback Doug Brothers just laid it in there.

Exeter looked solid . . . but only until the next play. Because Andover broke through to block the PAT kick and then proceeded to dominate the rest of the game like sand dominates the Sahara . . . totally.

From the time Curry crossed the goal line until the end of the first half, Andover out-offended Exeter, 151-29, scored what turned out to be the winning touchdown and was driving for another when time ran out.

the Exeter eight around his right side. Whelan set that one up with a 27-yarder from the Exeter 35 to the eight.

BOLTS FROM THE ROYAL BLUE DEPT.—The win was Coach Steve Sorota's 21st over Exeter (against 12 losses and one tie) and evidently Sorota knew enough from past experience to come in out of the rain, or rather, to stay out from under the showers.

After receiving the traditional shoulder ride from his squad, Sorota shook hands with Exeter Coach Alan Estey and then

"snuck out the back way," as it were, keeping dry while assistant coaches Lou Hoitsma and Joe Wennik were cleansed of their past sins in the raucous shower room.

Even though Sorota wasn't available for post-game comment, Exeter coach Alan Estey was, and he relayed what was up-
permost in Sorota's mind.

"Steve told me that the biggest thing Andover had going was last week's win over the Williams Freshmen. Steve said Williams had scrimmaged Deerfield a couple of times and had dumped all over

them. And, since Andover lost to Deerfield, I guess beating Williams like that gave them a big lift."

Andover racked up 354 yards on the ground and most of that was picked up outside with Whelan to the left and Brickley to the right. "But you know," said assistant coach Joe Wennik, "our outside game worked because we set it up inside, especially with the quick counter to Brickley."

* * * *

The way Tim Whelan was running Saturday, Exeter may have figured there must be two of him. Well . . . There are. Tim Whelan No. 1 plays for Phillips Academy. Tim Whelan No. 2 plays for Natick High.

Last year the two played together on the same Natick High team and both were running backs. Same name, same spelling, no relation. Just your average, everyday coincidence.

* * * *

Exeter Coach Estey claimed he was robbed at one point by the officials and, actually, he was . . . but not enough to turn

the game around. With less than 1:00 to play in the game, Exeter had driven to a first down at the Andover 19, but the officials only gave the Red & Gray three downs before turning the ball over to Andover. It was all pretty confusing at the time but the charts bear Estey out.

* * * *

All kinds of laurels belong to the Andover defense, which gave up just 67 yards on the ground to Exeter . . . and 59 of those were picked up by quarterback Brothers scrambling out of the pocket on that last, belated drive.

With the 1973 Andover-Exeter game now a matter of record, the series now stands in Andover's favor by a 47-37 margin with eight ties.

Injured Beaton Out For Season

PA Soccer To Rely On Balanced Attack

The Andover varsity soccer team, plagued by preseason injuries to Tom Beaton and Scott Mead, must rely on a well-balanced team effort this season to better the 6-5 record compiled by the varsity last year. Team captain Beaton, who was expected to be PA's top goal scorer in his third year with the varsity, will miss the entire season with a fractured wrist, while Mead, a fine left halfback and a returnee from last year's squad, will probably miss the first game for the Blue with an ankle injury.

Masters, Reynolds Power Front Line

Tom Masters and Craig Reynolds, both lettermen on the varsity last season, are the strong points of PA's front line. In a move to strengthen that line this season, Masters has moved to right wing after having a fine year at right halfback last season. Possessed with excellent speed, Masters has a fine shot on goal and the experience needed to lead the front line. Reynolds, a senior who will play right inside, has looked impressive in practice this season and should be one of the top scorers for the Blue.

In addition to Masters and Reynolds, other starters at the forward positions are Don DuBain, Ron Lacey, and Steve Harding. A

senior with some varsity experience, Dubain will play the center forward position. Up from last year's JV squad, Lacey has shown tremendous improvement in preseason and will move into the starting lineup at left inside. Hard-

season and has looked even more defense. Another senior, Ray Stecker, is also a fine fullback and will strengthen PA's defense. In the goal for Andover is Steve Rockwell, a senior letterman who was outstanding throughout last

Tom Masters (kicking) and Don Dubain (far right) will start at right wing and center forward, respectively, who was with the varsity last season, is starting at left wing.

PA Defense Strong
The most experienced part of this year's soccer squad is the defense. At left halfback will be either Doug Arthur or Scott Mead, depending on the extent of Mead's injury. Arthur, an upper who has

Seniors Al Cregg and Stu Sawabini, the left and right fullbacks for the Blue are returning lettermen with good size and experience. Both were starters on the varsity last season in their respective positions, which will be an important asset to the team's

Team Shows Improvement
After an unimpressive performance in a recent scrimmage against Belmont Hill, in which the Blue lost 4-2, the soccer squad has shown great improvement in practice. Coach Frank DiClemente has experimented with a change

of formation which could be a valuable asset to the team in the upcoming season. The team formerly operated from a 5-3-2 alignment, but in an effort to gain better control of the center of the field, Coach DiClemente has indicated he may use a 3-4-3 formation. In this alignment, the two insides drop back with the halfbacks, while the center halfback moves into the fullback position.

In the scrimmage against Belmont Hill, PA's only tallies were by Scott Mead and Craig Reynolds. These two should be the mainstays of Andover's offense this season, but the team must rely on teamwork for success. In the past, PA's soccer squad has depended upon individuals to score goals on their own. This year, in an effort to change for the better, the team has been working on playing more as a unit.

Soccer Falls To Tufts Frosh In Opener

Saturday, September 30; Medford—Unable to mount a consistent attack, the Andover varsity soccer squad dropped its first contest to the Tufts Freshmen, 2—0. Tufts controlled the play for virtually the entire game, scoring both goals in the first half and coasting to a relatively easy victory. Goalie Steve Rockwell played an outstanding game for PA making a total of 26 saves against the powerful Tufts offense.

Blue Offense Falters

Both teams seemed evenly matched throughout most

of the first half. Andover took 17 shots on the Tufts goal while Tufts goalkeeper Keith Fell came up with 14 saves. Blue goalie Steve Rockwell made 15 saves as Tufts took 18 shots. With 16:55 gone in the first half, right wing Pat Sullivan took a pass from Whitney Wolff and put a solid shot into the PA goal, just beyond the outstretched hands of goalie Rockwell. Although Andover displayed many fine rushes, the team was much less successful in getting off powerful shots. PA missed a golden scoring opportunity when temporary captain Ted Wood missed an open Tufts goal near the end of the first half.

Tufts Applies Crusher

Tufts tallied again when captain Andres Drobny dribbled in a shot off the hand of PA fullback Stu Sawabini with five minutes left in the half. There was no scoring in the second half, but the great majority of the play took place in the Andover end of the field. Using precision passing, the frosh took 17 shots on the Andover goal. The Blue, on the other hand, could manage only nine shots on the Tufts goal and most of them were haphazard and virtually powerless. PA fullbacks AL Cregg and Ray Stecker did make some well placed passes to the Andover forward line of Steve Harding, Ron Lacey, Don DuBain, Jim Hilboldt, and Tom Masters but the Tufts halfbacks and full backs recovered quickly to stymie any PA offensive threat.

Rough Contest

The game was played in a light drizzle and several Andover players suffered twisted ankles on the slippery turf. PA center forward Don DuBain will be out for 3 to 4 weeks with torn ligaments.

Soccer Loses To Governor Dummer

Wednesday October 4; Andover—

With the game tied one apiece early in the second overtime period, Governor Dummer rammed home a rebound off the post to hand the winless Blue varsity soccer team its second straight defeat, 2-1.

GDA Scores First

At 1:26 in the first of two overtime periods with the game in a scoreless deadlock, Governor Dummer tallied its opening goal to take a 1-0 lead. Minutes later Ted Wood blasted a shot into the upper corner of the net,

tying the game at 1-1. With 1:30 gone in the second overtime period, however, GDA picked up its second goal and held on for the victory.

Blue Defense Impressive

Andover's fullbacks, Ray Stecker, Al Cregg, and Stu Sawabini did a fine job of clearing the ball from their end throughout the game, effectively stifling any Governor Dummer offensive threat. GDA could muster only four shots in the first half and a total of 14 during regulation play. Temporary captain Steve Rockwell also played a fine all-around game,

making a number of key saves while shutting out Governor Dummer for the first 60 minutes.

Injuries Hurt Blue Offense

Plagued with injuries, the Blue offense could not sustain a well-balanced attack. Although the team displayed some brilliant passing and teamwork throughout the game, most of its 22 shots did not pose a serious threat to the Governor Dummer goalie. The loss of captain Tom Beaton and center forward Don Dubain was the main factor causing this weakness of the Blue team.

Soccer Tops Worcester, Falls To MIT

WORCESTER

Saturday, October 14; Andover—Completely controlling play throughout the entire contest, the Andover varsity soccer team upset a previously unbeaten Worcester Academy squad, 1-0, for its first victory of the season after three consecutive losses. With only five minutes left in the first half, PA center forward Ted Wood took a pass from left wing Lawrence Gordon and rammed home a shot into the right corner of the Worcester net for the lone score of the game.

Blue Control Play

A fired up Andover squad dominated the play throughout most of the first half. Capitalizing on precise passes from the Blue fullbacks the PA forwards broke free from their defenders for many scoring opportunities. Goalie Steve Rockwell had to come up with only four saves.

Andover Dominates Second Half

PA was also able to maintain a steady barrage of shots on the Worcester goal throughout the entire second half as virtually all of the play was in the Worcester end of the field. Andover's defense was excellent as fullbacks Al Cregg and Stu Sawabini kept the ball out of the PA zone with some well placed passes upfield to the Blue forwards. With this successful defensive strategy goalie Rockwell was forced to come up with only one difficult save throughout the

entire half. The remainder of the Worcester shots were slow rollers that were easily handled by the alert Rockwell.

MIT

Wednesday, October 11; Cambridge—The Blue varsity soccer team dropped its third game in as many starts, losing to the MIT freshmen, 4-3. The frosh scored the winning goal with less than four minutes to play to take the victory.

Blue Scores First

At 17:35 of the first half, Jorge Sanchez tallied his first goal of the game in a crease scramble resulting from a corner kick. At 22:36 the frosh evened up the score on a well-placed penalty shot. Less than one minute later MIT scored its second goal and led 2-1.

Sanchez Tallies Two

At 22:35 of the second half, Masters tied up the game 2-2 on a perfect play as Ted Wood's centering pass caught Masters breaking in on the right side. Masters then fired home a low, hard shot, for his first goal of the year. MIT regained the lead at 24:48 but just six seconds later Sanchez tallied his second goal for PA and the score was deadlocked 3-3.

Finally, at 35:55 a deflected MIT shot found its way into the net for the decisive goal. The entire PA offense played well, frequently beating MIT to the ball and keeping the pressure on for the majority of the second half.

Soccer Falls To Dartmouth; PA Sustains Fourth Defeat

Monday, October 16, Andover- Unable to generate an effective offense, the Blue varsity soccer team dropped its fourth game to the Dartmouth freshmen, 2-0.

With 35:10 gone in the first half, Duane Alford of Dartmouth headed in a centering pass that barely eluded goalie Steve Rockwell to give the frosh a 1-0 lead. With just over eight minutes left in the game, Dartmouth added an insurance goal as Rockwell was not able to stop a hard blast that went over him and into the net.

PA Offense Ineffective

In the first half the PA offense, combined with a staunch Dartmouth

defense, proved ineffective, managing only four shots on net. The Blue defense also played well, keeping the play contained at midfield and holding the frosh offense to only seven shots.

PA Passing Poor

Throughout the game the Blue offense passed poorly and was generally unorganized. With a total of only nine shots on net as compared to Dartmouth's 16, PA was never in the game, being outplayed both offensively and defensively. This marked the second time the Blue has been shutout this season.

Jorge Sanchez (middle) scored 3 goals this week.

Saturday, October 21; Northfield, Mass.—The Blue varsity soccer team defeated the defending New England Prep School Champion Northfield Mount Hermon soccer team by a score of 2-0. After starting the season slowly, Andover has come back to win three out of its last four games, bringing its record to 3-4. However, of these four losses only one has come against a prep school team.

Major, Sanchez Score

Andover's first goal came midway through the first of the two 35 minute halves. Left wing John Major broke in on Mount Hermon goalie, Young Choi and, as Choi came out to cut down the angle, Major lofted an easy shot over the goalie's head to give Andover what proved to be the winning goal.

Although the Blue completely dominated the first half of play, Mount Hermon displayed a potent attack in the opening stages of the second half. Midway through the period, however, Andover tallied its second goal following a corner kick. John Major floated the kick to Ted Wood, who headed the ball to Jorge Sanchez, who in turn headed it in, to add an insurance goal.

Craig Reynolds starts at forward for the PA soccer team.

Rockwell Posts Second Shoutout

PA goalie Steve Rockwell played his best game of the season, as he held the strong Mount Hermon attack scoreless for the entire game. This marks Rockwell's second shutout effort of the season, as he had previously held Worcester Academy scoreless.

Throughout the season the Blue defense has played well, as goalies Rockwell and Dave Bauman have only once allowed more than two goals to be scored in a single game. The play of the PA fullbacks has also been more than satisfactory. However, the Blue offense, which has been relatively ineffective at times, is expected to be improved by the return of captain Tom Beaton, who has been sidelined since the beginning of the season.

Wednesday, October 18, Andover—Dominating the play throughout the game, the Blue varsity soccer team trounced the hapless Merrimack College "B" squad, 4-1, upping its record to 2-4.

DuBain Tallies Twice

Celebrating his recovery from a knee injury that had

Scott Mead has stood out at halfback for the Blue.

sidelined him for the first five games, DuBain paced the Blue offense, scoring two of PA's four goals. The first of these came at 26:17 of the first half as he headed in a centering pass. His second proved to be the winning goal, when, at 14:45 of the second half, DuBain fired home a rebound off the post to make the score 2-0.

Merrimack tallied its lone goal at 34:30 of the second half to make the game close but less than two minutes later Jorge Sanchez put the game out of reach as a shot and two rebounds hit, in succession, the crossbar, the post, and the crossbar again before Sanchez could knock the ball in. One minute later Sanchez picked up his second goal making the score 4-1.

Offense Effective

Led by Don DuBain, the Blue offense completely controlled the game, taking a total of 35 shots on the Merrimack goal. Merrimack, on the other hand, could only manage seven shots and did not test Blue goalie Dave Bauman. Great passing and ball control by PA constantly kept the Merrimack defense on the run while the poor passing of the inconsistent Merrimack offense made it easy for the Blue

Siravat Heads In Winning Tally As Soccer Takes Come-From-Behind Win Over Deerfield

Saturday October 28; Andover— Playing one of its best games of the year, the Blue varsity soccer team defeated Deerfield Academy, 2-1. The win upped Andover's record to 4-5, with victories in three out of the last four games.

Siravat Tallies Winner

With just over nine minutes remaining in the contest, Anavat Siravat tallied what proved to be the game-winning goal. Tom Masters started the play when he centered a pass from the right side to Siravat, who was breaking in on the left wing. Siravat then headed a perfect shot into the upper right-hand corner to give PA the one goal margin.

Green Scores First

Bill Rhodes of Deerfield scored the first goal of the game after 12:04 of the first period, but with only 1:15 left in the first half top goal-scorer

Ted Wood pumped in a goal to tie the score at 1-1. Craig Reynolds gave a perfect pass to Wood who broke in behind the Deerfield defense and fired the ball into the short side of the net for the score.

Defense Plays Well

The defense, which includes Stu Sawabini, Al Cregg, and Ray Stecker played excellently, holding Deerfield to fifteen shots on net, five in the

second half. Stecker must be singled out, as his hustle and all around defensive play, paced the Blue during the game. In the past three games Andover's opponents have tallied only four goals.

Looking Forward to Exeter

The performance of the soccer team has improved tremendously in the last few games, both offensively and defensively. This team play must continue if the Blue expects to have a good chance of defeating Exeter.

Steve Rockwell has been excellent as PA's goalie.

Ted Wood is Andover soccer's leading scorer.

Blue Soccer Sustains Loss To SPS Varsity

Wednesday October 25, St. Pauls goal of the game.

Pauls—Playing a passive game on offense, the Blue varsity soccer team fell to the St. Pauls school, 1-0. St. Paul's scored the only goal of the game late in the third period to drop Andover's record to 3-5.

Both Offenses Weak

Both Andover's and St. Paul's offenses had difficulty in generating an effective attack, managing just 15 and 11 shots on net, respectively.

Penalty Shot Scores

With seven minutes remaining in the third quarter, St. Pauls was given a direct kick just to the right of the penalty box. Goalie Steve Rockwell could not handle the high lofting shot however, and the ball bounded away from him. A St. Paul's man got control of the ball, but before he could get a good kick off, Rockwell, in a last ditch attempt to stop a goal, grabbed the man's ankle. The referee awarded a penalty shot which was drilled home for the only

The Blue has been very erratic throughout the season, frequently failing to produce the team effort necessary to score consistently. In this contest, the passing and play-making was extremely poor resulting in a weak overall offensive attack.

The defense, on the other hand, played its usual strong game, effectively stifling the SPS attack. They managed to clear the ball almost at will thus containing the play on the Andover end for most of the game.

The place—PA soccer field

After playing three periods of scoreless ball, the varsity soccer team edged the Harvard Freshmen 1-0 as Demi Gibson ran the ball into the Crimson goal.

The time—Exactly fourteen years later

Paced by an impenetrable defense, the Blue varsity soccer team defeated Harvard freshmen, 1-0, as captain Tom Beaton scored the lone goal of the contest with less than 14 minutes left in the game.

Beaton Tallie's Winning Goal

Tom Beaton's winning tally, his first goal of the year, came as he broke down the right side of the field

and took a centering pass from leading scorer Ted Wood. Beaton rammed his shot into the lower right corner of the net and the Blue led, 1-0.

Defense Leads Team

As they have throughout the season, the entire Andover defense played excellently, allowing the Crimson only three shots on net in the second half. PA also managed to shut out Harvard in the crucial fourth quarter, despite the fact that the frosh had three corner kicks in that period, exemplifying the fine clutch play of the defense.

Fullbacks, Goalie Excellent

Ray Stecker, Stu Sawabini, and Al Clegg, Andover's top three fullbacks, combined with goalie Steve Rockwell for the shutout. This game marked the third time this year that the Blue has shut out its opponent. The defense has been outstanding all season, often managing to stave off defeat when the offense, which has been very inconsistent, was unable to produce more than one or two goals or build up a substantial lead.

Yale Freshmen Down Blue Soccer Team By 3-0 Score

Saturday, November 4; New Haven—Unable to generate an effective offensive attack, the Blue varsity soccer team fell to the Yale freshmen, 3-0. This loss dropped PA's season record to 5-6.

Yale Scores In First Half

With only 8:50 gone in the first half, the frosh scored what proved to be the winning goal. Andover managed to hold the frosh scoreless throughout the rest of the first half but at 8:40 of the second half the Elis added an insurance goal to make the score 2-0. Yale put the game completely out of reach just nine minutes later when it scored its third and final goal making the score 3-0.

Defense Pressured

The powerful Yale offense put

constant pressure on goalie Steve Rockwell throughout the first half, taking 10 shots on net and hitting the crossbar once. The Blue played poorly, on the other hand, as it took only four shots on the opposing net.

Offense Inconsistent

A lack of teamwork has hurt Andover's offense for most of this season and against a tough Eli defense this deficiency was extremely evident. Although PA did have a number of scoring opportunities, the offense was unable to convert these chances into tallies. One good example came early in the first half when a point blank shot was missed after Tom Masters had set the play up with a perfect corner kick.

Blue Soccer Ties Exeter; Beaton Tallies Lone Goal

..Wednesday, November 8; a bad call on Scott Mead for pushing. The penalty occurred inside the area enclosed by the penalty box, automatically giving Exeter a penalty shot, which comes from just 12" outside the goal-line.

Beaton Beats Goalie

Playing with great determination and hustle, PA scored with only one minute gone in the game, as one of the Blue halfbacks lofted the ball high up and over the Red defencemen. Although the Exeter goalie came out quickly, Beaton streaked in towards the net from his left wing position and fired a shot right between the stunned goalie's legs into the center of the net. The shot came from just inside the penalty box area for Beaton's second goal of the year.

PEA Retaliates

Exeter tallied just five and one half minutes later when left wing Dave Hidle passed the ball out in front to Jim Stevenson. Stevenson then put a well-placed shot into the far corner of the Blue net, tying the game at 1-1. PA goalie Steve Rockwell was partially screened on the play.

Overtime

After regulation play ended in a 1-1 deadlock, the teams played two five-minute overtime periods. Early in the first overtime period, Exeter missed a golden opportunity to score the go-ahead goal. With emotions running high and one minute gone in that first overtime, the referee made

With the Andover contingent deathly silent and the Exies poised and ready to break into cheers, Scott Dunbar of Exeter, confident and anxious, strode up to the ball and blasted a low hard shot. An equally confident Rockwell dove out to his left, however, and stopped the ball to make a great clutch save.

Rogerson, Mangan To Guide Strong Cross-country Squad

With two returning runners from last year's squad, the 1972 Andover varsity cross country team is hopeful of bettering last year's 5-3 record. The veteran squad is coached by Stephen Marx and led by senior captain John Rogerson. Rogerson and upper Matt Mangan were the mainstays in the 1971 Blue squad that captured second place in the Interschols and defeated such powerful opponents as Northeastern, Deerfield, and Huntington. PA narrowly lost to Exeter, falling to the Interschols champions by a single point, 28-27.

Experienced Squad

The Blue varsity will be bolstered by uppers Mark Efinger and James Morgan and by senior Thomas Chambers. All three were excellent runners on a fine JV squad. Uppers Gary Lee and Thomas Lenagh along with lower Paul Suslovich all hope to pull surprises

when competing for the remaining spots on the varsity.

Difficult Schedule

Andover however will have to run well to have an excellent record. The Blue will oppose two powerful college freshmen teams in Harvard and Northeastern and will face six strong prep school teams in Williston, Huntington, Deerfield, Mount Hermon, Governor Dummer, and Exeter.

Summer Training

Head coach Stephen Marx held a summer training program at the house of Mark Efinger, located in Shaftsbury, Vermont. The participants in the program, which was carried on from August 31 to September 6, were Mark Efinger, Matt Mangan, Thomas Chambers, Paul Suslovich, Gary Lee, Thomas Lenagh, and James Morgan. The training included running up to 15 miles a day in the hills of the surrounding countryside.

Cross-country Hopes To Top Last Fall's Mediocre Record

Coming off an impressive showing in a preseason time trial, the Andover varsity cross country team is looking forward to an outstanding season. Bolstered by three lettermen, this appears to be the strongest cross-country team at PA in recent years. The Andover cross-country squad has shown constant improvement over the past few seasons, and this team should easily better last year's 5-3 record.

Rogerson, Mangan Lead Team

Two lettermen, team captain John Rogerson and upper Matt Mangan will run numbers one and two for the Blue, respectively. Rogerson, who ran number three for the harriers last season, streaked over the 2.6 mile course in a remarkable time of 12:47 last week, only nine seconds off of the existing school record. With an excellent time of 13:12 in the trial, Mangan is a strong second man who should also go under thirteen minutes before the year's end.

Upper James Morgan is in the third position for Andover, while senior Alan Jewkes will run in the fourth spot. Morgan, who came on

strong at the end of last season after early injuries, covered the course in a fine time of 13:39. Jewkes, a new addition to the team, Jewkes posted a fast time of 13:48 to capture fourth. With four runners under fourteen minutes this season, PA has a powerful top group.

Harriers Show Depth

A strong point of the team this season is the depth shown in the trial. Charles Nadler, an upper who has shown rapid improvement in practice, finished with a fine time of 14:09 and will run number five for PA. Upper Mark Efinge came across the finish line in 14:30, but should improve on that in the first meet. Gary Lee gained the seventh spot with a time of 14:46.

Cross-country Defeats Williston, 19-44

Saturday, September 30; Andover—With team captain John Rogerson turning in an amazing record-breaking performance, the powerful Andover varsity cross-country team trounced hapless Williston Academy, 19-44, in its first meet of the season. The Blue harriers captured seven of the eight top places to completely dominate the meet. The times for all seven were extremely fast, with five runners going under 14 minutes.

Rogerson Establishes Record

Captain John Rogerson shattered the school record for the 2.5 mile course with a remarkable time of 12:34 to capture first place in the meet. His time clipped four seconds off the old mark of 12:38, established by Bruce Wolfe last year. Despite his record time, Rogerson was not able to pull away from Williston's Steve Farmer until late in the race. It was in the last 880 yards that Rogerson began to lengthen his lead and he broke the tape with a 150-yard margin over Farmer.

Mangan Finishes Third

Upper Matt Maagan took third place behind Farmer with an outstanding time of 13:01, a personal best for him. Mangan, who has looked tremendous throughout the pre season, is only 13 seconds off the upper record of 12:48 set by Rogerson near the end of last season.

Another upper, Jamie Morgan, and senior prep Fred

With a career best time of 13:18 Jamie Morgan captured fourth place for Andover.

Burdick finished in the fourth and fifth positions, respectively. Morgan ran an excellent race and came across the finish line in a time of 13:18, bettering his previous mark by 21 seconds. In his first meet for PA, Burdick firmly set himself as the number four man on the team by capturing fifth place in an excellent time of 13:35. Burdick, who missed the pre season time trials, should strengthen the Blue at the number four spot in upcoming meets.

Team Depth Prevails

Andover's domination of the meet did not end with the top four members of the squad. Alan Jewkes, in the number five position for the Blue, took sixth place with a fast time of 13:50. Close behind Jewkes in the seventh spot was upper Charles Nadler. Nadler, who has rapidly improved in his first year of cross-country at Andover, came across in a fine time of 14:00.

Number seven man, Tom Chambers, recovering from a knee injury which kept him out of last week's time trial, gave PA the eight spot with a time of 14:12. The final runner for the Blue, upper Mark Effinger, looked very strong and finished ninth in a time of 14:23, his personal best. Although only the top five places count in the team score, the depth shown in the sixth, seventh and eighth spots will strengthen the team in case of injuries.

Matt Mangan, PA's number two man, placed third in the meet against Williston.

Harriers Top Huntington, GDA

Wednesday, October 4; Andover—The Andover varsity cross-country team streaked to its second and third straight victories of the season, defeating Governor Dummer, 22-35, and Huntington Academy, 15-49. The meet, which was run as a tri-meet but scored as individual contests, was supposed to provide strong competition for the Blue but PA runners dominated the contest, placing six men in the top ten spots.

Rogerson Captures First

With his second consecutive record-breaking performance of the season, captain John Rogerson took first place in the meet to lead the PA harriers. Rogerson, who shattered the school record in his last meet with a time of 12:34, again lowered the school mark, breaking the tape in a clocking of 12:30. After an extremely fast first mile in which two Huntington runners pressed for the lead, Rogerson broke away to take his second win in as many meets.

Morgan Sets Upper Record

Upper Jamie Morgan captured the second spot, racing over the 2½ mile course in a fantastic time of 12:43.5, which breaks the upper record set by Rogerson last season. Formerly the muber three man for the Blue, Morgan chopped a total of thirty-three seconds off his previous best. In the last two meets he has lowered his time by almost a full minute.

In the finest race of his career, Matt Mangan became PA's third man under thirteen minutes by finishing fourth in a time of 12:58. Mangan ran a strong race, crossing the finish line only a few yards behind Governor Dummer's Steve Bell.

Nadler, Jewkes Impressive

Charles Nadler, an upper, and senior Alan Jewkes continued the powerful showing by Blue harriers, capturing seventh and eighth places, respectively. Nadler, a long striding runner with outstanding potential, showed tremendous improvement. After covering the course in a time of 14:00 in PA's first meet, he clipped thirty-six seconds off that time with a fast 13:24 clocking.

Jewkes finished just behind Nadler in a time of 13:29. After running times consistently around 13:50 in preseason and the first meet, Jewkes finally broke the 13:30 mark to capture the eight spot. Senior Tom Chambers also ran a fine race, finishing ninth overall in a time of 13:45, his best ever.

Charles Nadler, Steve Burdick, Al Jewkes and Tom Chambers (l to r) give the harriers fine depth.

Blue Harriers Succumb To Strong Harvard Freshmen

Wednesday, October 11; Cambridge, Mass.-Despite an outstanding performance by team captain John Rogerson, the Andover varsity cross-country team suffered its first loss of the season, falling to the Harvard freshmen, 18-45. PA runners placed third, ninth, tenth, fifteenth, and sixteenth against one of the strongest Harvard freshmen teams in history.

Rogerson Captures Third

Captain John Rogerson again turned in a record-breaking time, covering the 2.4 mile Harvard course in a remarkable time of 11:47 to capture third place in the meet. Rogerson's clocking bettered the existing Harvard freshman record of 11:51. In order to defeat Rogerson, both Karl Tsigidonis and William Okerman, Harvard's number one and two men, respectively, had to run times which were faster than any college freshman had ever done on this course.

Mangan Finishes Ninth

Harvard's overall team strength proved to be the decisive factor in

the meet, as five Crimson runners crossed the finish line between Rogerson and upper Maat Mangan, who took ninth place for the Blue. Mangan finished the race in a fast time of 12:11, only one second behind Harvard's number seven man Steve Lucal, who captured the eighth spot.

Upper Jamie Morgan and senior Fred Berdick also ran fine races for Andover, finishing in the tenth and fifteenth places, respectively. Morgan came across the finish line close behind Mangan, as he recorded a time of 12:17, while Berdick completed the course with a clocking of 12:36.

Running a strong race for PA, senior Tom Chambers captured the sixteenth spot with a time of 12:38. Alan Jewkes and Charles Nadler finished in the eighteenth and fifteenth places, respectively. Jewkes turned in a time of 12:47, while Nadler crossed the finish line in a clocking of 12:51.

Harriers Down Mt. Hermon, Fall To NU

Saturday, October 21; Northfield, Mass.—Running on the course that will be the site of the Interscholls in two weeks, the Andover varsity cross-country team upped its season record to 4-2 with an impressive 24-34 victory over Mount Hermon. PA's overall team strength overcame the Mount Hermon squad, as the Blue placed six runners in the first nine spots.

Rogerson Sets Another Record

Captain John Rogerson ran an outstanding race on the rough, hilly 2.55 mile course, capturing first place and shattering the Mount Hermon school record with a blistering 13:31 clocking. Rogerson defeated Mount Hermon's Mike Antonio by a margin of ten seconds for the victory. In addition to eclipsing the school mark, Roger-

son's time was only four-tenths of a second off the course record.

Competing in the number two spot for Andover, upper Matt Mangan finished third in the race in a fast time of 13:53. Mangan was forced to battle with Mount Hermon's Scott McDonald throughout the contest but he finished strong to give Andover the third spot.

PA Shows Team Strength

After McDonald finished fourth, Andover's team strength began to dominate the meet, as the Blue captured four of the next five places. Jamie Morgan returned to top form, taking the fifth spot with a fine time of 14:01. Morgan easily outdistanced Mount Hermon's Dave Cadwell, who took sixth.

Charles Nadler came across the finish line in a time of 14:37 to

capture seventh place, while Alan Jewkes gained the eighth spot with a 14:57 clocking. Upper Martin Leamon, who was just recently moved up to the varsity turned in a fine performance and captured ninth, finishing in 15:02. Tom Chambers took the eleventh spot in a time of 15:31.

Wednesday, October 18; Andover.—The Andover cross-country team dropped its second consecutive decision to a college freshman squad, as it fell to the Northeastern freshmen, 25-32. Northeastern's powerful team offset the record-breaking efforts by both John Rogerson and Matt Mangan to capture the win.

Rogerson Lowers School Mark

Senior captain John Rogerson continued his assaults on the records for the PA course, as he reset his own school mark and tied the course record with a remarkable time of 12:20. Rogerson survived a fast pace set by the Northeastern runners early in the race to capture the first spot. His time equals the record established on the 2.5 mile course by Harvard's Dave Potetti in 1966.

Mangan Breaks Upper Mark

With Rogerson running at a record pace, upper Matt Mangan also ran an outstanding race and finished second in a time of 12:31, smashing the previous upper record of 12:43:5 set by Jamie Morgan earlier this year. Mangan's clocking was seven seconds faster than the old school mark, which stood at 12:38 before this season.

Upper Jamie Morgan finished in the sixth spot with a good time of 13:00. Large distances between Andover runners hurt the Blue, however as Northeastern placed three men between Morgan and upper Charles Nadler, who finished sixth in a time of 13:20. Senior Tom Chambers took 11th in a 13:39 clocking, while another senior, Alan Jewkes, came across the finish line in 12th place with a time of 13:45.

Andover Harriers Beat Weak Deerfield Team

Saturday, October 28; Andover— Facing poor weather conditions and a lack of strong competition, the Andover varsity cross-country team raised its season record to 5-2, overwhelming an out-classed Deerfield squad, 15-50. The Blue easily swept the first seven places in the meet, which is the final contest before this Saturday's Interschols.

Rogerson Leads Team

John Rogerson again paced the Blue as he easily outdistanced the rest of the field to capture first place. Rogerson remained unbeaten on the PA course this season, coming across the finish line in a time of 12:37, which is well off the 12:20 clocking he turned in earlier this year.

Matt Mangan and Jamie Morgan also turned in fine performances for Andover, capturing the second and third spots, respectively. The ab-

sence of pressure by the Deerfield team hurt both runners, as Mangan finished in a time of 12:52 and Morgan came across in 13:13.

Nadler, Chambers Strong

Crossing the finish line close behind Morgan, Charles Nadler and Tom Chambers finished in a dead heat to give the fourth and fifth places to PA. Both Nadler and Chambers completed the course in an impressive time of 13:28.

Upper Martin Leamon continued to show tremendous improvement as he captured sixth with a fast 13:36 clocking. Completing the Andover sweep, Alan Jewkes crossed the finish line in a time of 14:02 to take the seventh spot.

Interschols

After compiling a 5-0 record against prep school competition thus far, Andover must be considered the favorite in this Saturday's Interschols.

Harriers Take First In Interschols

Saturday, November 4; Northfield, Mass.—Using the combination of a fine individual effort by captain John Rogerson and superb overall team strength, the Andover vasily cross-country team won its first Interschols championship in 12 years. Blue runners finished third, ninth, tenth, seventeenth, and twentieth to capture the title with a remarkably low total of 59 points. PA's team strength proved to be the decisive factor in the ten school contest, as Exeter finished a close second with 68 points, while Northfield Mount Hermon was a distant third, totalling 107 points.

Rogerson Captures Third

John Rogerson, who has been outstanding for Andover all season, again led the squad with an impressive third place finish in the meet. Rogerson was a strong contender for the first spot until the two mile mark where he fell slightly off the pace set by Mount Hermon's Mike Antonio and Exeter's Jon Robert's. Antonio and Roberts took first and second place, respectively. Bothered by illness earlier this week,

Rogerson was unable to overtake the leaders but remained a close third covering the 2.6 mile course in a very fast time of 13:36 to anchor PA's winning effort.

Mangan, Morgan Strong

Running number two for the Blue, Matt Mangan turned in another powerful performance, taking ninth place with a fine time of 14:03. Mangan maintained a good pace throughout the race and only ten seconds separated him and the fifth place runner at the finish.

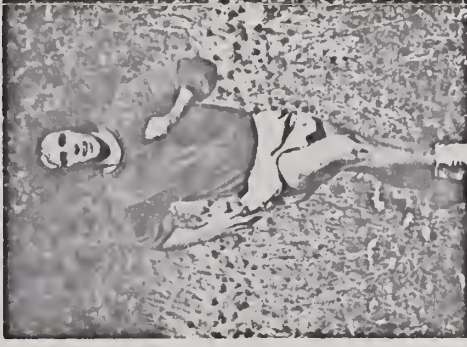

Jamie Morgan became Andover's third competitor to cross the finish line in the top ten spots, as he gained tenth place in a clocking of 14:08. Morgan rallied in the final quarter mile to edge Choate's Mark Piccirillo, who finished eleventh.

Leamon Provides Important Place

One of the most important performances for Andover in the meet was that of upper Martin Leamon. After starting the season on the JV squad, Leamon has shown tremendous improvement during the year and the climax of his efforts

Jamie Morgan, Matt Mangan came in this meet, as he finished in the seventeenth spot with a remarkable time of 14:32. Leamon's clocking showed an improvement of 30 seconds over the time he posted two weeks ago on the same course. Charles Nadler also provided PA

John Rogerson placed 10th, with a fine performance, gaining twentieth place in a good time of 14:40. Nadler fought off repeated challenges by his opponents in the last half mile to maintain his position in the twentieth spot, the middle of a group of finishers. Tom Chambers

9th and 3rd in the Interschols, placed twenty-third with a 14:43 clocking, bettering his previous effort on this course by 48 seconds. All of the Andover runners finished in the first half of the field of 70 competitors, as Alan Jewkes took the thirty-first spot in a fine time

Harriers Vanquish Exeter, 26-30

Wednesday, November 8; Exeter, N.H.—Completing its most successful season in recent years, the Andover varsity cross-country team edged an extremely powerful Exeter squad, 26-30. Suffering its only defeats against two strong college freshman teams, Andover concluded the year with a remarkable 6-0 mark against prep school competition and an interschools championship.

Rogerson Sprints To Victory

Team captain John Rogerson, who has sparked the PA harriers throughout the year, defeated Exeter's captain Jon Roberts to take

the first place in the meet. Rogerson who finished third behind Roberts in the Interschols, ran stride for stride with the Red captain over most of the wet, 2.5 mile Exeter course.

In the final 50 yards, however, he began to quicken his pace and proceeded to outstrip his opponent to break the tape in an outstanding time of 12:38. The win culminated a fantastic season for Rogerson, which included seven first place finishes in eight meets and the establishment of both the PA school and course records with a remarkable 12:20 clocking against Northeastern.

Morgan Captures Third

Although Roberts gave Exeter second place, Jamie Morgan ran one of the finest races of his career to take the third spot in a fast time of 12:53. After finishing behind Exeter's number two man, Bob Ashe, in the Interschols, Morgan came back to defeat Ashe by a slim ten yard margin to give PA the crucial spot.

Finishing close behind Morgan and Ashe, Matt Mangan captured fifth with a fine 12:57 clocking. Mangan, who has been outstanding all season, fought off numerous challenges from the Red harriers throughout the race and finished fast to maintain his fifth place position.

Leamon, Chambers Strong

After two Exeter runners crossed the finish line, Martin Leamon and Tom Chambers captured what proved to be the decisive places in the meet. Leamon, who has continually supplied PA with strong performances since he joined the varsity, finished in the eighth spot with a good time of 13:22. Chambers also ran an excellent race to place ninth in a fast time of 13:30.

Charles Nadler became PA's sixth runner to finish in the first ten places, as he took the tenth spot in a fine time of 13:33. Alan Jewkes completed the Andover triumph, crossing the finish line twelfth in a time of 13:41.

Rogerson Chosen Athlete Of The Term

In a recent poll of the PHILLIPIAN sports board, John Rogerson amassed one hundred out of a possible one hundred points to win the "Athlete of the Fall Term". Rogerson outscored Tim Whelan and Matt Mangan in the voting, as the two finished in second and third place, respectively.

The captain of PA's cross-country team, Rogerson finished third in the Interschols to lead the Blue harriers to their first-place finish. In the opening meet of the season, Rogerson covered PA's 2.5 mile course in a remarkable time of 12:34, shattering the old mark of 12:38 by four seconds. In subsequent meets, he went on to reset his own record on two separate occasions, with his best time of 12:20 coming against the Northeastern freshmen.

Whelan Finishes Strong Second

Collecting ninety points in the voting, Whelan finished a strong second behind Rogerson. The starting right halfback on the football team, Whelan had an outstanding individual season, as he led the squad in rushing, receiving, and scoring. Scoring at least one touchdown in all but one game, Whelan finished his brilliant year by rushing for one touchdown and 157 yards over-all in PA's victory over Exeter.

Matt Mangan took third place in the balloting for his accomplishments with the cross-country squad. Finishing second for PA in all but two meets, Mangan

placed ninth in the Interschols, and will be counted on to anchor next year's team.

Brickley, Coner Tie for Fourth

Football's Craig Brickley and Joe Coner tied for fourth place in the voting. Co-captain and three-year letterman Brickley, who started at left halfback for the Blue, had his greatest day in the season's finale against Exeter, as he scored twice in addition to rushing for the unbelievable total of 177 yards. A first-year senior who started as linebacker, Coner anchored PA's powerful defensive unit.

The starting goalie on the soccer team, Steve Rockwell placed sixth in the voting. A two-year letterman, Rockwell played excellently in the PA net, as he recorded three shutouts on the year, including a 1-0 triumph over the Harvard frosh.

Trailing Rockwell was Gus Burke. Playing in the number one or two position for the golf team for most of the year, Burke won all but one of his individual matches, in leading the linksters to their most successful season ever. Jamie Morgan, who broke the upper cross-country record during the season and finished in tenth position in the Interschols, placed eighth in the balloting.

Finishing in the ninth and tenth positions were Ken Langley and Ted Wood, respectively. Langley was a standout defensive lineman for the football team, while Wood was soccer's leading scorer.

Basketball Falls To Bowdoin, 85-75

Saturday, January 6; Brunswick, Maine—Despite an excellent offensive performance by forward Ted O'Grady, the Andover varsity basketball team succumbed to the Bowdoin JV's, 85-75. The defeat evened PA's record at one win and one loss, as PA had already demolished a weak New Prep squad, 118-81, in the opening game of the season. While the Blue was able to establish a slim three point lead, 57-53, after three quarters of play, Bowdoin exploded for 32 points in the final period to capture the win.

Schaefer, Grady Foul Out

Andover's fatal blow came with five minutes remaining in the fourth quarter, when center Mark Schaefer fouled out. In the first three periods, Schaefer had been the only PA player who was able to contend with Bowdoin's four rebounders, all of whom were taller than he. Soon after Schaefer's expulsion, starting guard Rob Grady also committed his fifth foul, forcing him to leave the game. The loss of Schaefer's height and defensive ability soon forced the Blue to move from a zone defense to a man to man defense with a full court press. This press was unsuccessful, as PA committed several careless fouls in vain attempts to gain possession of the ball. Due to these fouls Bowdoin was able to convert on ten of 14 foul shots, while Andover's only two fourth quarter free throws were missed. Throughout the fourth quarter O'Grady put on a spec-

tacular display of offensive talent, netting 16 of PA's 18 fourth quarter points.

First Half Played Evenly

As the game started, both teams were extremely cold, each accounting for only 12 first quarter points. In this opening quarter, Grady scored his only four points of the game, far below his season's average. Both teams heated up in the second quarter, however, and Bowdoin jumped to a three point lead at half time, 36-33. Led by nine points from Willie Robinson and eight from O'Grady, Andover was able to pull ahead by a four point margin. This lead was almost immediately shattered, as Bowdoin's 32-point final quarter quickly restored their lead.

O'Grady High Scorer

O'Grady's 37 points, which represents the game high, combined with 27 point against New Prep places him first among his team mates in scoring with a total of 64 points. Robinson is second in this category, combining a 20 point effort against New Prep with 13 points in the Bowdoin game giving him a total of 33 points. Through the first two games, captain Tim McChristian has scored 27 points, while Grady has totalled 22, and McCormack 15. Although Schaefer has only accounted for 14 points through the two opening games, he has led the Blue defensively, hauling down 26 rebounds.

Basketball Extends Losing Streak

Saturday, January 13; Yarmouth, Maine—Playing a weak game offensively, the Andover varsity basketball squad suffered its third consecutive loss, falling to strong North Yarmouth Academy, 92-75. PA was unable to mount a consistent offense during the first half of the contest, and consequently the North Yarmouth team amassed an insurmountable lead.

Second Quarter Decisive

Behind the fine play of Mark Schaefer and Ted O'Grady, the Blue trailed by only one point, 14-13, at the end of the first quarter. In the second quarter, however, Andover's shooting percentage fell to a dismal 26%. Taking advantage of PA's poor shooting and numerous turnovers, the North Yarmouth squad outscored the Blue, 33-10, in the second period to open up a large 47-23 halftime lead. Forward Ken Warren turned in an outstanding performance for North Yarmouth in the first half, tallying a total of 22 points.

Schaefer, McChristian Lead PA

Continuing to dominate the game offensively, North Yarmouth extended its lead to 30 points, 77-47, early in the fourth quarter. Andover then exhibited its finest shooting of the contest to narrow the margin to 15 points at the final buzzer.

Mark Schaefer played his best game of the season for Andover, totalling 18 points and collecting 20 rebounds against the taller North Yarmouth team. Scoring ten points in the second half, Tim McChristian followed Schaefer in the scoring column with 14 points. Ken Warren led all scorers for North Yarmouth with 36 points.

Wednesday, January 10; Andover, Mass.—Plagued once again by a poor second half, the Andover varsity basketball team succumbed to Huntington by a score of 89-78. While the Blue was able to attain a 39-39 tie at half time, Huntington quickly established a ten point lead in the third quarter, which they managed to retain throughout the remainder of the second half.

Poor Third Quarter

As the second half began, PA was unable to hit from outside, while a strong Huntington one-three-one zone defense kept the Blue from penetrating for the driving lay-ups. Meanwhile, at the other end of the court, Huntington was exploiting the Andover two-one-two zone defense. When Huntington failed to convert a length-of-the-court pass into fastbreak baskets, they would employ a well disciplined offensive attack, which successfully waited for an Andover error to convert on.

After Huntington had pulled ahead by a ten point margin, the Blue began to score. Their defense, however, failed to halt Huntington's powerful offense, enabling them to maintain their lead. In an attempt to infringe upon the lead, Andover's leading scorer Ted O'Grady moved to guard during the fourth quarter. This attempt aided Andover's cause, as O'Grady scored 11 fourth quarter points. The remainder of the team, however, rarely received the opportunity to shoot during this period, as they accounted for only 12 points.

First Played Evenly

Led by ten first quarter points from Rob Grady and eight from Mark Schaefer, the Blue pulled out to a 23-15 first quarter lead. Huntington then answered with 24 points in the second period to tie the score at 39. In this quarter captain Tim McChristian led Andover scorers with six of his 16 points. McChristian also led PA defensively with five blocked shots.

Basketball Evens Record At 3-3

Wednesday, January 17, Andover, Mass.—Snapping its three game losing streak, the Andover varsity basketball team overwhelmed a weak Emerson College team, 99-57. The Blue was able to establish its superiority early in the game, as they jumped to a quick 14-2 lead.

Second Quarter Decisive

While Emerson was able to cut PA's lead down to three points at the end of the first quarter, the Blue created an insurmountable 15 point lead during the second period. It consistently managed to find a man free under the basket, as it frequently found flaws in the Emerson man-to-man defense. When Andover was unable to penetrate for the lay-up, it displayed excellent outside shooting. PA also dominated both the offensive and defensive boards, as the rebounding tandem of Mark Schaefer and captain Tim McChristian easily outplayed its opponents.

As the game progressed into the second half, Andover consistently added to its lead. In the third quarter Emerson was able to score only 12 points, while the Blue amassed 23 points, giving it a 66-40 lead. PA displayed a well balanced offensive attack throughout this period, as McChristian, Schaefer, and Ted O'Grady each accounted for six points. In perhaps its best quarter of the season, the Blue posted 33 points in the final period, while allowing Emerson only 17 points.

McChristian Leads Scorers

Leading both teams in scoring, with 33 points, McChristian played his best game of his PA career. He consistently hit from the corners, while also scoring from inside, as he tallied 14 fourth quarter points. Also playing exceptionally well were Mark Schaefer, as he converted on nine field goals and two foul shots for 20 points, and Paul Hines, who scored ten points while seeing limited action.

Saturday, January 20; New Hampton, N.H.—Avenge last year's loss in overtime, the Andover varsity basketball team crushed a dismal New Hampton squad by a score of 86-57. In much the same fashion as the Emerson College game, the Blue established an early lead, which it never yielded. This win evens PA's record at 3-3, as it has won its last two games after getting off to a slow start after vacation.

PA Takes Early Lead

Andover grabbed an early lead, as captain Tim McChristian's six first quarter points spearheaded the Blue into a 16-9 lead at the end of the opening period. The Blue then exploded for 30 second quarter points, while holding New Hampton to 19 points. In this period Ted O'Grady, who had been held scoreless in the first quarter, hit four field goals for eight points.

Willie Robinson also accounted for seven points in the second quarter, while Paul Hines scored six points, as he saw his most action of the season. As the first half ended PA had possession of an 18 point lead.

Holding Mike Sullivan, who had accounted for 13 of New Hampton's second quarter points, to only two points, the Blue remained hot in the third quarter, scoring 26 points and holding New Hampton to just 11. Once again, O'Grady and McChristian led the PA scorers, tallying eight and six points, respectively. The remainder of the third quarter points were dispersed evenly among five other players. As the period came to an end Andover boasted a 33 point lead, 72-39.

In an anti-climactic fourth quarter, PA managed to score only 14 points, as it allowed New Hampton to cut the lead down by four points. McChristian tallied six points in this final period, as he is beginning to fulfill his potential as a scorer. He along with O'Grady each scored 20 points to lead Andover scorers, while New Hampton's Sullivan led all scorers with 22 points.

Center Mark Schaefer has been a defensive standout for the Blue.

Andover Basketball Topples Exeter, Deerfield

To Extend Winning Streak To Four Games

Wednesday, January 24; Andover, Mass.—Winning its third game in a row, the Andover varsity basketball team upended its archrival Exeter, 104-94. Led by 15 points from guard Willie Robinson in the final quarter, the Blue was able to ward off an Exeter rally, which threatened PA's lead for the first time in the game.

Fourth Quarter Crucial

With less than five minutes remaining in the game, Andover found its lead, which was once as high as 19 points, decreased to merely two points. Exeter, who had rested many of its starters during the first half of the fourth quarter in preparation for the game's hectic final minutes, inserted a fresh line-up at this point. The Blue, however, took no notice of this maneuvering, as a jump shot from the corner by Rob Grady, a driving lay-up by Ted O'Grady, a tip-in by Tim McChristian, and a three point play by Robinson gave Andover an 11 point lead that was never in jeopardy. The Red was then forced to employ a full court press in the game's dying moments. This comeback attempt, however, fell short, leaving PA with a ten point margin of victory.

PA Takes Early Lead

The Blue quickly gained possession of the lead, as Grady's

ten first quarter points, combined with excellent rebounding and two clutch baskets by McChristian gave Andover an 11 point lead after the opening period. Throughout this quarter Grady displayed his new values as a forward, as he continually managed to penetrate Exeter's defense and convert on driving lay-ups, while also exhibiting an excellent rebounding ability.

Continuing its dominance into the second quarter, the Blue possessed a 19 point lead midway through the period as Grady once again accounted for ten points. Exeter rallied with twelve straight points, though, as Andover's shooters cooled off and lost dominance of the boards.

Finding itself leading by nine points as the second half began, PA continued its slump. The outside shooting of Robinson and the reappearance of McChristian in the rebounding battles helped the Blue to hold on to a five point lead by the end of the period, 72-67.

Saturday, January 27, Andover—The Andover varsity basketball team edged Deerfield in overtime by a score of 99-94 to up its record to 5-3.

With 6:51 left to play in the fourth quarter, Deerfield tied the

game up for the first time at 75 all. From this point on, the lead changed hands five times, largely due to fouls, until the regular game ended in a tie, 86-86.

Andover Captures Overtime

Despite the loss of their lead, the Blue took command of the overtime. After an exchange of missed shots, Ted O'Grady and Willie Robinson lead the charge, with nine overtime points between them, as the Blue surged to a 94-88 lead and then to the final score of 99-94.

Blue Takes Early Lead

The Blue took an early lead of 16-4 which became 28-17 after the first quarter and 55-36 at the half. The second half, however, was all downhill for the Blue. Having led by 19 points at the half, Deerfield knocked down Andover's lead to only five points by the finish of the third period and eventually knotting the score in the final quarter.

O'Grady Scores 37

The Andover scoring attack was lead by upper Ted O'Grady, who tallied 37 points for the second time this year, 13 of which came in the last nine minutes of play. Rob Grady scored 18 points and captain Tim McChristian racked up 16.

Basketball Topples MH, Tufts

Saturday, January 27, Andover—The Andover varsity basketball team, led by Ted O'Grady's 31 points, toppled MT. Hermon by a score of 89-79, upping their season's record to 5-3.

The Blue showed a style which has been constant throughout the season, playing well for the first two or three quarters and then falling off at the end of the game. At the start of the fourth quarter, Andover had a 16 point lead which was gradually whittled down to a mere six points. A final spurt in the last two minutes saved the day for the Blue, however, as PA held on for the win.

Blue Takes Early Lead

Andover took an early 16-4 lead which became 22-12 at the end of the first period. After Mt. Hermon closed the margin to seven points near the end of the first half, PA took complete control of the game, scoring 15 consecutive points. Ted O'Grady led the charge which gave the Blue a 51-29 lead midway through the third quarter. The margin expanded to 68-43 later in the period, Andover's largest of the day.

O'Grady Scores 31

Upper Ted O'Grady was once again the leading scorer for Andover with 31 total points, 13 of which came from the free throw line. Willie Robinson, with 18 points from the field, totaled 19 for the Blue while Captain Tim McChristian scored 16 points.

Wednesday February 7; Andover, Mass—Extending its winning streak to seven games, the Andover varsity basketball team edged a strong Tufts freshman team, 96-94. The Blue maintained a slim two point lead throughout the final period, as it managed to secure its eighth victory of the season.

Final Minute Decisive

With one minute remaining in the game, PA watched its five point lead dwindle down to one point, 90-89, as a ferocious full court press combined with a trap defense hampered the Blue throughout the contest. Following an Andover time-out, Mark Schaefer converted on a short jump shot. On the ensuing Tufts drive, the Blue managed to steal the ball and send Willie Robinson in for a sneekaway lay-up, giving PA a five point lead with 41 seconds remaining.

Blue Leads At Half

backcourt, it proved to be weak against PA's well disciplined set-up offense. Led by ten points by Robinson and seven by Tim McChristian, the Blue was able to amass 26 first quarter points. The PA defense, however, was unable to contain the Tufts offense, as the score was tied, 26-26, at the end of the opening period.

Tufts jumped off to a quick second

period lead, 33-29, as Andover's starters received a brief rest. The Blue then answered with five straight baskets, as Robinson's hand remained hot. Tufts, however, managed to come within three points of PA by halftime, as the scoreboard read 55-52.

Leading the Blue in scoring, Robinson totalled 31 points, while Ted O'Grady was second with 27 points.

Merrimack, Deerfield Top PA Basketball

MERRIMACK

Wednesday, February 14; Andover-Losing its first game of the past eight, the Andover varsity basketball team fell to the Merrimack College Freshmen by a score of 102-91. The loss sets the team's season record at 8-4.

Strong Fourth Quarter

With 13 points in the fourth quarter, Captain Tim McChristian lead a 31 point Blue effort in a final surge for victory, only to be overwhelmed by a stronger Merrimack team in the closing minutes.

The first quarter was the lowest scoring for both teams, ending in an 18-18 tie. Then with the start of the second quarter it became Merrimack's ball game, and capitalizing on every turnover the Blue gave them, they pulled out in front by five points, 44-39, at the half. After three quarters the lead had increased to 10 points and Merrimack was able to hold on for the victory.

McChristian Scores 27

Tim McChristian was PA's leading scorer with 27 total points, 13 of which came in the final fourth quarter surge. Upper Ted O'Grady scored 22 points to set his season's total at 280 points for 12 games, an average of over 23 points per game. Others doing well for the Blue were Mark Schaefer and Rob Grady with 14 and 13 points respectively.

As it has all season, PA opened the game well, staying in the game for the first two quarters before falling apart in the second half. Unfortunately, its customary fourth quarter spurt was not good enough against Merrimack's powerful offensive attack. In the second half, Merrimack virtually shut off the PA drives and fast breaks, usually dependable sources of points. Then to seal Andover's fate, Merrimack evaded the Blue defense by putting in numerous outside shots and lay-ups, expanding their lead too far for PA to recover.

DEERFIELD

Saturday, February 17; Deerfield, Mass.- Dropping its second game in a row, the Andover varsity basketball team succumbed to the Deerfield varsity, 89-75. While PA was able to establish a 35-34 halftime lead, the Green came back to completely dominate the game in the final half.

Third Quarter Crucial

Unable to maintain its slim lead, the Blue started the second half on a cool note, as it was unable to penetrate the strong Deerfield defense for driving lay-ups. PA's outside shooting was also weak throughout the game, as leading scorer Ted O'Grady hit on only six of 25 shots from the floor.

While Andover's offense was faltering, its defense was also having problems at the other end of the court. Deerfield exhibited excellent playmaking, as it often managed to break players loose underneath the basket for easy lay-ups. A strong Deerfield front line also succeeded in out-muscling PA's smaller rebounders at both ends of the court.

As the Blue opened the final period, it found itself being vastly outplayed and trailing by a 60-53 margin. While the PA offense did show improvement over the previous quarter, the defense continued to have its share of problems, as Deerfield had its strongest quarter, totalling 29 points before it was over.

In vain attempts to overcome the Green lead, Andover switched to a zone defense and later to a full court press. Both attempts, however, proved to be ineffective against the revised Deerfield offense, since Tim McChristian and Rob Grady, two of Andover's best defensive players, had already fouled out.

Blue Leads At Half

While both teams started off coldly, the Green was able to heat up in the final minutes of the opening quarter and take a 19-14 lead. The Blue then out-scored Deerfield in the second period 22-15, as its defense was temporarily able to contain the Green offense.

Fine Mark To 10-5

Ted O'Grady leads the varsity basketball team in scoring.

Saturday, February 24; Northfield, Mass.— Winning its second game in a row, the Andover varsity basketball team defeated the Mt. Hermon varsity by a score of 77-71. The victory sets the Blue's record at 10-6.

Fourth Quarter Crucial

Although PA started quickly to take a 40-26 halftime lead, the Blue could score only 14 points in the third quarter. The early part of the fourth quarter saw Andover's lead dwindle to four points and with little time left on the clock, the Blue began to slow the pace of the game. set shots and not relying on fast breaks, and as a result, they held on to win the game, 77-71. Captain Tim McChristian and upper Ted O'Grady lead the PA charge in the final period, scoring 13 of the teams total of 23 points.

Defense A Key

During the first half, Andover played consistently well, both on offense and defense. The offense scored 20 points in each of the first two periods, and the defense virtually shut off the Mt. Hermon attack, allowing a total of only

26 points for the half.

The third quarter was a different story. Center Mark Shaefer got into foul trouble, and soon fouled out of the game, leaving a hole in the Blue defense. Mt. Hermon capitalized on Schaefer's foul trouble and began putting points on the board until Bill Lewis came off the Andover bench to help contain the Mt. Hermon surge. The Mt. Hermon momentum continued for both the third and fourth quarters, however, where PA was outscored 21-14, and 24-23.

McChristian Leads Scoring

Captain Tim McChristian led the Andover offense with 20 points, putting in 16 points from the field. Ted O'Grady scored 19 for the Blue, also coming up 21th 8 field goals. Free throws were another important factor in the game, as PA converted 11 of 14 attempts for excellent .786 percentage.

Wednesday, February 21; Andover, Mass.— Snapping out of its two game slump, the

Andover varsity basketball team overcame the Worcester varsity by the narrow margin of 103-102. While the Blue was able to establish an 11 point lead at the end of the third quarter, the potent Worcester defense combined with poor ballhandling by PA enabled Worcester to pose a serious threat in the final minutes of play.

Worcester Employs Press

Attempting to overcome the Andover lead, Worcester switched from a man-to-man defense to a half-court zone press. This press proved to be very effective, as it continually forced the Blue guards to throw errant passes. Worcester also managed to cut off all of PA's penetration, allowing them only occasional baskets on outside shots, usually from forward Rick Phelps.

Playing his best game of the season, Phelps scored 12 of Andover's 21 points in the fourth quarter, as the majority of its shooters turned ice cold in the final minutes. While PA's offense was held under control, Worcester succeeded in exploiting its man-to-man defense, at the other end of the court. Discovering Andover's

weakest defensive link, Worcester continually worked its high scoring guard, Dave Ryan, one-on-one with Ted O'Grady to great success, as Ryan stimulated the comeback bid with 14 fourth quarter points. Worcester also took advantage of the fact that Tim McChristian, perhaps the Blue's best defensive performer, had fouled out at the six minute mark of the final quarter.

PA Takes Early Lead

Displaying phenomenal outside shooting, Andover quickly gained possession of a 30-23 lead at the end of the first quarter, as McChristian led the Blue with eight points. It was in the second quarter that the trio from Hingham, Rob Grady, and Rick Phelps, came alive, scoring ten and eight points respectively, to give PA a 56-48 half time lead.

Phelps Leads Scorers

Leading the Blue in scoring, Phelps tallied 26 points, while three players, O'Grady, McChristian, and Grady, each scored 16 points. Mark Schaefer proved to be the only player capable of rebounding against Worcester's two 6'6" 220 pound oxen.

Basketball Favored Over Exeter

Hoping to avenge its 104-94 loss of January 24, the Exeter varsity basketball team will host the Andover varsity on its home court, this Saturday night. While the Blue was able to open enormous saps of up to 17 points in the first encounter between the two teams, a much closer game is anticipated this time, as Exeter will now possess the home court advantage.

Kreps Graduates

Although Exeter lost its high scoring and strong rebounding forward Clifton Kreps due to his early graduation, it was able to acquire a near qual in Kent Womack. Womack, a PA Summer Session graduate, has proven to be a majof asset to the Red squad, as he has averaged over 20 per game since joining the team. Also a potent rebounder Womack was instrumental in Exeter's recent 83-58 victory over Deerfield, a team which has given Andover considerable trouble in its two previous games.

The Red, however, still lack the depth to be a consistent winner, as it presently has only three or four solid

performers. Captain Jim Curry is perhaps the best quard that Andover will be forced to contain, as he is a superb play-maker, as well as a fine shooter. PEA's other starting guard, Andy Sweet, has been inconsistent throughout the year, as he only tallied nine points in the first Andover- Exeter game. This places the task of outside shooting tatally on Curry, as the Red forwards prefer to drive.

At forward, Womack is virtually an unknown quantity, as he has only played since the beginning of February. Keith Lewis, Exeter's other starting forward, has also been inconsistent as a scorer, scoring 23 points in the victory over Deerfield, yet averaging only ten to fifteen points per game.

For Exeter to be successful against the mediocre Andover defense it will have to penetrate, most likely with Curry working one-on-one- with Ted O'Grady. If the Red fails to achieve adequate penetration from its guards, Exeter will be forced to work against either Tim McChristian or Rob Grady, probably the Blue's two best defensive players, or face the consequences of using its mediocre outside shooting against superior Andover rebounders.

Schaefer Proves Decisive Factor In Andover Victory

Saturday, March 3; Exeter, New Hampshire— Led by the brilliant all-around performance of center Mark Schaefer, the Andover varsity basketball team ended its season in winning fashion, as it overcame Exeter by a 77—72 margin. This victory gives the Blue a 12—5 record at the season's end, by far its finest effort in recent years.

Third Quarter Crucial

Trailing 43—36 at the start of the third quarter, the Blue began to surge, as it completely outplayed Exeter. On offense, both captain Tim McChristian and

Ted O Grady displayed excellent outside shooting, while Mark Schaefer, who emerged as the Blue's leading scorer in the contest with 20 points, combined with McChristian to give Andover complete dominance of both the offensive and the defensive boards. Meanwhile, the Red was showing why its season record was only 8—10, as it managed to hit on only five field goals in the third frame.

Defensive Battle

Thus PA entered the final period of play leading by four points, 59—55. The game then turned into a tightly fought defensive battle, as Exeter switched from its man—to—man defense to half—court zone press. While this new defense did stymie the

Blue, PEA was unable to infringe upon Andover's narrow lead. In the fourth quarter, as well as the third, the normally weak PA defense succeeded in stopping Exeter's erratic offense, as Red captain Jim Curry was the only player capable of breaking through the Blue defense.

PA Trails At Half

Led by forward Keith Lewis's eight points, Exeter was able to establish a slim 21—20 lead after the opening ten minutes of play. While McChristian, Schaefer, and Willie Robinson each hit on three field goals in the first

Mark Schaefer

quarter, the Blue defense had considerable trouble containing the Red offense, as it allowed Exeter nearly unlimited penetration.

PA then fell apart in the second period, as other than eight points by Schaefer, its offense was feeble. The Blue defense also had its share of problems, as Exeter's mid—year ringer, Kent Womack, broke loose for nine points, while Curry tallied seven points and Lewis six, to give PEA its seven point halftime lead.

Phillips hockey club opens fast, 9-6

Out with the old and in with the new — but at Phillips Academy this year they're having a hard time telling the difference.

Last year it was Kevin Burke (28 goals and 27 assists) who helped spark the PA icemen to a 16-3-1 record. This year it's more of the same, even though Burke has graduated ... because it seems that PA has three more Burkes to carry on and yesterday they more than did their part as the Blue opened its 1972-73 season with a 9-6 win at home against Browne & Nichols.

Gus Burke (no relation) picked up a goal and an assist while Chip Burke (Kevin's younger brother) had one goal and two assists. Brian Burke (Kevin's younger brother, still) didn't score a point but centered the third line.

Craig Brickley, the right wing on a now-departed Phillips line which totalled 308 points the past two years, led all scorers with three goals and an assist.

To replace Brickley's center and left wing of last year, Phillips has Randy Koch at center and Bob Wheeler on the left. Koch, a third-year transfer from Lawrenceville, followed Brickley with two goals and an assist while Wheeler picked up a pair of assists to get that line off to a heartening nine-point start.

Gordie McRae and Jim Hackett rounded out the PA goal-scoring with one apiece.

Even if the Burke situation is as easy as 1-2-3 around the Blue's Sumner Smith Rink, the goalie situation is not ... even though the 1-2-3 parlay was in evidence.

With graduation taking both varsity goalies from the '71-72 team, Phillips has less than experienced help in the nets. Pete Anderson, an upper who played JV last year, was in the crease for the first period. He was followed by Frank Skokan, a freshman goalie last year, and Dave Bauman. Bauman, an upper, played no goal at all until last year in PA's club hockey program.

Each played one period and each let in a pair of goals as Browne & Nichols managed 25 shots on net.

PA, however, appears to have the experience out front to be able to help out their netminders as 12 of

Ted Harrison's first 14 skaters are seniors. Koch and Brian Burke are the only underclassmen on the squad.

Next on the Phillips schedule will be a Saturday game, 2:00, at Nobles & Greenough.

Second successive win

P.A. grabs 4-3 hockey thriller

Bob Wheeler took an unaccustomed turn in the scoring spotlight Saturday, notching a pair of goals, including the game winner, as Phillips Academy came from a 2-0 first-period deficit to edge Nobles & Greenough, 4-3.

After Nobles had jumped out fast, Wheeler's more heralded linemates combined to cut the lead to 2-1 with Craig Brickely feeding Randy Kock at 11:34 of the first period.

Wheeler evened the score after a scoreless second period, converting on the power play at 1:51 of the third frame. Wheeler tipped in a shot from the point by defenseman Al Cregg, with the other assist going to Brickley.

A minute later PA had a 3-2 lead when Gus Burke

finished off a pass-out from behind the net, assists going to Chip Burke and Jim Hackett. Nobles came back to tie at 3-3 at the 4:20 mark, setting the stage for Wheeler at 9:43.

Kock and Brickley both drew assists on the play, an extended scramble in front of the net, with Wheeler finishing it off and wrapping it up.

Dave Baumann and Frank Skokan split the Phillips netminding duties with Bauman facing 11 shots in the first period. Skokan got the easy shift in goal, as PA outshot Nobles, 22-10, over the final two periods.

Phillips, now 2-0, will be off until Friday when they meet Belmont Hill in the first round of annual Lawrenceville Tournament at Lawrenceville's Pendleton Rink.

Andover Hockey Captures Lawrenceville Tournament

Saturday, December 16; Lawrenceville, New Jersey—Bob Wheeler's goal at 5:20 of the final period proved to be the winner as the varsity hockey team edged Choate, 3-2, in the finals of the annual Lawrenceville Tourney. This victory marked the second consecutive year that the eight-team elimination tournament has been won by Andover. PA advanced to the finals by defeating Belmont Hill and Kimball Union in the first two rounds.

Brian Burke Leads Blue

The Blue started quickly against Choate, taking an early 1-0 lead after just eight minutes of play. Brian Burke, who, along with Gordie McRae, had been moved up to the second line, scored the opening goal for PA, his fourth goal and eighth total point of the tourney.

Randy Koch's seventh goal of the season increased PA's lead to 2-0 with three minutes gone in the penalty-filled second period. The referees whistled fourteen penalties overall, eight of them against Choate, as each squad attempted to outmuscle the other.

Choate Rallies

Choate, meanwhile, could do little against PA goalie Peter Anderson

throughout the opening periods, as he turned aside all sixteen Choate shots. In the third period, however, he was not as fortunate, as Choate broke through for two goals. The first, a power-play effort, narrowed the score to 2-1, while the second merely made the final score that much closer. Wheeler sandwiched his game-winner in between the Choate tallies, for his fifth goal of the season.

Blue Routs Belmont Hill, KUA

In the opening round, Andover completely annihilated Belmont Hill 9-1. The Blue scored early and often, taking almost twice as many shots on goal as its outclassed opponents. Wheeler, McRae, and Gus Burke led the scoring parade for PA, as they each scored once in addition to compiling three assists. Brian Burke and Craig Brickley chipped in with two goals apiece.

Facing Kimball Union Academy in the semi-finals, the Blue skated off to a 5-2 lead after four minutes of the second period, and eventually settled for a 7-4 triumph. Randy Koch led this early surge, as he scored two of the first three PA goals. The eventual game-winner was scored by Brian Burke at 3:55 of the second period, as he converted passes from Gus Burke and Gordie McRae into his third goal of the season.

PA tourney champ 3-2

Phillips Academy's hockey team continued unbeaten as it swept to the Lawrenceville, N.H. Tournament championship over the weekend, beating Choate 3-2 in the finale.

The Blue, in the role of defending champion, knocked off Belmont Hill 9-1 and then Kimball Union 7-4 to reach the title round.

Choate, meanwhile, got by Nichols 4-1 and Taft 6-1.

In the title final Saturday, Brian Burke got Phillips off to a 1-0 lead when he slammed home his own rebound at

7:29 of the first period. Gus Burke and Gordie MacCrae assisted.

Andover scored at 3:02 of the second period as Randy Koch registered with assists to Craig Brickley and Jake Basso.

Choate came back at 3:28 of the final stanza as Maurice Corkery scored. But Andover opened up its advantage to 3-1 at 5:20 with Bob Wheeler directing in a Koch shot. Brickley also drew an assist.

Choate made it 3-2 at 7:56 with Mike Flanagan's goal, but P.A. goalie Pete Anderson came up with some great saves to preserve the victory.

In the win over Belmont Hill, Brickley and Brian Burke, had two goals apiece, while Wheeler, MacCrae, Gus Burke, Koch and Pete Morin had single scores.

The second game, against Kimball Union, saw KU's Bob Blood record the three-goal hat-trick, but again Phillips had too much fire power.

Koch led the way with a pair of goals, while Brickley, Wheeler, Gus Burke, Brian Burke and McCrae scored one apiece.

Phillips icemen 5-4 OT victor

Phillips Academy had a big hill to climb, but once they got to the top it only took Bob Wheeler 41 seconds to give the PA icemen a 5-4 overtime decision from the Bowdoin Freshmen Saturday afternoon at Bowdoin.

Bowdoin took a 4-2 lead into the final five minutes of regulation play before Al Cregg caught the upper right hand corner with a blast from the point. Cregg's goal was disallowed, though, because the whistle had blown, stopping play a split-second before for an injured Bowdoin skater.

Cregg made the second time count just 25 seconds later, picking the same spot on almost exactly the same play as the Phillips power play made it 4-3 with 3:10 left in the game.

Gus Burke, who picked up an assist on Cregg's score, got the equalizer with 44 seconds to play when he broke over the Bowdoin blue line and let go a screamer to the short side.

Craig Brickley set up the game-winner in overtime, carrying deep into the right corner and hitting Wheeler in front of the cage. Wheeler stuffed it through the goalie's pads as he slid across to cover up.

Gus Burke and Wheeler both wound up with two goals, while Burke added an assist for three total points. Al Senior, Brian Burke and Craig Brickley each chipped in with two assists.

Goalie Pete Anderson made 26 saves for Phillips as PA outshot Bowdoin, 45-30.

Belmont Hill will be next for Phillips, traveling to Andover for a 4:00 p.m. game Wednesday. The two teams met in the Lawrenceville Tournament last December with Phillips taking a 9-1 decision en route to the tourney championship.

Offense Leads Andover Hockey Over Belmont Hill

Wednesday, January 10; Andover—Unleashing a fierce, unrelenting offensive attack, the varsity hockey team won its seventh game in a row with a 14—1 pasting of a thoroughly humiliated Belmont Hill squad, a team which PA had earlier defeated in the Lawrenceville Tournament. Ten different players scored for the Blue in what was easily PA's best team effort of the season.

First Ten Minutes Tell Story

The game was decided within the opening ten minutes, as PA exploded for five goals during that span. Defenseman Jake Basso opened the scoring with his first goal of the year, while Randy Koch concluded this opening blitz by tallying his eighth goal on assists from Basso and Bob Wheeler. In between were John Humphrys' first two scores of the season and a final goal by Al Cregg, one of six points that Cregg compiled during the game.

The second period witnessed more of the same, with Andover padding its lead with six additional goals. During this period, the Blue fired eighteen shots on the bewildered Belmont goalie while Frank Skokan was called upon just eight times. Basso and Cregg each tallied their second goals in this period, while Craig Brickley, Gordie McRae, Ray Stecker, and Peter Morin also scored for the Blue.

PA Holds Score Down

At the beginning of the third period the only question left was how high PA would run up the score. Coach Harrison began to liberally interchange forwards and defensemen in an attempt to keep the final score respectable, allowing the defensemen to play up front and the forwards back on the blue line. This play proved mildly successful as PA, with the players leisurely skating around the ice, managed just three goals and limited what could have been a 25-1 final score to 14-1.

P.A. sextet stays unbeaten 7-5

Unbeaten Phillips Academy broke a 5-5 tie with a brace of third-period goals to defeat the Merrimack College 'B' sextet 7-5 Saturday.

It was the eighth victory for the Blue and Alan Cregg got the clincher on a power play at 12:50 of the final period.

Craig Brickley hit an empty net at 19:50 for the final goal.

Phillips opened with a 1-0 lead at 6:18 of the first period when Gordon MacRae drilled one home, but Merrimack tied it at 12:30 as Doug Sneider was set up by Monahan.

Merrimack went ahead at 1:44 of the second stanza with Hawkes scoring on the power play, assists to Garvey and Sneider.

Back came P.A. with Brickley being set up by Randy Koch at about the five-minute

mark and then at 6:40 it was Brian Burke with Gus Burke behind as MacRae scored unassisted at 12:59. But P.A. assisted at 12:59. But P.A. tumbled into a 4-4 standoff as Tom Dunn tallied at 16:16 and George Corbelle followed at 16:48.

Came the third period and it was Pete Morin on the power play with Brickley and Cregg assisting at the 28 second mark. Pesky Merrimack pulled even eight minutes later on Fortin's score.

But then came Cregg with Koch and Wheeler setting him up for the clincher.

Unbeaten P.A. hockey team 7-4 winner

Craig Brickley got the hat trick and then got the hook, but even Brickley's absence couldn't help Milton Academy as Phillips Academy outskated the visitors from the dressing room on out en route to a 7-4 win at PA's Sumner Smith Rink yesterday. PA is 9-0-0.

By the time the game was 1:10 old Phillips had a 2-0 lead and Milton didn't even have a shot on net. Brickley got the first one at 0:41, finishing an across-the-net pass from Randy Koch with the Milton goalie down and out. At 1:10 Koch and Brickley worked the same thing in reverse and it looked like the only time Milton would ever break out of their own end was for the face-offs after PA goals.

Milton surprised, though, and tied it up before the end of the first frame within a 46-second span, the tying goal coming on the power play.

Brickley, who was banished in the third period for fighting, sewed things up before he left with the first two goals of the second period as PA skated out to a 5-2 lead.

The scrappy winger from Everett made it 3-2 at 0:49 on a power play goal out of a scramble. The hat trick and a 4-2 lead came at 4:43 when Brickley knocked down a stray Pete Morin shot from the point, spun around and caught the high left corner.

Bob Wheeler got the game-winner at 12:38 of the second, with the assists to Brickley and Koch. Wheeler picked up a Koch rebound on the right corner, swung behind the net and dumped it in the open left corner before the Milton goalie could cover up.

Phillips was hit with four minors, one fighting penalty, one misconduct and one game misconduct in the third period, but after goalie Pete Anderson came into the game with 7:30 to play, Milton was off the board for good. Milton enjoyed a 16-7 edge in the shots on net department for the final frame.

Phillips, now 9-0-0, will host Deerfield Saturday night in a 7:00 p.m. game.

Blue Hockey Tops Deerfield, Milton By Identical Scores

Wednesday, January 17; Andover—Craig Brickley's hat trick led the varsity hockey team to its ninth consecutive victory of the season, a 7-4 triumph over a strong Milton Academy squad. Brickley's three-goal performance gave the first line a total of six goals for the game, as linemates Randy Koch and Bob Wheeler chipped in with two and one goals, respectively.

Blue Takes Early Lead

PA jumped off to an early advantage, taking a 2-0 lead after just one minute and ten seconds of the opening period. Tallies by Brickley and Koch accounted for this advantage, as the Blue appeared set to skate Milton off the ice. This did not prove to be the case, however, as Milton quickly regrouped itself and rallied to deadlock the score at two goals apiece midway through the first period.

Brickley then took matters into his own hands and regained the lead for Andover with a pair of goals early in the middle period. Wheeler's eighth tally of the season increased the Blue lead at 12:38 of the second period, and when Brian Burke converted passes from Gus Burke and Gordie MacRae into his sixth score of the year moments after the start of the third period, PA seemed well on its way to victory.

Brickley Gets Game Misconduct

Once again, however, Milton rebounded to score two third-period goals, narrowing the Blue margin to 6-4. This period also witnessed a scuffle in front of the penalty box which resulted in a game misconduct for Brickley. The latter had already done enough damage, though, as his three goals provided the eventual margin of victory. Koch rounded out the PA scoring with his tenth goal midway through the final period, while Blue goalie Peter Anderson held off Milton the rest of the way, stopping five shots after replacing Frank Skokan in the PA nets midway through the period.

Phillips ices Deerfield 7-4

The first line is scoring like Joe Namath on a good night . . . The rest of the Phillips Academy hockey team, though, has gone colder than the ice they're skating on, at least as far as hitting the scoreboard goes.

Saturday night Deerfield visited the Sumner Smith Rink and put up a battle before folding for a 7-4 PA win. The PA first line of Craig Brickley, Randy Koch and Bob Wheeler scored six goals.

After a screen shot gave Deerfield a momentary 1-0 lead, Wheeler turned things right around in a 23-second span. At 7:02 of the first he tipped in shot from the point and, at 7:25, Wheeler jammed in a feed from Koch from behind the net and PA never trailed again.

Brian Burke's rebound finish on the power play, the only non-first line score of the night, made it 3-1 after one.

Each team netted three goals in a wild second period that saw Wheeler get the hat trick with Brickley and Koch each hitting once. Koch got his second at the 13:00 mark of the third to wrap up the scoring.

Phillips (primarily Wheeler, Koch and Brickley) out-shot Deerfield by a resounding 48-21 en route to win number 10 against zero losses and a like number of ties.

From here on in, though, the schedule starts toughening up for PA. The next 11 games read: BC Frosh, Yale Frosh, Lowell Tech Frosh, Harvard Frosh, Harvard JV's, Exeter, St. Paul's, Dartmouth Frosh, Arlington High, BU Frosh and Exeter again.

With 10 games down and those 11 to go, Brickley hods the team scoring lead with 14-17-31. Next is Koch at 12-14-26, followed by Wheeler with 11-14-25. Wednesday's game with BC will be a 5:30 contest, at BC.

Blue Hockey Wins Twice To Extend Record To 10-0

[Continued from Page Five]

two of the goals, while Brian Burke, on an assist from Al Cregg, added the other.

Having established its dominance, the Blue continued to outplay Deerfield into the second period, with its territorial advantage evidenced by the fact that PA outshot the Green 48-21 for the game. Deerfield, however, managed to somehow remain within reach, as the teams traded three second-period goals. Wheeler completed his hat trick during this exchange, while Brickley and Koch also registered for the Blue. Andover might have had at least three other goals during this middle period had it not been for the heroics of Deerfield goalie Grady Lake, whose great saves constantly thwarted and frustrated the PA forwards.

Koch Provides Clincher

The third period was a defensive one, in which goalies Peter Anderson and Lake proved dominant. Both teams played excellently, and the game itself, despite the two-goal difference, was still a close one, which represented a change of pace to those in the crowd who had become accustomed to runaways. The clincher came with two minutes left, when Koch picked up a loose puck off the stick of Brickley, broke between the defensemen, and beat Lake with his twelfth goal of the year, a backhand on the near side. Deerfield, however, had made a game of it, successfully escaping embarrassment, and considering that the Green had barely beaten Belmont Hill in overtime, a team which the Blue had manhandled, 14-1, this must be considered something of an accomplishment.

Saturday, January 20; Andover—Facing an inspired squad from Deerfield Academy, the varsity hockey team took its tenth successive victory of the year with a 7-4 triumph. In victory, Andover was once again led by its first line of Craig Brickley, Randy Koch, and Bob Wheeler, whose 13-point outburst gave them a total of 26 points for the two games this week and the staggering figure of 82 points just midway through the season.

Deerfield Errs, Scores First

Deerfield, which had entered the game a decided underdog, had been intent on playing a close-checking, defensive game, but the Green made the unfortunate mistake of scoring first, taking a 1-0 lead after six minutes of the opening period. This score awoke the Blue from its early-game lethargy, prompting PA to score three goals and thus to gain the lead. Wheeler scored

Phyllips upset by BC frosh

Randy Koch kept Phillips Academy in the ballgame with a third-period hat trick but it was Koch who went off for hooking at 0:10 of the overtime period and the Boston College Freshmen capitalized on the power play to hand PA a 5-4 loss, Phillips' first against 10 wins.

After a scoreless first period Jim Hackett got Phillips on the board with a quick backhand to the stick side at 7:10 of the second. John McDonald and John Humphreys assisted.

BC came back to take a 2-1 lead, beating goalie Pete Anderson at 7:30 and 17:43, to go into the final frame one up.

At this point, though, Koch went to work. At 0:31 of the third he tied the game, unassisted, from a face-off. Koch won the draw and simply powered a bad angle wrist shot to the far side.

Thirty-three seconds later Koch stole at the BC blue line, faked the goalie three ways at once and finally slid the puck in the corner to put PA up, 4-3.

BC, however, scored two more within a three-minute span and it was left to Koch to get the job done. He did, taking a Pete Morin pass at the BC blue line, swinging around the defense and scoring with a high backhand shot on the way past the net.

Phillips, which had outshot BC, 33-27, in regulation play, couldn't manage a shot on net in the overtime while playing shorthanded and BC's Mark Albrecht got his second goal of the game and the game-winner at 1:18 on a rebound.

Despite handing PA their first loss, BC also handed them a bit of consoling news since the Eaglets had previously drubbed Exeter Academy by a 9-1 margin.

Phillips will be on home ice for its next three games, all with 2:00 p.m. starting times. Saturday it will be the Yale Freshmen, Wednesday the Lowell Tech Freshmen, followed on Saturday, February 3 with the Harvard Freshmen.

Wednesday, January 24; Newton, Mass.—Despite a brilliant three-goal performance by Randy Koch, the varsity hockey team's ten-game winning streak came to an abrupt end as PA fell in overtime, 5-4, to the Boston College freshmen. Koch's hat trick, which gave Andover's first-line center the team lead with fifteen goals, occurred in the third period, as he single-handedly kept the Blue in the game.

Hackett Opens Scoring

Andover opened the scoring midway through the second period, as Jim Hackett's second goal of the season produced a 1-0 advantage. After taking passes from captain John McDonald and John Humphreys, Hackett's quick shot beat a startled frosh goalie.

The frosh, however, quickly tied the score just twenty seconds later, and took a 2-1 lead with three minutes remaining in the second period.

Koch Takes Over

Koch then took matters into his own hands, as he outscored Boston College, 3-2, in the final period, as regulation time elapsed with the score deadlocked at four goals apiece. Two of Koch's goals, both of which occurred in the first minute and four seconds of this period, were unassisted efforts.

The frosh rebounded quickly, forging a 4-3 lead, but once again BC had to contend with Koch, whose third goal with six minutes remaining in the game tied the score for the fourth time. Koch converted a pass from defenseman Peter Morin into his third goal of the game, but even his heroics were unable to stave off a defeat, as the frosh beat goalie Peter Anderson with the winning goal just one minute and eighteen seconds into the overtime period.

Hockey Tops Yale,

Saturday, January 27; Andover— Craig Brickley scored two of his four goals during PA's five-goal explosion in the second period to lead the varsity hockey team to a 12-7 rout of the Yale freshmen, as PA avenged last year's loss to the frosh. Breaking its one-game losing streak, PA took an 8-3 lead at the end of the second period before coasting to its eleventh victory of the season.

Brickley Registers Eight Points

Brickley, who registered eight total points during the game, swapped two goals with the frosh early in the game to create a 2-2 tie. This tie, however, was shortlived, as Bob Wheeler scored late in the first period to give PA a lead which it would maintain

throughout the remainder of the game.

Andover turned the contest into a rout in the middle session. Brickley ignited the five goal explosion with his third and fourth goals of the game early in the period, one which also witnessed PA scores by Brian Burke, Wheeler, and lower Dan Dilorati, whose first tally of the season increased the Blue advantage to a commanding 8-3. Brickley's four-goal performance gave him the team lead with eighteen goals.

Eight-Goal Third Period

The third period brought about an offensive barrage, as the two teams traded four goals apiece. Randy Koch broke into the scoring column during

this period, as his two goals, along with a tally by Chip Burke, increased the final Blue margin to five goals after the frosh had narrowed the lead to 9-7.

Phillips ices Yale Fr. 12-7

• A lot of guys don't score that much when they're playing basketball, but then again a lot of guys don't score like Phillip's Craig Brickley.

Saturday Brickley ate up the Yale Freshmen like Henry VIII ate up roast beef...frequently and in large quantities...scoring four goals and adding four assists as PA outslugged Yale, 12-7, at PA's Sumner Smith Rink.

With 12 of his team's 22 games down and 10 still to play, Brickley has 18 goals and 21 assists for 39 points. That puts the ace right winger at an incredible pace which would see him wind up the year with totals of 33-39-72...and in just 22 games.

Yale took the early lead Saturday, scoring at 0:52 of the first period but Brickley was there to tie it up three minutes later with the assists to linemates Randy Koch and Bob Wheeler.

Koch, incidentally, wound up the day with two goals and three assists for five points while Wheeler was 2-2-4.

Yale went ahead for the last time at 13:36 but Brickley and Wheeler scored at 17:46 and 19:56 to make it 3-2 after one.

PA outscored the Eli Frosh, 5-1, in the second period (Brickley had two) and the 8-3 lead withstood a high-scoring final frame that saw each team score four more.

Brian Burke also had two goals for Phillips, leaving Dan DiLorati and Chip Burke as the only others to break the first line's monopoly on goal-scoring. DiLorati, a South Boston product, closed out the second period with his goal

while Chip Burke tallied the last one of the game.

Phillips outshot Yale, 46-32. Pete Anderson was in the Phillips goal and made 25 saves.

After 12 games, Phillips is now 11-1 with just a 5-4 overtime loss to the BC Freshmen keeping them away from an unblemished mark. Phillips has outscored the opposition so far, 88-46.

Brickley's 39 points leads all PA scorers, followed by Koch at 17-17-34 and Wheeler with 13-16-29, giving the first line 48 goals and 54 assists for 102 points in those 12 games.

Phillips will host the Lowell Tech Freshmen Wednesday at 2:00, followed by the Harvard Freshmen (also at PA) Saturday at 2:00.

Phillips routs Tech

After one 20-minute period of stop-time hockey, Phillips Academy had a 7-0 lead. After two periods of the same the lead was 11-2. Then it was agreed that this had to stop and so period number three was shortened to 15 minutes of running time.

PA added two more in the third, though, for the final 13-2 margin over the Lowell Tech JV's yesterday afternoon at PA's Sumner Smith Rink.

Bob Wheeler started PA's first period rush, scoring what the purists would term an "authentic" hat trick. Wheeler netted PA's 3rd, 4th and 5th goals, all in the first period.

Gus Burke got Phillips off on the right foot with an unassisted tally at 0:58 of the first period. Dan DiLorati made it 2-0 at 9:05 and then Wheeler got wheeling to blow things open.

Randy Koch and John McDonald finished out the scoring in the first frame.

Wheeler didn't waste much time picking up his fourth goal of the rout, hitting at 0:33 of the second period with the assists to his linemates, Koch and Craig Brickley.

The rest of the second period was spent with the two teams trading goals as Dave Victor and Brian Burke lit the lamp for PA while Ron Spencer and Larry Hurley countered for Lowell Tech.

Neither team got many opportunities in a third period but Craig Brickley made the most of what time he had, getting both goals scored in the finale. He also picked up a pair of assists for his days work. Koch had two goals, four assists for a team-leading six points, followed by Wheeler with 4-1-5, so it was a good day for the first line . . . again.

Phillips, now 12-1, will host the Harvard Freshmen Saturday afternoon at 2:00.

Saturday, February 3; Andover—Despite the four-goal performance of Randy Koch, the varsity hockey suffered its second defeat of the season as it fell, 8-7, to the Harvard freshmen. The Blue, coming off a 13-2 rout of Lowell Tech, was unable to maintain an early 3-0 advantage, as the frosh erupted for four goals in the middle period to drop PA's record to 12-2.

Koch Leads Blue

Two goals by Koch and Craig Brickley's 21st score of the season gave PA its early lead. The frosh, however, quickly rebounded, narrowing the margin to 3-2 late in the opening period, before the second-period explosion.

Amazingly, Harvard managed just seven shots on Blue goalie Peter Anderson during this period, but managed to connect on four of them. This outburst gave the Crimson a 6-5 lead after two periods, as Koch had sandwiched it with his third and fourth goals of the game, and 22nd and 23rd tallies of the season.

Teams Exchange Third-Period Goals

The teams traded third-period goals, bringing about the final score of 8-7. After Harvard had added to its lead, Gus Burke scored an unassisted goal for the Blue, once again narrowing the score and providing hope that Andover might yet revenge one of its three defeats of last season. This was not to be, though, as the frosh struck for its eighth goal with five minutes remaining in the game to insure the victory. Defenseman Al Cregg's fifth tally of the season three minutes later made the final score one goal closer as PA, despite constant pressure on the Harvard nets late in the contest, was unable to break through for the tying goal.

Old hands deal P.A. ice loss

Phillips Academy's Sumner Smith Rink was host to a pair of hockey oddities Saturday afternoon. Number one was the fact that PA potted three consecutive shorthanded goals to open the first period. Number two was the fact that they lost.

After Randy Koch, Craig Brickley and Koch again had given Phillips a 3-0 lead, the Harvard Freshman, led by a couple of ex-Phillips skaters, came storming back and eventually caught the home forces for an 8-7 win.

All three shorthanded goals were clean breakaways and two of them were on the same penalty, a high-sticking call against defenseman Al Cregg.

After Brickley and Koch had made it 3-0, though, Harvard's Kevin Burke and Dan Bolduc (PA '72) converted on the power play with Cregg in the box for a 3-1 score with Burke doing the scoring.

It was 3-2 after one before Koch got the hat trick 28 seconds into the second period to make it 4-2. Harvard, however, picked up four straight including another Burke from Bolduc goal to take a 6-4 lead. Koch got number four at 15:34 of the second to make it 6-5 going into the third stanza.

Harvard hung onto its one-goal lead in the third as the two teams traded goals with Gus Burke and Al Cregg scoring for Phillips.

John Boynton, PA '72, was in the Harvard goal for the game's last four minutes and allowed Cregg's score but nothing more despite continuous PA pressure over the final 2:30 of the game.

PA will be off next Saturday before hosting Exeter a week from Wednesday in a 3:30 tilt, the first of two between the two teams this season.

Phillips icemen in 5-3 defeat

The Harvard JV's successfully killed off eight minor penalties, including a double minor overlap of 1:03 late in the third period yesterday afternoon, to hand Phillips Academy loss number three, 5-3, at Harvard's Watson Rink.

Phillips is now 12-3, with all three losses coming on the college level.

Brian Burke got PA off to an early 1-0 lead after Gordie MacRae and Ray Stecker set him up at the Harvard blue line. Burke moved around the defense, shot, picked up his own rebound and put it in at the 3:40 mark.

Harvard made it 2-1 with two quick goals midway through the first before PA's Craig Brickley tied it, unassisted, at 18:54.

Brickley stole directly in front of the Harvard net, put a couple of moves on the Harvard goalie and flipped it in the open glove side to close out the first period scoring.

Al Giandomenico made it 4-2, Harvard, after two but PA's Bob Wheeler closed the gap to 4-3 at 2:05 of the third frame, assisted by Gus Bruke and Pete Morin. Burke picked up the rebound from Morin's blue line shot and fed Wheeler on the far side of the net.

Harvard closed out the scoring at 6:55 but from 12:16 to 13:19 had to sweat out a two-man PA advantage.

Actually it was PA who sweated out the two-man advantage as Harvard didn't allow a single shot on net in that span.

Pete Anderson was in the nets for Phillips and made 31 saves as Harvard outshot PA, 36-23 for the game.

Phillips will be off Saturday before hosting Exeter Academy next Wednesday in a scheduled 3:00 p.m. game.

Exeter 3-1 ice victor

Ex-Melrose High and Middlesex League All-Star goalie Kevin Crovo showed Phillips Academy why yesterday afternoon, stopping 29 of 30 PA shots on net to backbone Exeter Academy to a 3-1 win at PA's Sumner Smith Rink.

Exeter opened the scoring at 2:54 of the first period when Mark Trivett got the first of his two goals on the day. PA's Gus Burke was off for interference at the time.

Three minutes later Trivett made it 2-0, flipping a rebound past a down-and-out Pete Anderson in the Phillips' nets. The assist went to Mike Walsh, his second of the game.

Randy Koch pulled PA to within one goal at 13:24 of the first period on a slick play from linemates Bob Wheeler and Craig Brickley. Wheeler and Brickley played catch behind

the Exeter net before Brickley found Koch stationed in the slot for a quick 15-footer.

That was it for PA, despite a 30-19 edge in the shots on goal department. The second period was scoreless and Crovo performed calm, deliberate and grand larceny on Brickley midway through the third period to preserve the 2-1 lead.

Terry Fairholm, with the sides even at four apiece, delivered Exeter goal number three at 12:10 of the third frame for the clincher.

The loss was PA's third straight, losses to both the Harvard Freshmen and JV's. PA is now 12-4 overall while Exeter is 11-3.

PA will play a pair of weekend games, hosting St. Paul's Saturday at 2:00 and the Brown Freshmen Sunday, also at 2:00.

PA Hockey Falls To Exeter

Wednesday, February 13; Andover-

In an uninspired performance, the varsity hockey team fell to a good but by no means superior Exeter squad, 3-1. Although Andover outshot the Red, 30-20, several missed passes and scoring opportunities were the ingredients responsible for handing the Blue its third consecutive loss.

Exeter Starts Fast

Exeter started out fast, beating PA defenders to the puck on numerous occasions early in the first period, and quickly taking a 2-0 lead. This lead, which Exeter would hold throughout the game, came as a result of two goals by Exeter's first-line left wing, Mark Trivett. The first was a tip-in on a shot from the slot, while the second was a great individual effort on Trivett's part, in which the latter broke between the PA defensemen and slid the puck beneath a startled Peter Anderson, giving Exeter its early advantage.

With a 2-0 lead, the Red switched to a more defensive style of hockey in hopes of protecting the lead. This ploy backfired only once during the entire contest, when PA's Randy Koch scored Andover's first and final goal with one and a half minutes remaining in the opening period. Exeter's collapsing defense had allowed Koch's linemates Craig Brickley and Bob Wheeler to play with the puck in back of the Exeter net just long enough to allow Koch to break free in the slot, from which point he took Brickley's perfectly-placed pass and rammed home the Blue's only goal of the day.

Ever So Close

Andover increased its offensive pressure throughout the second and third periods, but was constantly thwarted by the play of the Red defenders. Exeter also played with a measure of luck on its side, as, with minutes remaining in the game, Brickley misfired on a breakaway, a rare feat in itself. The contest was finally decided with less than three minutes showing on the clock, when an Exeter backhander found its way between Anderson and the near post to insure a Red triumph.

Bob Wheeler scored three goals to lead the hockey team over St. Paul's.

'Trick' for Wheeler Phillips' sextet splits

What's the nicest thing you can give a hockey player for his birthday?

The hat-trick, that's what!

So, Bob Wheeler helped himself and marked his 18th birthday Saturday with a three-goal spree to help Phillips Academy to a 6-1 rout of St. Paul's in action at Andover.

Wheeler broke open a tight game with two goals in the second period and another in the final stanza.

It was 1-1 after one thanks to a St. Paul goal by Jake Basso and a tying score by Dan Marchand, assist to Mike Sistere.

Then Wheeler put Phillips ahead when Alan Cregg and Craig Brickley set him up at 6:28. Wheeler came back four minutes later in that middle period and took a shot off the stick of Brickley and rammed it home. After Ray Stecker scored nicely with John Humphreys and Dan Dillarti to make it 4-1, back came Wheeler.

This time it was Randy Koch and Brickley assisting. That got the score to 5-1 and Gus Burke unassisted at 10:23 rounded out the scoring.

Pete Anderson was superb in net with 20 saves and was only being beaten by an impossible shot from close in by Basso.

Now for the bad news.

Phillips had to settle for a split because of a 7-6 over-

time loss to Brown yesterday. The weekend action sets P.A.'s record at 13-5.

In the overtime, Bob Mars slammed home a rebound at 2:15 to win it. He was set up by Jerry Stromberg and Steve Menich.

That trio accounted for 14 of Browns points.

Phillips got three goals in the first period when Brickley scored at 57-second mark (assist to Koch), Brian Burke hit five seconds later (Gus Burke assist) and Gus Burke connected at 7:36 with Gordy MacRae setting the table.

But Verzozi and Stromberg closed it to 3-2.

Still, Phillips spurred to a 5-2 lead in the second period as Brickley, with Koch again assisting, got one and Gus Burke (Alan Senior and McRae) got the other.

On came Brown, however, with Mars and then Stromberg bringing it to 5-4.

In the third period it was Menich at 3:47 to tie it but Pete Morin (Brickley and Wheeler) gained the upper hand at 6:13.

Brown forced the overtime with Stromberg scoring 30 seconds later to complete the hat trick.

Anderson came up with 40 saves and Pete Walsworth of Brown had 34.

Phillips plays at Dartmouth Wednesday at 3 p.m.

NOT THIS TIME — Phillips Academy's Bob Wheeler misses net against St. Paul's Saturday but it was the exception for him.

Wheeler went on to score the three-goal hat trick to lead the Blue to a 6-1 victory.

Pick a number, any number. Just make sure it's 15 and make sure you give it to the Dartmouth Freshmen. Pick another number, say about 5, and give it to Phillips Academy. Put the two together and you've got the score of yesterday afternoon's Dartmouth-PA hockey game.

Tom Fleming (PA '72) and Ken Pettit each had three goals and an assist to pace the Dartmouth rout while Dan Leiga added one goal and six assists.

Dartmouth, now 13-1 on the year, took a 6-1 lead after one, made it 11-5 after two and scored four unanswered goals in the final frame.

The Green outshot PA, 57-33, including a first-period margin of 24-6.

Phillips scorers were Brian Burke (2), Dan DiLorati, John Humphreys and Al Cregg as PA sank to 13-6 on the year.

Saturday afternoon Phillips will host Arlington High at 2. Thursday it'll be the BU Freshmen at PA before the Blue wraps it all up a week from Saturday at Exeter.

Phillips icemen defeat Arlington High, 4-2

The current edition of hockey at Phillips Academy may not be the best ever at P.A., then again . . .

Phillips knocked off Arlington High, 4-2, Saturday at P.A. and in the process came close to three Academy scoring records.

The trio of Bob Wheeler, Randy Koch and Craig Brickley could establish new standards as a line in goals scored, assists and total points before its over.

Koch picked up two goals Saturday, while Brickley had one, as did John McDonald.

Brickley added three assists, while Koch and Wheeler had one apiece. Alan Senior had another.

McDonald got Phillips off properly after a pass from Brickley rebounded off his skate and into the net. That was at 4:12 and since he didn't kick it in, it was given the okay.

Brickley registered at 14:26 following a face-off with Koch and Senior assisting. It was Brickley's 25th.

Arlington came alive and tied it in the second period with Jeff Quinlan connecting at the 15-

second mark and again at 6:04. However, Koch made it 3-2 with Brickley setting it up at 13:33.

Koch took a left wing pass and faked a shot, but continued around behind the net and stuffed it in on the opposite side.

Koch got his 26th of the season with Brickley and Wheeler at 5:45, when Wheeler passed out from behind and Randy banged it home.

Phillips, 14-6, saw its goalie Pete Anderson make 19 saves. Arlington's Mike Gough had 27.

The P.A. hockey team hosts B.U.'s frosh Thursday afternoon.

Exeter in sweep

P.A. icemen thumped

It's gonna be a little difficult for the folks up on the Hill to accept, but Exeter Academy hockey has finally and most firmly reached a par with Phillips Academy hockey and they proved it Saturday night, dropping PA for the second time this year, 7-4.

Going into this season, Exeter hadn't beaten Phillips since 1964. This year they beat 'em twice, 3-1 at Andover and 7-4 at Exeter.

Ray Stecker put Phillips on the board and ahead, 1-0 when he finished off a Dan DiLorati pass early in the first period.

Exeter tied it at 1-1 after one, before Pete Morin gave PA a 2-1 lead in the second period, assisted by Craig Brickley. Exeter, however, got the next three goals and never looked back.

Brian Burke made it 4-3 before the end of

the second, but Exeter upped it to 5-3 before the start of the third. Gus Burke, unassisted, pulled PA to within one, 5-4, with 12:00 left to play but Exeter got the next two to wrap it up.

The loss left Phillips at 14-8 on the season, and the loss of 14 seniors from this year's club is going to make that mark hard to improve upon next year.

Only Randy Kock, Dan DiLorati and Brian Burke will be back up front for PA, although goalies Pete Anderson and Frank Skokan are also returning.

PA staged its annual Alumni-varsity game yesterday afternoon before calling it quits on the year and the Alumni, led by Joe Cavanaugh, Kevin Burke and Dan, Cabey and Ethan Warren, romped to a 13-2 decision. Al Senior and Dave Victor scored for the varsity.

PA Riflery Loses To Wilbraham, Drops Second Consecutive Match

Saturday, January 20; Wilbraham, Mass.—After dropping their first match of the season to the Gloucester High School R.O.T.C., the varsity rifle team lost to Wilbraham-Monson, 917-821. As in the first match, Captain Phil Bauman lead the Blue marksmen with an outstanding score of 178 out of a possible 200. Upper Randy Carroll, a returnee from last year's squad, posted a fine 175 for second place among the PA sharpshooters.

For the second straight week, lack of depth and consistency prevented a Blue victory. Wilbraham, paced by the 193 performance of George Lyman, kept their undefeated record alive. Other Andover qualifiers were Ed Greer with a surprising score of 161, Mark Harmon with a 158 and Matt Kurth with a 150.

Andover Varsity Riflery Loses To Malden, Tabor As Carroll Excels

Wednesday, January 24; Andover—Set back by the illness of captain Phil Bauman, Andover's varsity rifle team succumbed to Malden High School by the narrow margin of 885-824. The absence of Bauman, stricken with the flu, accounts for most of the 61 point deficit.

Leading the PA marksmen were Randy Carroll and Matt Kurth with identical 180's out of a possible 200. Kurth turned in the surprise score of the afternoon by adding an incredible 30 points to his best previous score. The remaining qualifying scores for the Blue were Chris Maietta's 164, Ed Greer's 155, and Joe Nicolosi's 145.

Oswald Crowley of Malden High was the top individual scorer with an excellent 184. Despite the fact that this was the Blue's third loss in as many matches, coach A. Karl Roehrig expressed optimism at the continued improvement of his team.

Carroll, whose 76 offhand was the highest in the match, also took top honors individually for PA, posting a 246 out of a possible 300. Other Blue qualifiers were Matt Kurth with a 218, Chris Maietta with a 206, and Ed Greer and Chris Shaw with similar 205's.

Tabor, ranked number two in the nation behind Pilgrim High School in Pawtucket, R.I., was led by the 256 total of Daniel Boon. Although this marked the fourth time the rifle squad has lost this year, the PS scores continue to climb and will hopefully peak for the Interschools on February 24, which this year will be held at Tabor.

Blue Riflery Defeats Dover High

Wednesday, January 31; Andover—With captain Phil Bauman leading the way, the Andover varsity rifle team won its first match since February 1971 by completely trouncing Dover, N.H. High School, 847-787. Bauman, who was the top individual shooter with a 181, out of a possible 200, outgunned the highest

Dover shooter by an incredible 22 points.

Three other P.A. marksmen placed higher than the best Dover competitor. They were Upper Chris Maietta, whose season high score of 174 was good for second place, Randy Carroll in third with a 172, and Mark Harmon, turning in his best score yet,

took fourth with a 166. Joe Nicolosi completed the list of P.A. qualifiers with his personal best score of 154.

The last time the Blue was victorious in a dual meet was against Exeter in 1971. Only Phil Bauman and Randy Carroll remain from that team, and the intervening seasons have seen Andover lose twelve consecutive meets.

Captain Phil Bauman has led the riflery team throughout the season.

that four schools didn't show up. As in the past several Interschools, Tabor Academy placed first with a four-man total of 1026. The second place team was Rogers High School with a 990, followed by Providence Country Day School with a team score of 975. As predicted, Andover came in last in the field with a miserable score of 913.

Bauman Totals 258

Fortunately Phil Bauman was able to somewhat reconcile Andover's terrible defeat. Bauman, whose 258 out of a possible 300, represents a new record for Andover three position, international match firing, managed to take home two individual trophies.

The first of these was for the fourth highest score in the kneeling position. Bauman's second trophy, and one which served as the highlight of his brilliant four year finish overall. This feat gave Bauman a superlative 252

average for the year and places him high on the unofficial list of top New England shooters.

The remaining Blue qualifiers were upper Randy Carroll, whose 232 is his lowest score for the year. Carroll, who was recently awarded the rating of International Marksman by the National Rifle Association of America, declined steadily during the season and hit the low point of his career in this year's Interschols. Mark Harman, a recent addition to the squad, improved on his previous high score with a 219. Placing fourth for P.A. was Ed Greer, who coming up from J.V. earlier this year, has performed steadily for the Blue. His score was a 205.

Despite the loss of Phil Bauman and Matt Kurth, to college riflery next year, the Andover Rifle Team is looking forward to a successful season next year.

Blue Squash Overwhelms Middlesex, 5-0

Scott Mead, PA's number three racketman downed his Middlesex opponent in three games.

Saturday, January 13; Concord, Mass.—Recording its first victory of the season, the varsity squash team downed Middlesex, 5-0. Chad Nehrt led the Blue onslaught, as he limited his opponent to just thirty-one total points, while co-captain Bill Kaplan and Scott Mead also downed their opponents in the minimum of three games.

Nehrt Leads Andover

Playing in the number five position for the Blue, Nehrt completely overwhelmed his opponent, winning the match by scores of 15-11, 15-13, and 15-7. Kaplan and Mead, in the number one and three positions, respectively, were each extended to overtime in the opening games before settling down to win in three games. Kaplan took the opening game by a score of 16-14, while Mead triumphed in the opener by an 18-16 margin, before each won their second and third games by similar scores of 15-11, 15-7.

Co-captain Blair Richardson, at number two, got off to a slow start as his opponent carried two of the first

three games. Richardson, however, came back after the break to limit his opponent to just eight points, as he rebounded to win the match in five games. Sandy Wood, playing in the number four position, took four games to achieve victory, as he split his opening games before finishing strong and capping the third and fourth games by scores of 15-10 and 15-5, respectively.

Andover Squash Defeats Exeter, Falls To Deerfield In Upset

Wednesday, January 17; Andover—Stretching its undefeated streak over Exeter to 19, the varsity squash team evened its record at 2-2 with a 6-1 triumph over the Red. Playing in the number two position for PA, Blair Richardson led the Blue to victory as he limited his opponent to just 15 total points in the match, winning in the minimum number of three games.

Kaplan, Nehrt, Hilboldt Sweep Matches

Dominating the match from the outset, Richardson completely overwhelmed his Red opponent, winning by scores of 15-8, 15-3, and 15-4. In the number one position, co-captain Bill Kaplan also swept his opponent in three games, a feat likewise achieved by Chad Nehrt and Jim Hilboldt in the numbers five and seven positions, respectively.

Kaplan, after winning the opening games by identical 15-11 margins, demolished his opponent, 15-5, in the finale. Nehrt swept to victory, downing his opponent with ease to the scores of 15-8, 15-11, and 15-12. Hilboldt was pressed in the opening two games, winning in overtime by scores of 16-13 and 17-14, before demolishing his Red counterpart in the clincher, 15-5.

Mead, Wood Triumph

In the numbers three and four positions, respectively, Scott Mead and Sandy Wood each required four games to achieve victory. Ken Ehrlich, at number six, suffered PA's lone defeat, as he fell in five games, losing the finale by the score of 18-15 in overtime.

Saturday, January 20; Andover—With its number one and two players chained to their beds in the infirmary, and its number four man unable to play, the Andover varsity squash team fell to Deerfield Academy, 4-3. The loss marked the first time PA has lost to a prep school team since the 1969-70 season. Ken Erlich, moving up from his normal sixth position to play in the number three spot, took PA's most convincing victory. Erlich won in straight games by the scores of 17-14, 15-9, and 15-14.

Gomez, Stille Win

Playing in the fifth position, senior Mike Gomez was also victorious in straight games, winning 15-10, 18-17, and 15-10. Alex Stille picked up PA's final win at the number six spot. After losing the first two games, Stille came back to take the next three including an impressive 15-2 win in the final game of the match.

Mead Loses In Four Games

Moving from his customary third position to replace number one man Bill Kaplan, Scott Mead was narrowly defeated, losing in four games. Two of the four games went into overtime, however, as Mead lost 18-16, 11-15, 15-11, and 18-17. Playing in the number two spot, Chad Nehrt lost to his Deerfield opponent, Wisk Broomme, by the scores of 11-15, 15-8, 15-6, and 18-15.

Racketmen Down Yale, 5-2; Blue Squash Topples SPS

Saturday, January 27; Andover— Winning four matches in the minimum number of three games, the varsity squash team won its fourth match of the year with a 5-2 triumph over the Yale freshmen. Bill Kaplan, Scott Mead, Chad Nehrt, and Jim Hilboldt recorded the sweeps for PA.

Allowing his opponent just thirteen total points, co-captain Kaplan, at the number one position, breezed to an easy 15-2, 15-8, 15-3 victory.

Chad Nehrt, PA's number five racketman, also recorded an easy victory, as he limited his counterpart to fourteen points while winning 15-5, 15-4, 15-5. Returning to his number three position, Mead rediscovered the victory touch as he triumphed, 15-12, 15-9, 15-6, growing stronger as the match wore on.

Hilboldt Wins

Jim Hilboldt, at number seven, controlled his match from the outset, eventually achieving a hard-fought 15-10, 15-11, 15-10 victory. Playing in the number two position for the Blue, co-captain Blair Richardson recorded Andover's fifth triumph with a four-game victory.

Wood, Ehrlich Fall to Frosh

In the number four and six positions, Sandy Wood and Ken Ehrlich fell to their frosh opponents, in three and five games, respectively.

Wood Sweeps Match

PA's number three man, Sandy Wood, also won in three games, although he had a bit more difficulty in victory than did Kaplan or Ehrlich. After winning the first two games, Wood was forced into overtime before taking the clinching game by the score of 18-15.

In the number four position for the Blue, Chad Nehrt downed his SPS opponent in four games, winning 11-15, 15-13, 15-5, 15-3. Scott Mead, replacing Blair Richardson as PA's number two racketman, suffered Andover's lone defeat, as he fell in four games.

Wednesday, January 24; Andover—Evening its record at three wins and three losses, the varsity squash team defeated St. Paul's 4-1. Co-captain Bill Kaplan and number five man Ken Ehrlich led the Blue to victory, as they limited their points to just twenty-one and twenty-two points, respectively.

Wood, Mead Excel As PA Varsity Squash Edges Choate, Harvard JV

SANDY WOOD

Saturday, February 3; Wallingford, Conn.—Facing an inspired Choate squad, the varsity squash team withstood early-match nervousness to pull out a dramatic 4-3 triumph. Playing in the number four position for Andover, Sandy Wood emerged as the Blue hero, as his comeback victory brought PA its fifth triumph of the season in a match which at one time witnessed the Blue on the losing side of a 3-0 score.

PA Outlook Dreary

Wood's heroics had been preceded by a series of miraculous events which had barely rescued Andover from the throes of defeat. Not only had Bill Kaplan, Jim Hilboldt, and Chad Nehrt previously stalked off the court frustrated by defeat, but Scott Mead and Ken Ehrlich found themselves trailing 1-0 and 2-1, respectively, at a time when one more loss would prove irreparable.

Suddenly, PA's fortune changed, as both Mead and Ehrlich rebounded to down their opponents, a feat likewise achieved by Blair Richardson, who, after dropping the opening game, stormed back to capture the final three, thus evening the team score at three matches apiece.

The unruly, obnoxiously partisan Choate crowd then turned its attention to the Wood match, and was delighted to learn that Choate had achieved a 15-10 victory in the opening game. Wood, however, refused to yield under the intense pressure and, keeping with the pattern established by Richardson, Mead, and Ehrlich, quickly regained his composure to annihilate his opponent in the final three games, 15-5, 15-5, 15-3.

Wood Saves the Day

Wednesday, February 7; Andover—In almost a duplicate performance of the Choate contest, the varsity squash team roared from behind in the closing matches to down the Harvard JV's, 4-3, thus avenging the 7-0 loss pinned on PA by the Crimson earlier in the season. Amazingly, it was Sandy Wood who again recorded the Blue's clinching triumph, as his four-game triumph marked the second successive time that he has staved off defeat for Andover.

Harvard Starts With Flurry

The Crimson began with a flurry, winning the opening two matches, against Bill Kaplan and Ken Ehrlich, in convincing

SCOTT MEAD

style. Ehrlich, incidentally, was competing in the number five position for Chad Nehrt, who will be sidelined the rest of the year due to an injury.

The Blue then began its comeback one match earlier than it had done against Choate, as victories by Alex Stille, Scott Mead, and Jim Hilboldt momentarily put PA into a 3-2 lead. Mead's win was particularly significant in that it made him only the second PA racketman to record victories in both matches. Blair Richardson, however, was unable to sustain the Blue momentum, as he fell to his opponent in four games. For the second match in a row, everything rested with Sandy Wood.

Repeat Performance

Effectively outmaneuvering his opponent in clutch situations, Wood once again brought Andover a much-cherished triumph as he prevailed, 15-13, 16-15, 12-15, 15-6. Wood, as the score indicates, played well when the situation called for it, as he capped the first two games in overtime. After letting up in the third game, he then finished with a rush, demolishing his opponent in the final game to raise the Blue record to 6-3.

Squash Downs SPS, Dartmouth

Saturday, February 17; Hanover, N.H.-In its most impressive triumph of the season, the varsity squash team captured its sixth straight victory, overwhelming the Dartmouth Freshmen, 7-0. Scott Mead scored P.A.'s most convincing win of the day as he won in three games by scores of 15-8, 15-3, and 15-5 respectively, allowing his opponent only sixteen points.

Outcome Never In Doubt

Preceding Mead's victory, Bill Kaplan, at number one, dropped his first game 18-13 due to the unfamiliar courts, then roared back to win the next three games by scores of 15-8, 15-4, and 15-5. Blair Richardson, playing in the second position for the Blue, downed his Dartmouth counterpart in the minimum of three games, a feat also achieved by Sandy Wood and Ken Ehrlich in the fourth and fifth slots respectively.

Hilboldt, Stille Stage Comebacks

The last two victories of the day came at the sixth and seventh positions where Jim Hilboldt, at number six, outlasted his frosh opponent winning his match in the maximum number of games by scores of 6-15, 15-9, 15-18, 15-13, and 15-9. Upper Alex Stille also lost his first game, 15-2, but he regained his poise to take the next three games by decisive scores.

Wednesday, February 14; Concord, N.H.-Upping its season record to 7-3, the varsity squash team continued its winning ways, downing St. Pauls 4-1. Co-captains Bill Kaplan and Blair Richardson paced the Blue, taking victories in the first two positions.

Kaplan, Richardson Win In Three

At the number one position for the Blue, Bill Kaplan easily defeated his St. Pauls opponent by scores of 15-6, 15-10, and 15-11. Richardson, playing in the second spot, downed his counterpart 15-11, 15-11, and 15-8.

Wood, Mead Triumph

Turning in another fine performance, Sandy Wood, at number four, defeated his S.P.S. opponent in the first game by an overtime score of 18-15, then took the next two games by identical 15-12 margins. Scott Mead took P.A.'s other win in four games, triumphing 15-9, 15-10, and 15-11 after losing the second game 15-9.

Ehrlich Loses in Four

Ken Ehrlich sustained the Blue's only loss of the day in the fifth position. Ehrlich won the first game 15-10 but couldn't regain control, losing the next three.

Swimming Expects Fine Season

Possessing great depth in all events, the Blue varsity swimming team is looking forward to a highly successful season. Captain Myles Standish leads the squad which will open the year against Portland High School on Saturday.

Standish, List Standout

Standish will swim in three events, the 200 yd. freestyle, the 400 yd. free. relay, and possibly either the 200 yd. individual medley and the 100 yd. backstroke. Mark List, Andover's premier backstroker who swam to a third place finish in the National Prep School meets, should swim the 100 yd back., the 200 yd. individual medley, and the 200 yd. med. relay.

Otha Mosby and Steve Gleason will compete in the spring freestyle events, while Michael Murphy and Upper John Croll will swim the 100 yd. butterfly and either of the two will also race in the opening 200 yd. medley relay. John Grinder, a newcomer to the squad and only a junior, Geert Geisterferer, Tom Effinger, and Charlie Smith will provide the breaststrokers.

Kingery Strong Addition

Lower prep John Kingery has looked the most impressive of all in practice, thus far; turning in great times for this early in the season. His fortes are the distance freestyle events, the individual medley, and also the backstroke.

Versatility

Most of the swimmers on the team are versatile and flexible enough so that they can swim more than one event, and swim it well, adding a very helpful dimension to the team. At thi point each event looks strong for the Blue as Standish, List, and Kingery are most capable of swimming many events.

Depth

In each event the Blue has more than one good swimmer and should take many second and third places. Ricky Meyer in the distance freestyle, Pat Grant in the sprint freestyle, along with Smith and Grinder provide some of the outstanding depth. Bruno Marino and Frank Sandler will dive for PA.

PA Swimming Crushes Worcester

John Kingery captured two first places in swimming's win over Worcester.

Saturday, January 13; Andover, Mass.—Sweeping all except two events, the Andover varsity swimming team easily demolished an exceptionally weak Worcester Academy squad, 88-13. The Blue 200 yard medley relay team, consisting of Nate Lee, Geert Geisterfer, John Croll, and Mike Murphy, captured first place in the opening event by over 25 yards, and from that point on PA's lead was never in jeopardy.

Kingery Takes Two Firsts

In an outstanding performance, John Kingery came on strong in the final 25 yards to touch out captain Myles Standish in the 200 yard freestyle, as Kingery's time of 1:49.4 came within .2 seconds of the existing school record. Kingery also defeated Standish by a narrow margin in the 400 yard freestyle, as he posted a time of 3:55.3, compared to Standish's 3:57.9.

Captain Myles Standish will be one of PA's top swimmers this season.

In the 400 yard freestyle relay, Kingery and Standish combined with Steve Gleason and Mark List for an extremely easy victory, as they were clocked at 3:28.8.

List came through with his usual fine performance, as he captured first in the 200 yard individual medley with a time of 2:05.8, 15 seconds ahead of his nearest competitor, Pat Grant. List was also victorious in the 100 yard backstroke, with the winning time of 55.3 seconds, as he completely outclassed his opponents.

Mosby, Gleason Dominate Sprints

Combining to monopolize the sprints, Otha Mosby secured first place for the Blue in the 50 yard freestyle with a time of 23.4 seconds, while Gleason followed closely behind at 23.6

seconds. Gleason then reversed things in the 100 yard freestyle, as his time of 52.4 seconds edged Mosby for first.

Croll Captures Butterfly

Winning an impressive victory in the 100 yard butterfly, John Croll posted a time of 56.7 seconds, leaving his Worcester counterparts more than 15 yards behind. Mike Murphy placed second in this event with a time of 1:00.5, as he once again failed to break the one minute barrier. In an event in which the Blue is perennially weak, the breaststroke, Geisterfer managed to secure first place for the Blue, while Jon Grinder captured second in this event. Bruno Marino was victorious in the dive, while Steve Temple finished third in the same event.

Swimming Vanquishes Mt. Hermon, 79-15

Saturday, January 20; Mt. Hermon—Winning every event but the dive, the Andover varsity swimming team defeated the Mt. Hermon squad, 79-15. The meet was used to prepare the team for the Lawrenceville/Hotchkiss meet scheduled for this Saturday at Hotchkiss. Although the Blue was bothered slightly by the unfamiliar surroundings and an epidemic of the London flu, PA was able to overpower their opponents who were competing in their first meet of the year.

PA Takes Relay

Andover's 200 yard medley relay team consisting of Mark List, Geert Geisterfer, John Croll and captain Myles Standish opened the meet with a convincing victory against a weak

Mt. Hermon team, recording a time of 1:46.5. Mike Murphy won the 200 yd. freestyle to give Andover a substantial 15-1 lead that was never challenged.

Gleason Takes Two Wins

Steve Gleason and Otha Mosby again dominated the sprint, taking first and second respectively in the 50 and 100 yd. freestyle events. Standish also took two victories, winning both the 200 yd. individual medley where Mark List took second, and the 400 yd. freestyle. John Kingery won the 100 yd. butterfly, and placed second in the 100 yd. backstroke, which was won by Mark List whose time of 55.8 seconds set a new Mt. Hermon pool record. In the 100 yd. butterfly John Croll took second, and Mike Murphy, fourth, in a time of 1:00.1. In the 100

yd. breast-stroke, junior Jon Grinder took PA's final individual victory while Geert Geisterfer placed second. The Blue 400 yd. relay team of Croll Murphy, Mosby, and Gleason raced to victory in 3:41.1, to give Andover the 79-15 victory. Mt. Hermon's only victory came in the diving event, but Bruno Marino placed second with 146.90 points, and Steve Temple, third, with 141.45 points.

Swim Team Undefeated

The team, thus far undefeated, has registered convincing victories against Portland High School, Worcester Academy, and Mt. Hermon, but will face tougher competition against Lawrenceville, last year's Eastern champions, next week.

Mermen Take Second In Three School Meet

Saturday, January 27; Hotchkiss—The Andover varsity swimming team placed second in a triangular meet, defeating Hotchkiss, but falling to Lawrenceville. Lawrenceville compiled a total of 79 points followed by Andover with 53 and Hotchkiss with 39.

Standish, List Excel

Captain Myles Standish picked up one of Andover's three firsts in the 400 yd. freestyle event, winning in a time of 4:01.0. His time of 1:45.3 in the 200 yd. freestyle was good for a second place making him PA's leading scorer in the meet. Upper Mark List again won the backstroke in a good time of 55.0 seconds. Last week at Mt. Hermon he set a pool record with a 55.8. List was also third in the 200 yd. individual medley.

Marino Takes Dive

Bruno Marino captured the diving event with 158.9 points to give the Blue its final victory of the day. Otha Mosby placed sixth in the 50 and fourth in the 100 yd. freestyle events. Pat Grant, replacing Steve Gleason who was sick with the London flu, placed fifth in the 50 and sixth in the 100 yd. freestyle.

Andover was also unable to win either of the relay events, losing both to strong Lawrenceville teams. In the 200 yd. medley relay, Lawrenceville took first in a time of 1:41.7, a new pool record. Andover's Mark List, Geert Geisterfer, John Croll and Pat Grant were second in 1:43.3. Hotchkiss' team was third in 1:45.3. In the 400 yd. freestyle relay, the same order prevailed. Lawrenceville was first in 3:21.1, while the Andover squad consisting of Mosby, Croll, Kingery and Standish were second in 3:28.0 seconds. Hotchkiss was third in 3:30.6.

Kingery Takes Two Seconds

John Kingery placed second in the 200 yd. individual medley in a time of 2:04.9. He also finished second behind Standish in the 400 yd. freestyle. In the 100 yd. backstroke event Geisterfer was third and Jon Grinder fifth for Andover.

Deerfield Conquers Andover Swimming

Saturday, February 3; Andover—Falling for the second time this season, the Andover swim team lost an extremely close meet to Deerfield, 50-45. Although PA was victorious in a majority of the events, including both relays, Deerfield managed to place second and third in each event won by the Blue.

With just two events, the 100 yard breaststroke and the 400 yard freestyle relay remaining, Andover found itself on the short end of a 42-38 score. Needing a first place in the breaststroke to stay in the meet, Geert Geisterfer could manage only third allowing Deerfield to clinch the victory.

Standish, Kingery Excel

Captain Myles Standish along with lower John Kingery paced the Blue as they were involved in five of the six events won by Andover. Standish took the 200 yard freestyle event in 1:53.0, and the 400 yard freestyle in 4:02.4. Kingery copped the 200 yard individual medley

race in 2:03.2, which sets a new Andover pool record. He also won the 100 yard backstroke in 58.7 seconds.

In the anti-climactic 400 yard freestyle relay, Mark List, Kingery and Steve Gleason opened up a large lead for anchorman Standish, but Deerfield closed the gap considerably in the last lap before losing by less than a second. The Blue 200 yard medley relay team consisting of List, John Croll, Geert Geisterfer, and backstroker Mike Murphy was also victorious in a time of 1:44.8 seconds.

Deerfield Captures Sprints

Deerfield completely dominated the sprints, scoring eight out of nine points in both the 50 yard freestyle, and the 100 yard freestyle events, where Andover's Otha Mosby took two third places. Bruno Marino placed third in the diving event, but again Deerfield took both first and second places. John Croll was second in the 100 yard butterfly, before failing to place in the 100 yard butterfly.

Harvard → 45

Wednesday, February 14; Cambridge-The Andover varsity swimming team defeated Harvard in a close meet, 50-45. Although Harvard won seven of the eleven events, Andover took second and third in five of these victories. Going into the 400 yard freestyle relay, Andover was behind 45-43, but managed to take the meet by winning this race with the time 3:28.9.

Standish, List, Kingery, Excel

Captain Myles Standish placed first in both the 200 and 400 yard freestyle races, with times of 1:50.8 and 4:02.4. He also anchored the winning 400 yard freestyle relay. List, competing against Larry Smith, a varsity Harvard swimmer won the Individual Medley with a time of 2:06.5. He later took second in the

backstroke behind Peter Wolfe, also a member of Harvard's varsity, who recorded an excellent time of 54.5. List also participated in the 200 yard Medley relay, which lost to the powerful Harvard team, composed of three varsity swimmers. Lower John Kingery took two seconds behind Myles Standish in the 200 yard and 400 yard freestyle races, and also swam the first leg of the victorious 400 yard freestyle relay.

Harvard Lacks Depth

Harvard lacked manpower with only eleven men, four of which were varsity recruits. The Crimson was thus forced to compete with only one man in seven out of the nine individual events. Of these seven, they took six firsts and one second. Therefore, in spite of its six victories and one second Harvard's net gain was only three points. Each team won one relay, so Standish's and Kingery's fine performances in the 400 and 200 yard freestyle races proved to be Andover's winning margin.

DATE OF CONTEST: February 17, 1973

OPPONENT: Williston

WHERE PLAYED: ~~but~~ Easthampton, Mass

RESULT:
Williston → 54
PA → 41

Saturday, February 17; Williston - Dropping its third meet of the season, the Andover varsity swimming team lost a closely fought contest to Williston Academy, 54-41. The meet was decided in the final event which PA lost, lowering its season's mark to 5-3.

With the score 47-41 in favor of Williston going into the final relay, an Andover win would still have given PA a one-point margin of victory, 48-47. Williston had other ideas, however, as its strong squad increased its lead slightly in every leg before winning by just over one body length.

Standish Again Leads Blue

Captain Myles Standish, the team's leading point scorer, paced the Blue with victories in both the 200 yard, and 400 yard freestyle events. John Kingery and Mark List were also outstanding. Kingery took the 200 yard individual medley in a time of 2:05.8, where List was second. In the backstroke the order was reversed with List winning in 55.8 seconds, and Kingery taking second.

Temple Sees the Light

Steve Temple out scored his Williston counterpart by 1.25 points to win the diving event. During this event, the shades were pulled down, making the pool considerably darker. This being an infraction of the rules, Andover's coach William Shrout protested and threatened to withdraw. The conflict was soon resolved when the shades were pulled up.

PA's 200 yard medley relay team consisting of List, Geisterfer, Croll and Mosby was defeated by a surprisingly strong Williston team. In the 50 yard freestyle Gleason was second, while John Croll placed second in the 100 yard butterfly. Copping third places for Andover were Otha Mosby in the 100 yard freestyle, Pat Grant in the 50 yard freestyle, Bruno Marino in the dive, and Geert Geisterfer in the 100 yard breaststroke.

Swimming,

Kingery Excels

In 59-36 Rout

Of Exeter

Wednesday, February 28; Andover- Finishing its season with a fine record of 7-3, the Andover varsity swimming team crushed Exeter, 59-36. Despite a lack of competition, the Blue managed to break seven records during the meet, including one New England and three Andover-Exeter marks.

Kingery, List Excel

The New England record was broken by lower sensation John Kingery, who recorded a time of 2:01.8 in the 200 Yard Individual Medley. This time lowered teammate Mark List's record by .7 seconds, as List held the record for just four days after having established it at the Easterns in Lawrenceville, New Jersey the previous weekend. List finished second in this race, and his time of 2:02.2, although good enough to reset his own New England and school, as well as the Andover-Exeter and pool records, was not quite good enough to defeat Kingery.

In addition to his record-setting performance in the Individual Medley, Kingery also won the 400 Yard Freestyle and swam on the victorious 400 Yard Freestyle Relay team. List, meanwhile, was involved in the smashing of two further records. His time of 54.2 reset the pool and A-E records in the 100 Yard Backstroke event, one which was preceded by the 200 Yard Medley Relay in which PA, with List as the leadoff man, broke the A-E meet

Myles Standish took a first and a second versus Exeter.

record with the winning time of 1:43.0.

Standish Takes First, Second

Captain Myles Standish, competing in his final Andover-Exeter meet, took a first in the 200 Yard Freestyle. He also finished second behind List in the 100 Yard Backstroke, and anchored the 400 Yard Freestyle Relay team.

Andover Achieves Cherished Rout

The margin of the PA triumph in this meet was one which the Blue swimmers had looked forward to achieving throughout the term. They had been confident of a victory over PEA right along, however, a victory by itself would have failed to satisfy them. They had been seeking a rout, one which would revenge two crushing defeats suffered by the PA water polo team to Exeter last fall.

(continued on page eight)

Mermen Trounce Exeter

(continued from page seven)

Deservedly so, the rout was achieved, despite Red efforts aimed at avoiding one. In this attempt, Exeter packed its opening relay team, the 200 Yard Medley Relay unit, in the hope of gaining a quick 7-0 advantage. PEA's strategy backfired, however, as the Blue unit of List, Geert Geisterfer, John Croll, and Otha Mosby responded with its best time of the year, and won with a record-shattering 1:43.0 performance. From this point on, everything went downhill for the outclassed Red, as PEA managed to win just three of the eleven events in the meet.

Mermen Finish Far Behind Williston In Interscholastics

Saturday, March 10; Andover- Totaling 199 points, the Andover varsity swimming team took second place in the Eleventh Annual New England Preparatory Swimming Championships. Williston Academy finished first in the meet with 303 total points, followed by PA, Deerfield (188 points), Hotchkiss (176 1/2), and Exeter (166 1/2).

Kingery Wins Medley

The majority of Andover's points came as a result of the efforts of John Kingery, Mark List, and Myles Standish, PA's three best swimmers. Kingery, who took fourth place in the 400 Yard Freestyle, also broke the meet record with a first place finish in the 200 Yard Individual Medley, the event in which he holds the New England record. List won the 100 Yard backstroke and came in third in the 200 Yard Individual Medley, while Standish finished in second and third places, respectively, in the 200 Yard and 400 Yard Freestyle races.

Grant, Murphy, Mosby Excel

Racing against strong competition, senior Pat Grant clocked off two of his best times all season, with a 22.7 in the 50 Yard Freestyle and a 57.2 in the 100 Yard Butterfly. The former was good enough for a fifth place finish, while the latter was the sixth

best time in an event in which PA's John Croll placed fifth.

In the 400 Yard Freestyle, upper Mike Murphy placed ninth for the Blue, cutting his previous best effort by six full seconds to a 4:10.6, while Senior Otha Mosby also swam his best race of the year, as his 23.2 clocking in the 50 Yard Freestyle was good for a tenth place finish, one ahead of PA's Steve Gleason.

Although Kingery, List, and Standish placed higher in their respective events than did Grant, Murphy, and Mosby, the latter trio received better times in proportion to their own ability, and were equally responsible for Andover's second-place finish.

Williston Depth Aids Victors

Considering the circumstances in which PA found itself, the Blue fared surprisingly well. Coming on the heels of exam week, the date of the meet allowed Andover little opportunity for conditioning. Williston finished first mostly on account of its superior depth, as points were awarded for the best twelve times in each individual event. Thus, the fact that Williston was able to enter as many as four swimmers in each event, whereas Andover could only enter two, or at most, three, proved an overwhelming advantage to the victors.

TRACK

Rogerson, Murray, Whelan Lead Winter Track Squad

Bolstered by the return of eight lettermen, the Andover varsity track team has the potential for a fine season this winter. The Blue squad will need outstanding team performances throughout the season to better the 7-3 record amassed by last year's squad, which established a total of five school records.

Distance Runners Strong

Andover's powerful group of distance runners, led by team captain John Rogerson and upper Matt Mangan, is expected to be the major strength of the PA squad this season. Rogerson, who set numerous records during the cross-country season, will be the Blue's top competitor in the mile and 1000 yard events, while Mangan is a fine performer in the two mile, mile, and 1000.

Upper Jamie Morgan will lead a number of strong PA candidates for the first spot in the two mile. Martin Leamon, Charles Nadler, and Tom Chambers provide the Blue with

depth in either the mile or two mile races, while senior Peter McCandless and upper Mike Corcoran will lead PA in the 600 yard run.

Whelan Leads Sprinters

Recording a remarkable time of 5.5 seconds in the 50 yard dash already this season, senior Tim Whelan should give PA a number of first place finishes in that event. Other possibilities in the 50 include Tom Masters and Al Maddox, who will also team with Whelan and Corcoran to form a powerful Andover relay team.

Another outstanding performer for the Blue is versatile Lee Murray. Murray is PA's top competitor in the long jump and will join senior Paul Cook to provide strength in both the high jump and 45 yard high hurdles. Seniors Dan Lasman and Phil Chaplin will anchor PA in the weight throw, while Marshall Partington and Don Hayden are the top pole vaulters.

Nadler Takes Two Firsts

Track Trounces Huntington, 86-9

Wednesday, January 10; Andover—Capturing first place in every event except the shot put, the Andover varsity track team opened the winter season with a powerful performance as it crushed a hapless Huntington squad, 86-9. PA completely dominated the meet from the outset, sweeping seven of ten events.

Nadler, Murray Pace Blue

Uppers Charles Nadler and Lee Murray each took two first place finishes to lead Andover. Nadler ran a strong race to capture the mile in a fine time of 4:43.3 and then came back to win the 1000 yard run with a fast 2:30.6 clocking. After finishing second in the 45 yard high hurdles, Murray won the long jump with a leap of 20'2" and tied with Andover's Paul Cook for the first spot in the high jump, easily clearing 5'8". In addition to his first place finish in the high jump, Cook also captured first in the 45 yard high hurdles with a good clocking of 6.3 seconds.

PA Sprinters Strong

With top sprinter Tim Whelan hampered by a leg

injury, Andover's excellent group of sprinters showed the depth present on the squad, as Al Maddox took first place in the 50 yard dash. Maddox came out of the blocks fast to take an early lead in the race finished first in a time of 5.9 seconds. In the 600 yard run, Mike Corcoran finished strong to take the victory, breaking the tape in a time of 1:21.5.

John Rogerson gave PA the first spot in the two mile with a 10:28.6 clocking and Marshall Pardington won the pole vault with a 10'6" effort. Andover's 600 yard relay team of Tom Masters, Al Maddox, Lee Murray, and Tim Whelan was also victorious, finishing in a time of 2:29.0.

Track To Face Dartmouth Frosh

Although Andover opened the season with a convincing victory over a weak Huntington team, the squad will face much stronger competition in the upcoming meet against the Dartmouth freshmen. The perennially strong Dartmouth squad should provide a better test of the Blue's strength at this point in the season.

Track Falls To Powerful Dartmouth JV's

Saturday, January 20: Hanover, N.H.—Failing to capture a first place in any event, the Andover varsity track team fell to the powerful Dartmouth JV's, 96 1/2 - 16 1/2. The Dartmouth squad completely overwhelmed the Blue, sweeping five of 13 events.

Murray Leads PA

Versatile Lee Murray paced Andover, taking a total of seven points in the meet. Murray opened the PA scoring by finishing second in the long jump with a fine effort. In the high jump, he earned another second place

with an outstanding leap of 6'0" and in the triple jump he covered a distance of 42'8 1/2" to capture the third spot.

Sprinter Tim Whelan was the only other performer for Andover to score in more than one event. Whelan became the number one man in the shot put for the Blue, finishing in the second spot with a toss of 30'8". In the 60 yard dash, he jumped out to an early five yard lead before pulling up with a leg injury and dropping to third place.

Distance Runners Overpowered
Hampered by the loss of John

Rogerson, the PA distance runners failed to place in either the one or two mile events. Steve Johnson supplied Andover with its only points in the distance races, capturing third place in the 1000 yard run in a fast time of 2:22.0.

In the 600 yard run, Peter McCandless finished second with a fine 1:17.2 clocking, while Tom Beaton took the third spot in a time of 1:17.5. PA's only other points came in the pole vault where Marshall Par-dington captured second place and Keith Weidenman tied for third.

Track Overwhelms New Britain

Wednesday, January 24; Andover—Rebounding from its initial loss of the season, the Andover varsity track team overwhelmed New Britain High School, 80-24. PA completely dominated the meet, sweeping five of twelve events. The convincing victory upped the Blue's season mark to 2-1.

Distance Runners Outstanding

Andover's distance runners again showed excellent depth and versatility as they outscored the New Britain squad 34-2 in four events. In the mile, Steve Johnson sprinted across the finish line in a fast time of 4:41.8 to

take the victory. Running his best race of the season, Tom Chambers edged Johnson at the tape to capture first place in the 1000, finishing in a time of 2:28.5. Martin Leamon, who has shown continual improvement this winter, finished first in the two mile with a career best time of 10:16.5, while Peter McCandless came across first in the 600 in a fine 1:20.5 clocking.

Murray Paces Blue

Lee Murray again led all PA scorers, taking a total of 13 points in the meet. Murray took the first spot in

the long jump with a strong leap of 21'10". After finishing second in the high jump, he came back to capture the 45 yard high hurdles, breaking the tape in a time of 6.2 seconds. Murray also ran a leg on Andover's relay team, which won easily in a time of 2:26.7.

Marshall Partington captured the only other first for PA, winning the pole vault with a jump of 11'6". Other top scorers for the Blue included Al Maddox and Paul Cook, who contributed six and four points, respectively, to the Andover total.

Track Crushes AHS

Saturday, February 3; Andover—After falling to the Northeastern freshmen, the Andover varsity track team overwhelmed Andover High School, 81-16. Showing superior strength throughout the meet, the Blue finished first in ten of eleven events.

Cook, Murray Lead PA

Paul Cook and Lee Murray paced all Andover scorers, tallying 12 points apiece. Cook finished strong in the 45 yd. high hurdles to break the tape first in a time of 5.9 seconds, before taking second place in the long jump. Murray, who is the top scorer for the Blue this season, captured first in the long jump with a leap of 21'9" and came across second in the 45 yd. highs. In addition to this, Cook and Murray tied for first place in the high jump, as both dropped out of the competition after winning at a height of 5'6".

PA Sweeps Distances

Exhibiting outstanding strength and depth, the Andover distance runners completely dominated every

event. In the 1000 yd. run, Charlie Nadler captured the first spot in a fast time of 2:58.8, while Tom Chambers finished second with a 2:28.2 clocking. John Rogerson returned to top form, easily winning the two-mile in 9:53.0. With little competition from the AHS runners, PA milers Matt Mangan and Steve Johnson both ran strong races, finishing in first and second place, respectively. Managan broke the tape in 4:37.0 while Johnson came across in 4:38.1.

Peter McCandless turned in a fine time of 1:17.0 to take first place in the 600 yd. run, while Marshall

Partington captured first in the pole vault, clearing a height of 11'6". Junior Joe Salvo took the only other individual first for the Blue, winning the 50-yd. dash in a time of 5.9 seconds.

DATE OF CONTEST: WEDNESDAY, FEBRUARY 7th, 1973

OPPONENT: HARVARD COLLEGE FRESHMEN

WHERE PLAYED: HARVARD COLLEGE,
CAMBRIDGE, MASS.

RESULT: ANDOVER - 33 HARVARD - 71

Wednesday, February 7; Cambridge, Mass—Despite a number of fine individual performances, the Andover varsity track squad suffered its third defeat of the season, falling to the Harvard frosh by a score of 71-33. The loss dropped the Blue's season record to 3-3.

Rogerson Captures First

Running the finest indoor race of his career, John Rogerson captured first place in the two-mile, crossing the finish line in an excellent time of 9:47.0. Rogerson established a fast pace early in the race and sprinted the last lap to the victory. Jaime Morgan finished third in the event in a fine time of 10:07.3.

Lee Murray again paced the PA scorers, tallying 7 1/4 points in the meet. Murray finished first in the long jump with a strong effort of 21'5" and then came back to take third in the 60yd. high hurdles. Andover's relay team, consisting of Murray, Tom Beaton, Mike Corcoran and Peter McCandless took first place as McCandless finished with a strong sprint to edge the Harvard runner at the tape.

Cook Strong In High Jump

In the high jump, Paul Cook turned in the best performance of his career, finishing second with an outstanding leap of 6'2". Andover swept the pole vault as Keith Weidemann captured the first spot with an 11'0" effort. Miler Matt Mangan ran an excellent race against strong competition to capture third in a time of 4:33.0, while Charlie Nadler finished third in the 1000 with a 2:24.8 clocking.

ATHLETE OF THE WEEK

LEE

MURRAY

Versatile performer Lee Murray totaled 15 points in track's victory over Boston High Schools. This outstanding performance, which included a personal best of 6'2" in the high jump, strengthened Murray's position as top scorer for the track squad this winter.

Track Topples Boston High Schools

Matt Mangan has been the top miler for Andover track this season.

Wednesday, February 14; Andover-Led by upper Lee Murray's 15 point contribution the Andover varsity track team edged the Boston High School All-Stars, 45-41. The point advantage in the field events enabled the Blue to offset a weak performance in the sprinting events and capture its fourth victory of the season.

Murray Takes Three Firsts

Lee Murray paced Andover, taking three of PA's five individual firsts. In the long jump, Murray took the top spot with a leap of 21'3" and then returned to capture first place in the 45 yard high hurdles, breaking the tape in the fast time of 6.1 seconds. Murray's most impressive performance came late in the meet, as he cleared the bar at 6'2" to give Andover a crucial first place finish in the high jump. The height was Murray's best effort this season.

Mangan, McCandless Strong

Matt Mangan and Peter McCandless both ran strong

distance races to cop the other first place finishes for the Blue. Continuing his recent domination of the mile run, Mangan established an early lead in the event and came across the finish line in a good time of 4:38.0 to edge teammate Charlie Nadler. Facing a number of strong competitors, McCandless exhibited an excellent kick on the final lap to take first in the 600 yard run, finishing in a time of 1:17.5.

Supplying PA with a total of six points apiece, Charlie Nadler and Paul Cook were also among the top scorers for the Blue. In addition to his second place finish in the mile, Nadler took the second spot in the 1000, while Cook captured seconds in both the long jump and high jump.

Track to Face Exeter

Following the victory over Boston High Schools, the track squad's season mark stands at 4-3. With all three losses coming against college freshmen teams, the Blue is undefeated in prep school competition this year. In the final contest of the season, however, Andover must face a powerful Exeter squad which will pose a serious threat to PA's unmarried prep school mark.

Blue Track Captures Second in Tri-Meet

Wednesday, February 21; Andover— In its only tri-meet of the season, the Andover varsity track team amassed a total of 50 points to capture second place. Holy Cross, on the strength of eight first place finishes, totalled 70 points to take the first spot, while Governor Dummer managed only nine points and finished third.

Cook Sets Record

Paul Cook turned in the most impressive performance of the meet, leaping an outstanding height of 6'23/4" in the high jump to take first place and establish a new PA indoor track record in the event. The jump erased the old record of 6'21/2" held by a number of former PA graduates. Cook added a fourth place in the 45 yard high hurdles to his record setting leap and finished the meet with a total of six points.

Contributing a total of ten points to

the Andover effort, Lee Murray again led the squad in scoring. In the long jump, Murray easily took first place with an excellent leap of 21'10". Murray also finished second in the high jump and took third in the 45 yard highs. The Blue's only other

Exeter Routs Track, 63-32;

PA Finishes With 5-5 Mark

Wednesday, February 28; Exeter-Finishing its season on a disappointing note, the varsity track team fell to Exeter, 63-32. The Blue was never really in contention during the meet, as PEA jumped out to a commanding 26-1 lead early in the meet before coasting to the victory.

Whelan, Nadler, Murray Take Firsts

Andover could manage just three first-place finishes during the course of the meet. The first of these was recorded by sprinter Tim Whelan, whose 5.9 clocking in the 50-yard dash proved a better time than any Exeter runner could muster. Junior Joseph Salvo took an encouraging third for PA in this event.

In the 1000-yard run, upper Charles Nadler displayed a tremendous kick over the final two laps to outdistance his Red counterpart by a substantial margin. His time of 2:21.6 was the best of the year by a Blue performer in the 1000.

Lee Murray took Andover's remaining first, as he outleaped the competition in the long jump. Murray also finished third in the high jump, an event in which senior Paul Cook took second for PA.

Rogerson, Morgan Upset

The most exciting race of the day proved to be the mile run, in which Andover captain John Rogerson was upset by Jon Rogers of Exeter. After a slow first ten laps, Rogers burst into the lead, closely pursued by both Rogerson and Matt Mangan. Rogers, however, managed to maintain his advantage throughout the remainder of the race, with the two Blue runners placing second and third, respectively.

In the two-mile event, PA's Jamie Morgan also took second. Morgan led throughout most of the race, but his Exeter opponent, who had gotten off to a slow start, picked up the pace with less than a mile to go to forge a lead which he never relinquished. Andover's remaining points came as a result of an Al Maddox second-place finish in the 600, with a fine time of 1:17, and Murray's third in the 45-yard high hurdles. This latter achievement broke a scoring drought for the Blue, as Exeter had opened the meet with sweeps in both the pole vault and the shot put, as well as copping both first and second place in the hurdles.

Chelmsford Topples PA Wrestling, 35-17

Saturday, January 13; Andover—In its first meet of the season, the varsity wrestling team fell to a strong squad from Chelmsford High, 35-17. The Blue could manage no pins during the match, as Chelmsford built up an early lead and coasted to the victory.

Carter Records First Blue Victory

The Blue lightweights proved extremely vulnerable, enabling the opposition to mount a 15-5 lead after just five bouts. Upper Howard Carter, wrestling in the 117 lb. weight class, proved to be the most impressive PA wrestler, as he downed his opponent, 9-0. Besides Carter, only lower George Letsou, at 110 lbs., could manage any

points for the Blue lightweights, settling for a draw.

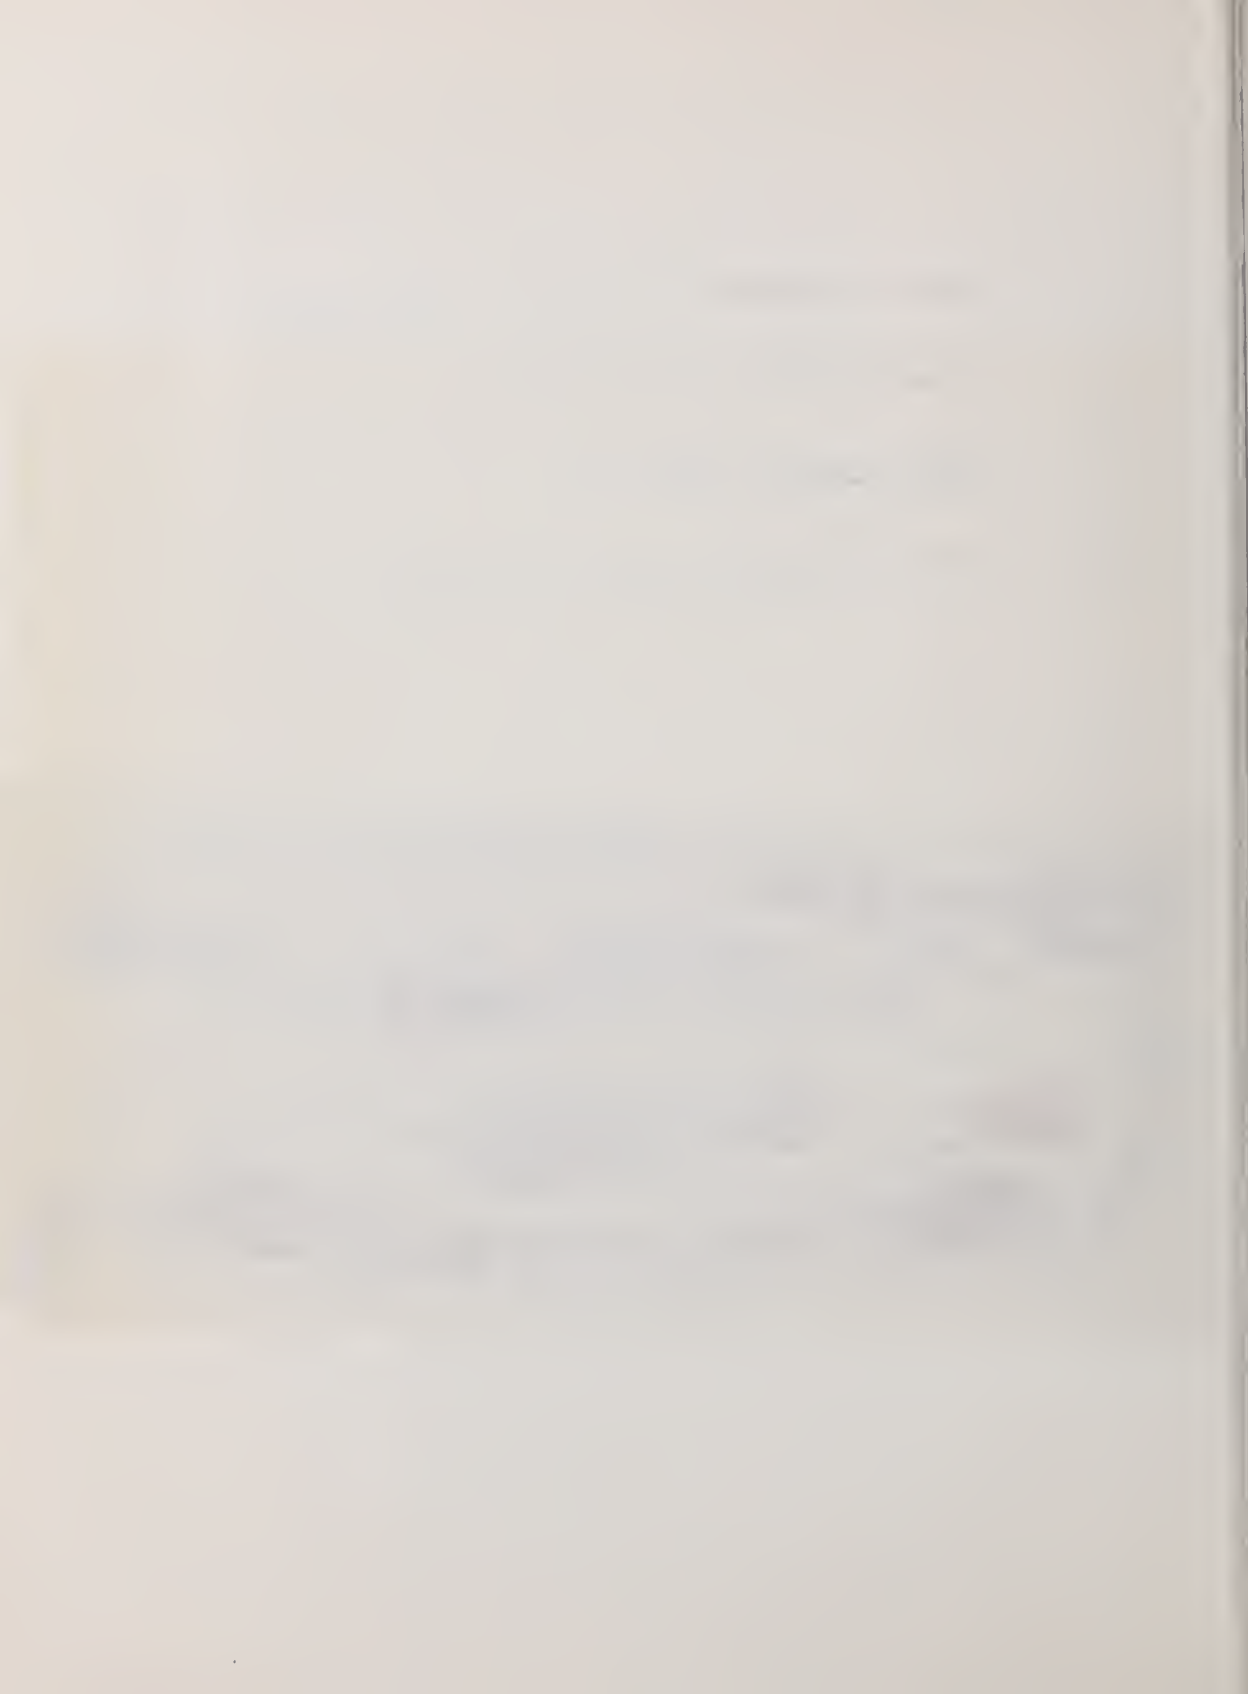

The Andover middleweights were also a big disappointment, as they won just one of four matches. Captain Craig Reynolds was responsible for the triumph, as he demolished his opposition, 12-0, just missing the pin on at least two different occasions. Both Fred Burdick, a postgrad who was the captain of his high school squad last year, and Jeff McAnallen lost, however, while Tom Sommerfield, a three-year letterman, was pinned in the first period.

Heavyweights Fare Well

In the heavyweight classes, the Blue fared reasonably well, totaling eight

points. By this time, however, the match had already been lost, as the Blue trailed by eighteen points entering the final four bouts. Travis Bissett stretched his regular season undefeated streak to nine, as he captured a 6-4 decision. Steve Pinchuk, wrestling in the 177 lb. weight class, drew his match, while Paul McGarry, at 187 lbs., picked up PA's final points of the night with a 6-2 decision.

Wrestling in the unlimited weight class, Stu Shofner was pinned, as Andover's losing streak stretched to five matches going back to last year.

DATE OF CONTEST: SATURDAY JANUARY 20

RESULT: Andover 45 : Worcester 9

Wrestling Downs Worcester

Saturday, January 20; Worcester, Mass.—Wrestling against an undermanned Worcester Academy squad, the varsity wrestling team notched its first victory of the season by a score of 45-9. Worcester was forced to forfeit in four weight classes, which enabled the Blue to pick up a staggering total of 24 uncontested points.

Captain Craig Reynolds is undefeated thus far for PA.

Husson Pins Foe

After Worcester forfeited in the 110 lb. weight class, senior Mike Husson, wrestling at 115 lbs., pinned his opponent at the 1:37 juncture of the first period. Tom Efinger then added three more team points as he outpointed his opposition. Although the other lightweight, Ron Lacey, was beaten, the Blue still held a commanding lead of 15-3.

The middleweights, led by captain Craig Reynolds, routed three out of their four opponents. Reynolds, wrestling in the 152 lbs. weight class, pinned his adversary after 1:09 of the second period. In a match which saw both contestants register two takedowns in the opening period, postgrad Fred Berdick came out the victor by the slim margin of 8-6. Senior Tom Sommerfield also defeated his opponent, 8-3. Upper Jeff McAnallen was the only middleweight to be beaten, and after the first eight matches, the Blue led, 27-6.

Three Heavyweight Classes Forfeited

In the heavyweight division, Dick Welch, Travis Bisset, and Paul McGarry were all given the day off, as Worcester could only offer opposition in the unlimited weight category. In that category, upper Stu Shofner lost to his opposition by a 9-2 decision.

The Blue victory snapped a string of five straight losses and evened PA's record at 1-1.

Andover 51 : Williston 3

Wrestling Cops Tri-Meet, Falls To GDA

Saturday, January 27; Williston, Mass.—Wrestling in a tri-meet against Wilbraham and Williston Academies, the varsity wrestling team trounced both its opponents by convincing scores of 31-15 and 51-3. Out of twenty-four matches, the Blue chalked up an amazing total of nineteen victories.

Reynolds Pins Twice

Captain Craig Reynolds had the most impressive day, pinning both of his adversaries easily. Reynolds pinned his Wilbraham opponent at the 1:55 mark of the opening period before demolishing his Williston opponent at the astounding time of 0:29 in the first period. Other Andover pins were recorded by Dick Welch, Stu Shofner, Ron Lacey and Tom Efinger. In his other match, Efinger came from behind to notch a staggering total of eight points in the final period to topple his adversary 10-9. Upper Paul McGarry dominated his opponents with victories of 13-5 and 9-2. Although senior Travis Bisset faced tough opposition in both his matches, he managed to win them both by identical 5-3 scores. Wrestling at 145 lbs., postgrad Fred Berdick was victorious against both his foes by scores of 14-4 and 6-4. Dick Welch won his second match, by decisioning his Williston opponent, 12-7.

Williston Forfeits Twice

In the 133 lb. and 138 lb. weight categories, Williston forfeited to both Jeff McAnaleen and Tom Sommerfield, giving each of them two wins on the day as they had outpointed their Wilbraham opponents as well. Ron Lacey, Stu Shofner, and Mike Husson all lost to their Wilbraham opponents, while Howard Carter was the only team member to loose both of his matches. The double victory upped the team's record to 3-2.

Wednesday, January 24; Andover—Despite registering two pins, the varsity wrestling team lost to Governor Dummer Academy, 23-22. The single point difference came about on an unusual call. Having finished wrestling, captain Craig Reynolds was sitting on the sidelines with his shirt top down, exposing his chest. This, being an infraction of the rules, cost the team one team point, which eventually proved to be the margin of defeat.

Carter, Pinchuk Pin Opponents

Wrestling in the 110 lb. weight category, upper Howie Carter pinned his opponent at the 1:54 mark of the final period. In the unlimited weight category, upper Steve Pinchuk downed his foe after 1:24 had elapsed in the second period. Also prevailing over their opponents, were senior Travis Bisset and upper Jeff McAnallen. Both wrestlers won by identical 6-1 scores and each added three points to the team total. Wrestling at 145 lbs., postgrad Fred Berdick recorded the only other Blue victory, as he fought his opponent to a 10-6 decision. Craig Reynolds duelled his opponent to a 2-2 tie, in the 152 lb. weight class.

Wrestlers Suffer Six Setbacks

In a close match, lightweight Ron Lacey was outpointed by his opponent 2-0. Mike Husson and Tom Efinger, wrestling at 115 lbs. and 121 lbs., were both beaten by their opposition. Tom Sommerfield suffered the only defeat in the middleweight division while Dick Welch and Paul McGarry sustained setbacks in the heavyweight category. The loss dropped with Blue's record to 1-2.

Wrestlers REcord Three Pins

Wrestling in the 110 lb. weight class, upper Howard Carter scored the first Blue victory, as he dropped his opponent at the 1:05 mark of the third period. Also pinning their opposition were senior Dick Welch and upper Paul McGarry.

Crushing his opponent by a decisive 14-0 margin and adding four points to the team total was heavyweight Travis Bissett. Wrestling at 152 lbs., captain Craig Reynolds shutout his opponent, 7-0, while in the unlimited weight category, upper Steve Pinchuk decisioned his rival, by the of 9-2. In an exciting contest, senior Mike Husson pulled out a 7-6 victory by scoring a reversal in the last ten seconds of the match.

Two Matches Drawn

In the 133lb. weight class, upper Jeff McAnallen fought his opposition to a 4-4 draw. In a match, which saw the lead change hands many times, postgrad Fred Berdick registered an escape and a takedown in the final seconds to salvage an 8-8 tie.

Wednesday, February 7 An-
dover—Trailing by 22 points after the first eight matches, the varsity wrestling team then swept the last six matches to down Tewksbury High, 33-31.

Reynolds Turns Tide

With his team losing by 22 points, captain Craig Reynolds set the Blue in gear, as he pinned his foe at the :15 mark of the middle period. After senior Travis Bissett pinned his adversary, the Blue had cut the deficit by twelve points. In the 167 lb. weight class, senior Dick Welch narrowed Tewksbury's lead to seven points, as he shutout his opposition 6-0. When upper Paul McGarry recorded a Blue pin, the Tewksbury lead was trimmed to a single point. In the final match, upper Steve Pinchuk, wrestling in the unlimited weight category, topped off

the astonishing Andover comeback with a 4-3 victory over his opponent.

Carter, Sommerfield Conquer Foes

Earlier in the match, upper Howard Carter, wrestling at 110 lbs., pinned his opponent at the 1:45 mark in the second period. Also victorious was senior Tom Sommerfield, who squeaked out a 6-4 decision over his opposition. In the middleweight division, both Ron Lacey and Fred Berdick were decisioned, while Timothy Linn, substituting for the injured Jeff McAnallen, was pinned. With the exception of Howard Carter, the lightweights fared poorly as Mike Husson, Billy Palmer and Tom Efinger were all downed by their opposition.

Tabor, Lowell Demolish Andover Varsity Wrestlers

Wednesday, February 14; Andover- Wrestling against defending state champion Lowell High School, the varsity wrestling team was beaten by the lopsided margin of 45-8. On their way to victory, the Lowell wrestlers posted a surprising total of five pins.

Bissett, Reynolds, Down Opposition

Wrestling at 162 lbs., senior Travis Bissett picked up a 5-2 decision over his opponent. The triumph brought Bissett's regular season undefeated streak to eight. Also keeping his undefeated streak alive was Craig Reynolds. Reynolds, wrestling at 152 lbs., registered a decisive 7-0 victory. The only other PA points were recorded by upper Steve Pinchuk as he settled for a 10-10 tie.

Wrestlers Suffer Nine Setbacks

In the lightweight classes, Lowell completely annihilated its Andover opposition. Wrestling against defending state champions were senior Mike Husson and upper Howard Carter. Husson was pinned, while Carter experienced a 14-0 defeat. Both Mark Efinger and Ron Lacey were downed by their opponents.

Also faring poorly were the Blue middleweights as only Craig Reynolds was victorious. Wrestling at 133 lbs. and 118 lbs. respectively, Tim Linn and Jeff McAnallen were both pinned by their rivals. Postgrad Fred Berdick came out on the losing end of a 5-2 decision.

Managing slightly better were the Andover heavyweights as both Travis Bissett and Steve Pinchuk picked up points. Dick Welch dropped a 5-1 decision however, while Paul McGarry was pinned.

Saturday, February 17; Andover - Dropping its second match in a row, the varsity wrestling team succumbed to a strong Tabor Academy squad, 33-18. With the match tied at twelve, the Tabor heavyweights proceeded to post three pins and turn the match into a runaway Tabor victory.

Husson, McGarry Post Pins

Wrestling in the 115 lb. weight class, senior Mike Husson recorded the first Blue win as he pinned his man at the 1:25 mark in the opening period. Heavyweight Paul McGarry downed his opponent after 0:22 had elapsed in the third period. In the 127 lb. weight class, senior Ron Lacey squeaked out a 2-1 decision. With Tom Sommerfield out for the season, Craig Reynolds was forced to move down to the 145 lb. weight class, where he outscored his adversary, 9-3.

Tabor Records Eight Wins

Suffering his first setback of the season, senior Travis Bissett was decisioned by his rival, a defending state champion, 5-2. Facing a strong opponent, upper Howard Carter came out on the short end of an 8-3 decision. Middleweights Jeff McAnallen and Fred Berdick were both outscored by their opposition. Wrestling in the 121 lb. weight class, upper Mark Efinger was swamped by his opponent, 11-2, while senior Mike Husson was pinned. Wrestling for the first time this year at the varsity level, upper Phil Elias was dropped by his foe at the 1:21 mark in the middle period. In the heavyweight classification, both Dick Welch and Steve Pinchuk were pinned.

The loss to Tabor, combined with the team's earlier loss to Lowell, dropped the Blue's record to 5-4.

Wrestlers Cop Third; Reynolds Wins For PA

Saturday, February 24; Marion, Mass.— Taking two individual firsts, the varsity wrestling team unofficially copped the third team place in the nine team Interscholastic competition. Due to a lack of organization at the scorer's table, there were many disparities in the point totals, and as a result, the official tally will not be available until later this week. The unofficial point totals place the host team, Tabor Academy, in first place with upwards of 100 points followed by Governor Dummer's 78 points and Andover's 76 points.

McGarry, Reynolds, Win Individual Honors

Thoroughly demolishing his three opponents, Upper Paul McGarry became Interschol champ in the 177 lb. weight class. In his first two matches McGarry posted opening period pins, while in the championship match, he avenged a regular season loss to his Governor Dummer opposition with a second period pin. Seeded first in the 152 lb. weight classification, Craig Reynolds recorded two pins and a decision on his march to an Interschol championship.

Eleven Blue Wrestlers Finish in Top Six

Wrestling at 145 lbs., postgrad Fred Berdick advanced to the finals with a 5-2 decision and a second round pin, only to fall in the Finals to his Governor Dummer rival. In the 167 lb. weight category, senior Dick Welch, after downing his Exeter opponent, lost a tough 6-5 decision in the semifinals and then won his consolation match to place third overall.

Upper Howard Carter, wrestling in the 110 lb. weight category, took fourth place with an 8-7 decision in the quarterfinals, followed by a 4-3 defeat, at the hands of his Exeter opposition. Also copping fourth place prizes were seniors Mike Husson and Travis Bissett. Husson, wrestling at 115 lbs., dropped his Mt. Hermon foe in the first period of his opening match. Although hampered by a shoulder injury, Bissett still managed to post a fall in his first match. Both wrestlers, however, lost their last two matches.

After losing his beginning match, unlimited weight wrestler Steve Pinchuk won his last two matches to take home fifth place. Placing sixth in their respective weight classes were Mark Efinger, Ron Lacey, and Jeff McAnallen.

PEA Grapplers Upset Andover; Reynolds Ends Year Undefeated

Saturday, March 3; Andover—— Dropping its final match of the season, the varsity wrestling team fell to a surprisingly strong Exeter varsity, 32—26. After PEA had amassed a 26—2 lead, the Blue wrestlers gamely fought back to close the gap. Their effort, however, was to no avail as it fell six points short.

Wrestlers Register Four Pins

Notching the first Andover victory was Craig Reynolds, who wrestled in the 152 lb. weight class. Reynolds, who had checked out of the infirmary the morning of the match, pinned his man at the 1:35 mark of the opening period. Wrestling at 167 lbs., senior Dick Welch posted a fall after 1:03 had elapsed in the second period. Closing the season with four straight pins, upper Paul McGarry dropped his rival at the 1:41 mark of the middle period. In the unlimited weight category upper Steve Pinchuk chalked up the final Blue triumph with a second round pin. Picking up two points was postgrad Fred Berdick as he battled his Exeter foe to a 2—2 draw.

Red Lightweights Sweep Blue

In the 110 lb. weight class, Exeter's Jim Buttrey toppled Howard Carter, by a score of 11—2. Wrestling at 115 lbs., senior Mike Husson suffered a setback at the hands of his PEA opponent. In a well wrestled match, Ron Lacey came out on the losing end of a 7—4 decision. At one stage in the contest, Lacey held a 4—1 lead. In the final period, however, his Exeter opposition tied the score and then in the last thirty seconds he registered a near fall to pull out the victory. In the 127 lb. weight category, upper Mark Efinger was routed by a strong rival, 12—3. Upper Jeff McAnallen was dropped by his Red opponent in the third round of his match. Substituting for the injured Travis Bissett, JV wrestler Scott McKusick did a comendable job until he endured a third period pin. Wrestling at 145 lbs., upper Phil Elias suffered an opening round fall.

PA Finishes At .500

The defeat ended a season that had started out to be a promising one on a disappointing note. After dropping two of its first three matches, the team swept its next four to push its record to 5—2. Successive victories were posted over Williston, Wilbraham, Mt. Hermon, and Tewksbury. Two defeats, however, at the hands of powerful Lowell High and Tabor Academy, stopped the Blue surge. The loss to Exeter set PA's final regular season record at 5—5.

Andover Winter Teams Select Captains

During the past week, several of the winter sports team elected their captains for next year. Unlike many of the elections of one year ago, there were no surprises this year, as in each case the likely candidate was chosen.

Robinson, Koch Chosen

Willie Robinson, a starting guard on this year's basketball team, will lead the PA squad next season. Robinson, who was critical in the development of a running game, was third for the Blue, while he was also a defensive standout for the Andover.

The Blue hockey team will be led next year by this season's first line center, Randy Koch, who finished second on the team in scoring with 26 goals and 27 assists.

Paul McGarry, an upper prep who wrestled in the 177 lb. weight class this season, will lead the Blue

grapplers next year. McGarry was the class A champion at this year's Interschols, and he finished the year with a fine record of 8-2.

Greeff to Lead Ski Team

The Andover ski team will be captained next season by Doug Greeff, a member of the team for the past

three years. Greeff is one of the team's best Alpine skiers and is a potentially strong cross-country runner.

Alex Stille and Dave Doyle have been named co-captains of the 1973-1974 squash team. The abilities of Stille, who played part of the year in the varsity's number 7 position, and the prowess of Doyle will hopefully enable Andover to equal its excellent record of past seasons.

Randy Carroll, who shot excellently for Andover in the number two spot on the rifle team, will captain the squad next season. Carroll's excellent marksmanship was one of the factors responsible for the two victories achieved by Andover this season.

While the swimming team has not yet selected its captain, Lee Murray was chosen yesterday as next year's track captain. Murray has consistently paced the Blue in scoring, as he excelled in the 45-yard hurdles, the long jump, and the high jump.

Paul McGarry will captain next year's wrestling team.

Takvorian, Carroll To Lead Baseball In Rebuilding Year

Despite having only two returning letterman, the varsity baseball team is looking forward to an excellent season. Unlike the squads of prior years, this team is loaded with an abundance of ballplayers developed in the PA system, as Bob Carroll and Joe Coner are its only post-graduates

Takvorian Anchors Infield

Entering his third varsity season, captain Mike Takvorian will handle the duties at shortstop. Up from junior baseball, lower Paul McNicol has the third baseman's job, while Keith Weideman will play second base. Converted second baseman Jorge Sanchez appears set at first. Behind the plate, strong-armed Bob Carroll has the first string job, while senior Don DuBain is a more than adequate back-up catcher.

Zech Set In Center

The outfield remains a question mark, as only centerfield seems set. In that position, upper Bill Zech, a superb fielder and owner of a fine throwing arm, will start. Battling it out in left are seniors Joe Coner and Larry Gaynor, while in rightfield

returning letterman Bob Wheeler and upper Luther Wells are contesting for the final outfield slot.

Bauman Leads Pitching Staff

As usual, pitching will be the key to success or failure for the ballclub in the upcoming season. The inexperienced staff will be headed by upper Dave Bauman, who threw well in his outing against Everett High in the Blue's first scrimmage. Dan Dilorati and Steve Kowal will hopefully progress to the point where they can be labeled as starting hurlers behind Bauman. Former J.V. player Steve Brody and upper Mike Murphy will also be used quite often during the season.

Batting in the second spot in the order, Keith Weideman has hit the ball well in the exhibitions. In the third slot, Mike Takvorian possesses a potent bat, while the fourth hitter, Bob Carroll, has already hit some monumental shots in Andover's two scrimmages. Bill Zech has also shown potential in the batter's box.

Although the team probably will be unable to improve on its 10-2 record of a year ago, the season's outlook is optimistic.

Browne & Nichols Stuns Varsity Baseball, 10-4. Poor Fielding Plaques PA In 12-5 Loss To Yale

Wednesday, April 11; Andover—Despite a fine performance by first baseman Jorge Sanchez, who figured in three of the four Andover runs, the varsity baseball team dropped its season opener to a strong Browne & Nichols squad, 10-4.

first two innings, but ran into problems in the third. Browne & Nichols capitalized on costly walks and back-to-back wind blown doubles to get on the scoreboard early. Bauman finished the inning but was forced to leave with two out in the fourth, charged with four earned runs in his 3 2/3 inning stint.

PA Rallies in Fourth

The Blue roared back in the fourth, as captain Mike Takvorian led off with a sharp single. After catcher Bob Carroll llied to left, singles by Bill Zech and Jorge Sanchez sandwiched around a walk to Joe Coner produced two runs with Sanchez collecting the RBI's. Third baseman Paul McNicol reached on an error while Coner raced home with the third run. Reliever Dan Dilorati singled home the Blue's final run of the day.

Browne & Nichols continued their torrid hitting throughout the contest, raking reliever Dilorati for six runs, including two wind-aided home runs.

Saturday, April 14, Andover—Plagued by poor fielding, the varsity baseball team succumbed to a strong Yale freshmen squad, 12-5. In the field, PA committed six errors, which resulted in five unearned runs for the opposition.

Carroll, Zech Open Blue Scoring

With his team trailing by a 1-0 score, captain Mike Takvorian received a one out, fourth inning, base on balls. After Bob Carroll reached on a fielder's choice, and Bill Zech walked, upper Jorge Sanchez lined a sharp single to drive in the first Andover run, while on the same play, Zech scored on a throwing error by Yale. Third baseman Paul McNicol hit a ground ball that forced Sanchez at second to end the rally.

The Blue tallied its final three runs in the bottom half of the seventh inning. With one down, Larry Gaynor, Joe Coner and Keith Weideman filled the bases on the strength of three straight walks. While grounding out to the third baseman, Mike Takvorian drove in Gaynor for the third PA tally. Posting his second hit of the day, Bob Carroll knokwed in Coner with a solid shot into leftfield. After Weideman scored on a Yale miscue, Zech fanned to record the last out.

Yale Records Eleven Hits

Lasting only four innings, upper pitcher Dave Bauman was touched for seven earned runs and two unearned runs. Yale grabbed a quick 4-0 lead in the first inning, as Bauman gave up three hits and a base on balls. Increasing its margin to seven, Yale struck again in the third for three more runs.

On a brighter note, Mike Takvorian hurled five innings of four-hit ball. His excellent pitching debut however, was marred by the fact that Yale registered three unearned runs.

PA Record Stands At 0-2

The loss to Yale, coupled with the earlier defeat to Browne & Nichols dropped the squad's record to 0-2. With games remaining against the perennially strong Harvard freshmen squad, as well as the Tufts and Dartmouth freshmen teams, it appears that this year's squad will be unable to equal last spring's excellent 10-2 record.

Baseball Falls To Lowell For Third Loss Of Year

Wednesday, April 18; Andover—The varsity baseball team suffered its third consecutive loss at the hands of a surprisingly strong Lowell High School squad, 3-0. Allowing the Blue only three hits, the Lowell pitcher proved to be very effective, as he held Andover at bay throughout the game.

Lowell Scores In First

With two out in the first inning and a runner on second, Lowell's cleanup batter drove in the first run with his first of three hits for the afternoon. While Lowell went on to score two more runs, it was later discovered that this original tally was all that Lowell needed to upend the hapless Blue squad.

Faring better than in his prior outings, pitcher Dave Bauman went the distance, while giving up only two earned runs. Bill Zech, captain Mike Takvorian, and Paul McNicol proved to be the only successful Blue batters, as each recorded one hit.

Varsity Baseball Routs Tufts Freshmen

Saturday, April 21; Medford, Mass.—The outstanding play of captain Mike Takvorian, who drove in two runs and turned in an excellent mound performance, sparked the varsity baseball team to a decisive 10-2 victory over Tufts. In the victory, PA's initial triumph of the season, Takvorian pitched the full nine innings, giving up only two unearned runs, while striking out nine batters and walking only three.

PA Opens Scoring

The Blue took advantage of several early Tufts miscues to take a commanding 6-0 lead after four innings of play. In the top of the first, after third baseman Paul McNicol had grounded to the pitcher, right fielder Luther Wells walked and went to third after a passed ball and a wild pitch. On the next pitch Wells raced home, as the Tufts center fielder misplayed Takvorian's drive.

In the Andover second, left fielder Craig Brickley stroked a lead off single and later scored from third on an error by the third baseman. The Blue came up with three additional runs in the third, highlighted by a two-run single by first-baseman Jorge Sanchez. The team continued their timely hitting in the fourth, with McNicol drawing a lead off walk and later scoring on a sacrifice fly by Takvorian.

Explosive Sixth Inning

After McNicol struck out to lead off the sixth, the Blue displayed their most awesome hitting of the season, getting four consecutive singles from Takvorian, Sanchez, Bob Carroll, and Dan DiLorati. From this outburst, the Blue was able to come up with four runs, thus establishing an insurmountable 10-1 lead.

Takvorians Shutout Bid Spoiled

Tufts spoiled an otherwise perfect day by touching

Takvorian for two unearned runs in the fifth and sixth innings, due to two costly Andover errors. After a shaky seventh inning, which saw Tufts strand three men on base, Takvorian came back to retire the sides in both the eighth and ninth innings, adding an appropriate finish to a superlative five-hit effort.

While the strategy involved in pitching Takvorian was effective, four Blue pitchers have still seen little or no action this season, while languishing on the bench. With the hectic portion of the season still to come, these hurlers must get some game experience in order to perform well if and when called upon.

Captain Mike Takvorian excelled both offensively and defensively as he led PA to a 10-2 victory over Tufts.

Four-Run Inning Carries Crimson To 5-0 Victory

Wednesday, April 25; Cambridge, Mass. — Facing an overpowering Harvard freshmen squad, the varsity baseball team dropped its fourth game of the year by a 5-0 margin. The Blue batsmen could manage only four hits for the afternoon, as they were held in check by the Crimson's strong pitching.

Harvard Scores In Second Inning

After retiring the side in order in the first inning, pitcher Dave Bauman was tagged for four runs, only one of which was earned, in the second inning. With one out and a runner on second base, Bauman hit a batter. Harvard then posted a single and a triple to knock in its first three runs. The next batter singled, to give the Crimson a 4-0 lead.

Harvard scored the game's final run in the next inning. With two men out, first baseman Jorge Sanchez committed a costly error that enabled the hitter to reach base. Capitalizing on the miscue, the Crimson's next batter rapped a single to drive in the unearned run.

Bauman Settles Down In Fourth

Recovering from a shaky start, Bauman showed excellent poise, as he limited the awesome Harvard offense to only two hits from the fourth inning on. Bauman forced the Crimson to leave runners on base in both the fifth and sixth innings.

Recording the first Blue hit was caught Don Dubain, who reached a two out single in the fifth. In the sixth frame, centerfielder Bill

Dave Bauman allowed only one earned run against the Harvard frosh.

after going to first on a single, stole second base. He was then stranded however, as both Takvorian and Sanchez were unable to drive him home. The final PA hits were posted by Bauman and Takvorian. Bauman singled in the eighth, while Takvorian opened the ninth with the final Andover hit.

Loss Drops Record To 1-4

The defeat, the teams' fourth in five games, must certainly be looked at as lessening the Blue's hopes for a successful season.

Dartmouth Freshmen Topple Varsity Baseball Squad, 6-1

Wednesday, May 2; Andover — Troubled again by poor fielding, the varsity baseball team fell to a solid Dartmouth freshmen squad by a 6-1 margin. Capitalizing on two costly PA errors, Dartmouth tallied four unearned runs.

Dartmouth Scores Twice In First

With two on and none out in the top half of the first, Dartmouth's third batter reached on an error by third baseman Paul McNicol. The miscue was followed by two force outs at second that drove in Dartmouth's first two runs. The Green posted its third run two innings later on a walk and two base hits. In the sixth frame

the freshmen recorded two unearned runs, followed by their final tally in the top of the seventh.

Weidenman Knocks In Lone Run

Leading off in the bottom of the second inning, first baseman Jorge Sanchez and leftfielder Bob Carroll received two walks to place runners on first and second. After Luther Wells forced Carroll at second, senior Keith Weidenman drove in Sanchez from third as he grounded into a force play at second. The only other Andover threat came in the sixth. After Bil Zech reached on a base on ball and Mike Takvorian singled, PA's next three batters were retired easily to end the potential rally.

Worcester Academy Hands Baseball Third Straight Loss

Saturday, May 5; Andover —

Dropping its sixth game of the year, the varsity baseball team lost to Worcester Academy, 5-2. Four errors in the field and bad running on the base paths paved the way for PA's downfall.

Gonzalez Scores in Fourth

With his team trailing by a 1-0 margin, upper Eduardo Gonzalez opened up the fourth inning with a base on balls. After first baseman Jorge Sanchez sacrificed him to second and Bob Carroll grounded out to first, second baseman Keith Weidenman knocked in Gonzalez with his first hit of the day. Lower third baseman Paul McNicol kept the

rally alive by singling Weidenman to third. In attempting to execute a double steal, McNicol was thrown out trying to go to second base.

In the eighth inning Andover tallied its final run of the ball game. With one down, lower Dan Dilorati, pinch hitting for Carroll, reached first on an error by Worcester's shortstop. Posting his second hit of the afternoon, Keith Weidenman singled, putting Dilorati in scoring position. After McNicol flied deep to centerfield, senior Joe Coner reached on an error than sent Dilorati home.

Worcester Opens Scoring

After pitcher Dave Bauman retired the leadoff batter in the second inning, Worcester's next hitter reached first on an error. A stolen base and a second Andover miscue provided Worcester with the first run of the ball game. Worcester took a 2-1 advantage in the fourth on two walks, a single and an error. In the seventh frame, Worcester scored its third and fourth runs off relief pitcher Mike Takvorian, as it capitalized on a double, a single, and a base on balls. In the eighth, Takvorian allowed the final run on an error and a base hit.

Record Sinks To 1-6

The disappointing loss to Worcester, coupled with the squad's earlier setback against Dartmouth has caused the baseball team's record to drop to 1-6. Costly errors have hurt the club on a number of occasions. The team, however, does appear to be strong in the pitching department. Both Mike Takvorian and Dave Bauman have fared well as of late, but they have lacked adequate back-up support in the field and especially at the plate.

Deerfield Edges Baseball In First Of Two Games; Curfew Halts Night Contest

by Richard Kimball

Saturday, May 19; Deerfield—Playing a doubleheader against Deerfield Academy, the varsity baseball team dropped the opening game, 1-0, and tied the second 1-1. The first game was a marathon ten-inning affair, which saw Deerfield cop the victory with an unearned run in

three of the batters he faced.

Takvorian Posts Three Hits

Takvorian provided Andover with three of its seven hits. Takvorian opened up the fourth inning of the first game with a solid double. After stealing third base, he was unable to advance as Jorge Sanchez, Bob Carroll, and Dan Dilorati were set down easily. Leading off the ninth, Takvorian singled, only to be forced at second by Sanchez. While pinch-running for Sanchez, Luther Wells, after stealing second, could not advance any further as the Deerfield pitcher retired PA's next two batsmen. In the second inning, Carroll led off with a single. Dilorati and Keith Weidenman sacrificed him to third, but Paul McNicol fanned to end the threat.

Bauman, Takvorian Hurl In Opener

Pitching five innings, starter Dave Bauman struck out seven batters and gave up only two hits. Bauman had runners on in the second, fourth, and fifth innings, yet he managed to pitch his way out of the jams without allowing a run. Although plagued by an injured hip, Mike Takvorian pitched well as he gave up only two hits and one run in his five-inning stint. Deerfield scored the winning run in the tenth on a base hit followed by an error and a run scoring single.

Bill Zech scored baseball's only run against Deerfield.

Third Baseman McNicol Excels; Takvorian Preserves Triumph

Saturday, May 26; Andover—Playing its best game of the season, the varsity baseball team downed Exeter Academy by a score of 5-2. The Red team watched a 1-0 lead vanish in the seventh inning, as Andover rallied to score four runs to put the game out of reach.

Bauman Posts Victory

Hurling a four-hitter, upper Dave Bauman worked eight and one third innings, while reliever Mike Takvorian came on to save the win for Bauman by retiring the last two batters.

In the field, Andover played its best game of the season, as the team committed only one error. The defensive work of third baseman Paul McNicol was particularly instrumental in the Blue victory.

Four-Run Seventh Instrumental

With his team trailing 1-0, upper Jorge Sanchez led off the top of the seventh inning with a base on balls. A single by centerfielder Bill Zech, followed by a walk to rightfielder Dan Dilorati, loaded the bases. Lower Paul McNicol and upper Dave Bauman, with a single and a sacrifice, respectively, drove in three runs. Second baseman Keith Weidenman's single sent across Andover's final run, giving the Blue a 4-1 lead. The rally ended, however, when Weidenman was thrown out trying to score on a base hit by Mike Takvorian.

Carroll Scores Final Run

Leading off the eighth inning, senior Bob Carroll reached first on a base hit. Upper Jorge Sanchez then singled Carroll to third and stole second to place two runners in scoring position. After Bill Zech fanned, Dan Dilorati layed down a bunt that squeezed Carroll across home plate. Paul McNicol and Dave Bauman were then retired to end the inning.

Dave Bauman pitched PA to its second and third victories of the season.

Andover Crew Upsets Powerful Kent Squad; Oarsmen Break Seven - Year Losing Streak

ATHLETES OF THE WEEK

by Tom Brush

Andover's varsity crew from left to right—Cap Lesesne, John Coffee, Max Steinhardt, Dick Kauffman, Dave Wilde, Captain Bill Kerins, Rome Arnold, Charlie Orr, and Phillip Zetler.

Pellegrini Excels In Goal

Saturday, April 14; Andover—For the second time since the Andover crew program was initiated seventeen years ago, the PA oarsmen have defeated the powerful Kent School crew. Andover has experienced a succession of defeats during this time, but the latest losing streak, which had reached seven, was dramatically broken when the Blue took the lead thirty seconds into the race and held on to finish a length and a quarter ahead of Kent.

Blue Takes Early Lead

Coming off an excellent start, the two boats remained even for the first 13 strokes with Kent running at a torrid pace of 41 strokes per minute and Andover slightly lower at 40. In the next 10-15 strokes Kent took a half boat length lead.

After both crews had settled to a racing cadence of 36 strokes per minute, Andover drove to a quarter of a length lead by the first 500 yards. Kent was then destroyed in the second quarter as the Blue clocked the amazing time of 1:05. This feat was responsible for a three quarters of a length lead by the half mile flag.

Andover Maintains Lead

Andover managed to maintain this power and balance throughout the remainder of the race. The Blue moved out in the third quarter, and, despite Kent's 20 power strokes, held a commanding lead of two lengths at the start of the fourth quarter. Kent increased its stroke to 39 in a final surge, as it began to sprint early. Andover, however, responded with a gradually increased pace while it rowed through the final quarter in command of the race.

Although the PA oarsmen relinquished $\frac{3}{4}$ length in the final quarter, it still finished six seconds and one and one quarter lengths ahead of the favored Kent boat, recording a time of 4:38.4 seconds.

Seven Long Years

The seven-year span between the last Blue victory over Kent, which came in 1965, and this year's, displayed a wide range of results; there were numerous close finishes, yet there was the time when, in 1970, Andover stopped before the finish line. Kent's series of triumphs have earned the oarsmen a perennial, yet

Charlie Orr's emotions reflect those of the entire crew.

deserved, reputation, as already this spring Kent has defeated the Coast Guard Academy and lost to Yale's varsity lightweight by one second after hitting two buoys.

"This win has been a long time in coming, and it should give us the drive to make this a really great season," remarked captain Chris Thomas after the 1965 victory over Kent. The quote is still applicable today.

Boston University, UMass Defeat Crew In Tri-Meet

Saturday, April 21; Boston—An inspired Andover crew fell to the Boston University freshmen by over three lengths and to the University of Massachusetts frosh by three tenths of a second in a 2000 meter race. All three crews were plagued by a stiff port-quarter wind which caused varying conditions on the Charles River. There was some good water which Andover's opponents exploited but the Blue was unable to take advantage of it until near the end of the race.

Blue Starts Well

Andover started fairly even with the other two shells but fell behind after the initial settle of stroke. PA came back, however, before the 500 meter flag but could not sustain its drive. In the second 500 meters BU took the lead. Andover was unable to rally, as

it swung through the 1000 meter mark timed at 3:29. BU was two lengths ahead with a 3:21, while UMass, in the far lane, was even with PA.

BU Increases Lead

BU increased its advantage in the third 500 meters, rowing at an extremely low stroke but overpowering the Blue at every turn. Andover lost more ground and fell behind UMass by one second at the conclusion of 1500 meters. PA then hit some good water and made its final bid; UMass responded immediately and the two shells gunned down the final stretch. UMass pulled out second place with a finishing time of 7:18.9, while the Blue completed the 2000 meters in the time of 7:19.2. BU had already been resting for 20 seconds.

Tabor Hands Blue Oarsmen Third Defeat

Saturday, April 29, Marion Mass. — Hampered by a fatal equipment failure, Andover's first boat fell to Tabor by one length. The disorder came early in the race when Cap Lesesne's seat jammed, rendering him useless.

P.A. Starts Poorly

An incoming tide and a tailwind caused the two shells to drift over the starting line prematurely. After

backing up to return to the fogged in starting area, the commands were announced; amidst the confusion Andover got off to a poor start. Over the first quarter, the Blue gradually curtailed Tabor's initial lead. At the quarter mile flag Andover managed

to move into a slim lead. Suddenly, after about fifteen more strokes, Lesesne's seat popped off its slide. The frustrated bowman pounded the seat back into position and continued rowing.

Andover Narrows Lead

Andover again narrowed Tabor's resulting half length lead, but Lesesne's repair was only temporary.

This time the seat remained wedged with it's axles shattered. During the third quarter mile, the Blue appeared to be gaining, with only seven oarsmen. It was impossible however, to maintain this pressure and Andover

dropped from its normal racing cadence in the last quarter. In the final stretch, the two shells matched each other stroke for stroke. At the finish it was Tabor by a length with the finishing time of 4:30.1.

Blue Oarsmen Vanquish Harvard Frosh

Saturday, May 5; Andover— Andover's first boat split even this week when it downed the Harvard frosh second lightweights by a length, but was later stunned by a surprisingly strong St. Pauls crew. The victory over Harvard was especially rewarding since the same Crimson crew had easily defeated Tabor last week.

Harvard—Excellent Conditions

Starting in glassy water, Andover pulled out ahead of the Crimson early. As both shells sped under the bridge Andover lost its balance in the churning water, but it quickly recovered and drove to a length lead at the quarter-mile buoy. Andover retained this margin over the next half mile but then Harvard challenged with a series of power strokes.

Initially Harvard lurched ahead but by the twentieth stroke the Crimson was tired and rowing erratically. Andover exploited this slump and strengthened its lead to three seats of open water by the third quarter marker. In the final stretch Andover responded to Harvard's desperate sprint and crossed the finish line as the victor by a length.

St. Pauls

Unfortunately, the same performance was not repeated the following Saturday against St. Paul's. As they pulled away from the stakeboats, both crews had unusually fast starts. In the opening quarter mile the lead changed hands several times until at the quarter-mile flag Andover had the advantage by two seats.

P.A. Destroyed in Second Quarter
St. Paul's moved out in the second

quarter at a strong and striding 35 strokes per minute. Andover had failed to settle effectively and was rowing too high at a 38; consequently its strokes were quick but choppy. Because of this rushed style Andover relied on sheet power which dwindled rapidly.

Before the Blue could correct its mistake, St. Paul's had jumped to a length lead at the half mile. In the third quarter the St. Paul's coxswain made a major correction after steering too close to Andover's course. Andover gained gradually, but couldn't sustain the pace and dropped back, giving St. Paul's some open water in the middle of the fourth quarter. St. Paul's held on to this lead to cross the finish line with a time of 4:40.4 as Andover followed 8.4 seconds later.

Oarsmen Humble St. John's; Crew Extends Mark To 4-4

Wednesday, May 9, Shrewsbury, Mass.—Rowing in the rain and against a stiff headwind, the Andover varsity crew easily defeated St. John's by three lengths. The Blue moved out early and retained its lead throughout the 1500 meter race.

Andover Takes Early Lead

Andover led off the race with an extremely fast 500 meters to take a length and a half lead. With a minute gone, St. John's was still in contention, but its hopes were dissipated into a cloud of spray when its star-board oars sliced the crest of a wave.

PA Increases Lead

Out of desperation to keep up with Andover, St. John's resorted to a vastly increased pace. The Blue, however, tirelessly understroked its opposition and settled to a smooth and powerful racing cadence of 33 strokes per minute. St. John's frenzied strokes lacked the pause found in Andover's rhythm and without this rest the St. John's oarsmen tired midway through the race.

In the second 500 meters the Blue drove its lead to more than a length of open water, as St. John's again jumped its cadence up to an erratic 42

Blue Oarsmen Sink Mt. Hermon, Capture Lowell Regatta Trophy

Saturday, April 19, Mount Hermon—In its last trial before the Interschols, Andover defeated the Mount Hermon first boat by a length and three seats. The race was held on a upstream course which had been designed to allow for the strong current of the Connecticut River by covering a distance that would have comparable times to a normal 1500 meter race.

PA Takes Early Advantage

Both boats cranked the stroke up to 44 strokes per minute, as they pulled away from the stake boats. The Blue, however, won the start by three seats after giving Mount Hermon a temporary lead in the first four strokes. After the start, Andover settled slightly higher than Mount Hermon's 36 strokes per minute and simply outpowered the Hermies to jump to a length lead. During the second minute, both squads dropped thier rating to a 34. Mount Hermon benefitted from this new pace and surged to regain three seats before the Blue could respond. Andover held on and by the end of the third minute it had extended its lead to a length.

With 300 meters remaining in the race, Andover increased its racing

cadence by four strokes per minute in preparation for the sprint. Mount Hermon was unable to rally an efficient sprint and lost another two seats to trail Andover by a length and a half across the finish line.

Sunday, April 20, Lowell, Mass.—Andover's first boat split into a stacked four-man shell consisting of Bill Kerins, Max Steinhardt, Dick Kauffman, and Cap Lesesne with Ozzie Street as cox to enter the Lowell Spring Festival Regatta under the category of New England Four Oared with cox. This was a nationally sanctioned regatta; however, due to the fact that most schools had raced on the previous Saturday, only Andover, Browne and Nichols, and the Schuylkill Boat Club entered.

Andover started well and in the first 500 meters of the 1500 meter course it forged into a slim lead. The Blue exploded in a very fast and solid middle section to lead, its closest contestant, Browne and Nichols, by three lengths. Andover maintained this margin and improved on it in the last 500 meters to beat Browne and Nichols by nine seconds, or three and a half lengths, clinching the Bill Rubner Trophy.

Phillips pulls regatta upset; LTI wins challenge four

By CHARLES SCOGGINS JR.
Sun Staff

LOWELL — Syracuse University won the Albridge C. Smith III Trophy inaugural race and Phillips Academy of Andover upset defending champion Browne & Nichols for the Bill Rubner Trophy in the New England Junior Championships Race to highlight activity in the Spring Festival Regatta sponsored by Lowell Tech yesterday on the Merrimack River course.

The rowing races were held on near-ideal water, and only the rain marred the final eight of the 20 scheduled events. A light breeze made the surface slightly choppy, but created no problems on perhaps one of the best rowing courses in the world, unused for some 79 years until Lowell Tech revived competition four years ago.

Syracuse and Boston University stroked bow-to-bow down the 2,000-meter course for the Smith Trophy, awarded this year for the first time in honor of the late Albridge Smith, one of the most respected officials in rowing and an avid supporter of rowing at LTI. The New York senior four with coxswain turned back a late challenge by the BU oarsmen to win by half a length as the remainder of the seven-boat field trailed badly.

LOWELL TECH FINISHED fourth behind Worcester Tech in the event as the Terrier crew of John O'Donnell, Frank Christoph, Tom St. Jean, Terry Hammar, and cox Paul Golus came in five seconds behind Worcester in 6:39.4. Syracuse finished with a time of 6:09.4.

Browne & Nichols was the current possessor of the Rubner Trophy, but finished a poor second to Phillips Academy Junior four with coxswain over a 1500-meter course. The Andover boys covered the distance in 5:06.5 to win by nine seconds, or about 40 yards. The Schuylkill Boat Club of Manayunk, Pennsylvania, wiped out in last year's floods from Hurricane Agnes, finished a full minute behind the winners in third.

LTI won the senior challenge four with cox event over Worcester State, and a secondary crew from Tech also nabbed second in the three-boat race. John Caron, Paul Ciccone, Dennis Ruane, John McCutcheon, and cox Golus powered their way to a 7:02.3 clocking, a full length in front of the second LTI quintet of Dave Petto, Steve Hannigan, Joe Surprenant, Chris Carney, and cox Steve Watson, who posted a 7:12.2 timing. Worcester State was last in 7:16.7.

An equipment breakdown cost Tech freshmen Tom St. Jean and Frank Christoph a victory in the intermediate pair without cox event. After a poor start, the two freshmen pulled into a lead they held until the final 500 meters when a wheel beneath Christoph's seat snapped off. As a result, the strokesman's seat didn't slide properly.

"It happened just as they (Boston University) began their sprint," recalled Christoph. "I almost stopped but kept on going anyway."

"It landed in my lap," said St. Jean. "Just snapped right off."

The BU tandem then pulled away in the final meters to win by $1\frac{1}{4}$ lengths in a time of 7:27.4. Christoph and St. Jean were timed in 7:33.1, a couple of seconds ahead of a duo from the New York Athletic Club.

OLYMPIAN JIM DIETZ captured both events he entered, beating Ted Van Dusen of Riverside in the Elite 500-meter dash by $1\frac{1}{4}$ lengths in a time of 1:30.5, and then showing his talent in the Elite Singles. Dietz, from the New York A.C., stroked his scull to a 100-yard victory over John Baker of Cambridge.

Dietz flashed to victory in 6:32, while Baker was more than 27 seconds behind in 6:59.6.

The closest race of the day was in the intermediate 500-meter dash when Bob Raslavsky of BU overtook Mike Verlin of the New York A.C. in the final 100 meters to win by inches and just three-tenths of a second. Raslavsky crossed the finish line in 1:31.5 while Verlin chased him across in 1:31.8.

Gail Pierson of the Cambridge Boat Club had a share in two triumphs as she took an 11-second, 50-yard win over Sally Harvey of the Riverside B.C. in the 1000-meter women's single and then teamed up with Martha McDaniel to coast in the 1000-meter women's doubles.

In a veteran's 1000-meter race, J. J. Lynch, 40, of the New York A.C. won by 40 yards over 69-year-old Leonard Wade of Cambridge, but Wade's age handicap lowered his time to 3:39.2, giving him the verdict over Lynch's 4:04 clocking.

BOSTON UNIVERSITY took both first and second places in the intermediate four with coxswain, posting 5:04 and 5:07.2 timings as Worcester Tech was a close third in 5:09. Two LTI crews finished fifth and sixth in the eight-team race, which was completed in pouring rain.

Oarsmen Capture Third Behind Exeter, St. Paul's

Saturday, May 26; Worcester, Mass.—The Andover crew finished third, behind Exeter and St. Paul's, in a field of eleven schools at the 27th Annual New England Interscholastic Rowing Association Championships. PA defeated Kent, Mt. Hermon, and the Henley-bound Tabor crew in the final heat.

Andover broke the previous Interscholastic record, set in 1972 by Kent, of 4:39.6. Unfortunately, however, that record had been smashed four seconds earlier by Exeter and two seconds after that by St. Paul's.

In the morning qualifying heat, Andover placed a disappointing second, behind a strong Exeter crew. Even though the PA oarsmen had not gone all out, it was still a bad omen to give up the initial clash to the only team it had not yet raced during the season.

After lunch and three hours of anticipation, Andover waited in lane two, with Mt. Hermon on its starboard side and St. Paul's, Exeter, Kent, and Tabor to the port. Following a two-command start, Andover lurched from the starting dock and broke into a 42 stroke per minute cadence. There were no mistakes at the start and despite Andover's excellent outset, all six shells were within a half length of each other at the 500-meter mark. Exeter worked out a lead in the second 500 meters, followed by St. Paul's with Andover pressing from behind. Through the body of the race the Blue maintained a high racing cadence of 37 to 38 strokes per minute and was never able to settle as efficiently as it had in the morning. In the first 1000 meters the Blue compensated for its lack of rhythm with sheer power. Andover, however, could not sustain its pace and in the last 500 meters, with its reserves dwindled, PA started to fade.

Oarsmen Lose To Finish Season With 5-5 Record

Saturday, June 2; Merimack River—After placing third in last week's Interschols, Andover's first eight once again succumbed to a stronger Exeter crew.

Throughout the race, the conditions were very good and fast with sunny sky and strong tailwind. The wind and current favored Andover's lane at the start but helped Exeter around the bend in the middle of the course.

PA Starts Well

As the shells pulled away from the stakeboat, Exeter jumped to a half seat lead after three strokes. Andover, rowing two strokes under Exeter's 43 strokes per minute, held the Exies even after the first 13 strokes of the start, and then roared by to pick up half a length. Andover had

an incredibly fast first quarter mile of 59.9 and gained another quarter length in the following 20 strokes.

Suddenly, however, Exeter recovered from the initial shock and rallied to recapture a half length by the half mile flag. Seeing the Exies surging by, and knowing it could not sustain its present pace, Andover dropped the cadence in the hope that it could row longer and stronger strokes. It settled too much, however, and lost another half length during the third quarter to trail Exeter by three seats at the third quarter marker. In the final 440 yards, the Blue gradually fell behind and lost another quarter length, as Exeter displayed a sprint of 40 strokes per minute to finish 2.8 seconds ahead of Andover, with a time of 4:26.2

The varsity crew fell to Exeter in its final race of the spring.

Chase, Burke To Lead Blue Golf; Linksters Face Difficult Season

Saturday, April 14; Andover—The Andover varsity golf team will open its season on Wednesday, April 25, against the Harvard freshmen. The team is anticipating a winning season, although it feels that it will take a strong performance to equal last fall's record of 6.1-1.

Chase, Burke to Lead Team

The two top players of this season's twelve man squad will be Gus Burke and team captain Dave Chase. They will be jockeying between the number one and two positions on the team ladder, which will be set up this week. Senior Bill Gifford is also expected to be in the running for a top position along with Jack Cahill, John Hines, Mitchell Moore and Tom Mitchell. The remainder of the squad will include Chip Burke, Slaone Citron, Larry Howard, Dan Katz and Mike Aitken.

PA Expects Tough Season

Although it did play well last fall, the team is expecting a greater challenge from this spring's more demanding schedule. Among the stronger competitors are the Dartmouth and Harvard freshmen squads. The schedule is also made more challenging by the team's five away matches as opposed to only three home matches, which will be played at the Andover Country Club. One of the away matches will be played at Tabor, whose course is one of the most difficult in New England.

Blue Lacrosse Falls To Yale Freshmen

Opening the season with a disappointing loss, the Andover lacrosse team fell to a weak Yale freshmen squad, 4-3. After getting off to a slow start, the Blue controlled the ball throughout the second half, yet remained unable to penetrate the potent Yale defense.

Yale Opens Scoring

With the first goal late in the initial period, Yale took an early 1-0 lead. The score was soon tied, though, as Andover's Scott Clemson dug a ground ball out of the crease area and fired it past the Yale goaltender. After the Frosh once again had forged ahead, upper Mike Coreoran, on an excellent drive, eluded his defen-

seman and pumped a hard shot into the upper corner, tying the score at two goals apiece.

The second half witnessed a comeback by the Blue, as Andover clearly dominated the play. Tom Flanagan gave PA a 3-2 lead, its first of the game, with a screaming bounce shot early in the half. Although Andover controlled the rest of the game, the frosh surprisingly tied the score in the fourth quarter, and fired home the winning score with just over two minutes remaining in the game. The Blue had several opportunities to tie the score after the Frosh's fourth goal, but they were unable to take advantage of them.

Goalies Excel

One bright spot for Andover was

the outstanding play of goalie Mark Pellegrini. Making 14 saves, many of them pointblank, and clearing the ball with confidence, Pellegrini provided a strong backbone for an otherwise weak team. The opposition's netminder also proved outstanding, as he, too, made 14 saves.

PA Clearing Ineffective

One aspect of PA's game which needs to be improved is its clearing. Hampered by the loss of an excellent clearing defenseman, Dave Victor, who was injured early in the second quarter, the Blue made few effective clears. The vast majority of the attempts were checked by passes, which were either off-target or intercepted.

Wednesday, April 18; Andover—The Andover lacrosse team downed Newton High School, last year's New England High School Champions, 7-3. Newton was humbled by a fairly strong Blue team, whose powerful offense and domineering attitude stunned last year's champions.

PA Opens Scoring

The Blue opened the scoring early, as Scott Mead found a cutting Randy Koch, who quick-sticked the ball past a surprised Newton goaltender. Newton then tied the score at one goal apiece. Midfielder Kevin Connally, however, retaliated with his first goal of the season.

In the second quarter, Andover jumped to a 5-1 lead on goals by Paul Gordon, Scott Mead, and Mike Corcoran. After Newton went on to score two more goals, the Blue completely closed the Newton attack, while Ray Stecker and Mike Corcoran each scored for PA.

Corcoran Excels As Lacrosse Upends Tabor;

Andover Attackman Tallies Four Goals In 8-2 Victory

Saturday, April 21; Marion, Mass.—Led by the four-goal performance of upper Mike Corcoran, the Andover lacrosse team defeated Tabor Academy, last year's New England Prep-School Champions, 8-2. Everything fell together for the Blue, as it controlled the ball for a vast majority of the game, and held the potentially high-scoring midfielders of Tabor to only two goals.

With only 3:28 having elapsed in the game, Mike Corcoran drove past his defenseman in front of the goal and fired a hard shot past the opponent's goal tender.

Less than two minutes later, Corcoran rifled an

underhand shot behind the unsuspecting Tabor netminder. Scott Clemson increased the margin to 3-0, with one of his blazing bounce shots.

Tabor Threatens

The second half opened with All-American Greg Hollis of Tabor taking the face-off and racing down the field to score the first Tabor goal. Hollis then cut the Blue lead to a single goal, as he deked and swerved through the PA defense to fire his powerful shot past goalie Mark Pellegrini. Andover's confidence was restored, though, as Corcoran capped his performance with two goals. Both of these goals resembled his first, as he dragged his defenseman to the front of the goal, and then blasted his shots past the Tabor goaltender.

Mead Scores Twice

Andover received insurance when tri-captain Scott Mead popped in two goals, one of which occurred during a Blue power play.

The scoring was concluded late in the fourth quarter, as Bill Brown took a pass from Bill Boeschstein and bounced the ball past the Tabor goalie.

The Blue, in its best exhibition all year, was very pleased with its performance. Tabor, which defeated Exeter, 14-4 was not to be taken lightly, as it had many returners from last year's championship team. Andover merely out-shot, out-cleared, and generally out played the strong Tabor team, as PA recorded its second consecutive triumph.

Although PA was plagued with numerous penalties throughout the contest, Brookline was unable to take advantage of the numerous extra-man situations.

Mead Opens Scoring

Scott Mead led off the scoring with less than one minute gone in the game, as he evasively eluded his defenseman, and came around the left side of the goal to score. Moments later he performed the same feat, this time aided by a feed from Randy Koch. Mike Corcoran increased the margin to 3-0, as he picked up a loose ball and blasted it behind the befuddled netminder. Brookline managed to squeeze in a goal before the end of

the quarter, making the score 3-1.

Lewis Scores

The next goal was scored in the second period by upper Bill Lewis, on a hard bouncer from the restraining line. Less than one minute later, Randy Koch drove the ball past the surprised Brookline goalie, to give PA an unsurmountable 5-1 half-time lead.

The second half opened with sloppy lacrosse, as Scott Mead raised the score to 6-1 on an unassisted goal. Upper Steve Gleason then slid by his defender and took a shot that evaded the goaltender for his first score of the season. The Blue attack was unable to come up with any more goals, although it did control the ball throughout the remainder of the contest. The game wound up with Brookline firing a hard shot past the Andover goalie, to make the final score 7-2.

Varsity Lacrosse Embarrasses Deerfield, 12-3

Eight-Goal First Half Propels PA To Fourth Consecutive Triumph

Saturday, April 28; Andover, Mass. -Led by the five-point effort of attackman Scott Mead, the Andover lacrosse team defeated a hapless Deerfield Academy squad, 12-3. Mead, who had four goals and one assist, started the team rolling after a first period of relatively poor lacrosse.

Clemson Scores

With 5:09 gone in the first period, Scott Clemson, on an excellent individual effort, raced the length of the field, and unloaded a hard shot which slid through the muddy crease and past the stunned Green netminder. Two minutes later, Mead capitalized on a pass from Kevin Connally, as he fired a blazing shot past the feeble Deerfield goalie.

Mike Corcoran led off the productive second period by picking up a loose ball, which he fired past the unsuspecting goaltender. Ray Stecker followed Corcoran's example, pumping two shots into the net, one of which was on a fast break pass from Randy Koch, while the other occurred as Stecker drove past his slower opponent for an open shot or goal. Mead then took over for the rest of the second period, as the incompetent Deerfield defense proved to be no challenge for the agile attackman.

Blue Increases Lead

The third quarter opened with Scott Clemson quick-sticking a pass from Mead into an unprotected net, to make the score 9-0. With 5:50 remaining in the third period, the Blue continued its scoring spree, as Chris Killingstad took a shot from the restraining line which evaded the Green goalie. Steve Gleason then followed by spinning around his defenseman and scoring PA's tenth goal of the game. Finally, Deerfield scored on the Blue goalie, Chris Shaw, with a blazing point-blank shot. Andover rebounded, however, with Steve Rooney quick-sticking the ball into the net on a pass from Gordon Nelson, the finish the scoring for Andover. Deerfield went on to score two more goals, yet this last minute effort had little effect on the game's result.

Record Stands at 4-1

With wins over Deerfield and Brookline High, the Blue remains undefeated since its loss to Yale in the season opener. The Blue, however, still has difficult games remaining as it has yet to face Dartmouth and a strong Mount Hermon squad.

Lacrosse Upsets Harvard Frosh

Wednesday, May 2, Andover, Mass.—The Andover varsity lacrosse team defeated a strong Harvard freshman squad today, in an exciting game which extended into two overtime periods. The score was tied with seven seconds left in regulation time, and finally PA moved ahead, 7-6, with 1:08 gone in the second overtime period. After the score, Harvard was unable to penetrate the stalwart Blue defense.

Mead Puts Blue Ahead

With the score deadlocked at 6-6, and 3:52 left in the second overtime period, Scott Mead carried the ball around the left side of the net, and fired a short bounce shot behind the Harvard goalie. From then on in, Harvard was unable to score again, as the defense held off a potent attack from the Kevin McCall (PA '72) and his adversaries.

Clemson Ties Score

With Harvard leading, 6-5, and 10 seconds remaining in the game, Andover thought that all was lost. Then, Scott Clemson turned the tide as he scooped up the ball, which had just been checked out of his stick, and blasted it into the net, which was guarded by Bruce Poliquin (PA '72).

Stecker Opens Scoring

Ray Stecker opened the scoring on an excellent feed from Scott Mead. Harvard then came up with four goals, making the score 4-1. To close the half, Mike Corcoran broke past his defender to score an unassisted goal.

Andover started the scoring in the second half, with an excellent shot by mid-fielder Craig Reynolds, for his

first goal of the year. Andover's hopes were soon dampened, though, as the frosh fired another shot past goaltender Mark Pellegrini. With Harvard leading 5-3, Scott Mead surprised the Crimson with a bounce shot taken from the front of the goals.

Steve Gleason then tied the score on an unassisted goal. Harvard then retaliated with a go-ahead goal. This set the stage for Clemson's and Mead's dramatics.

Defense Plays Well

Harvard, throughout the contest, was hindered by many penalties, as they allowed the Blue 18 man-up situations. Their strong attack was also suppressed by defensemen Al Senior, Dave Victor, Dave Swanson, Walter Granruth, and Karl Harig. This feat held the game very close throughout the match, as shown by the score and the amount of shots—34 for the Blue, and 31 for Harvard.

Winchester High Succumbs To PA Lacrosse, 11-2

Wednesday, May 9; Andover, Mass.—Sparked by the three-point efforts of Scott Mead, Ray Stecker, and Randy Koch, the Andover lacrosse team defeated a weak Winchester High School squad, 11-2. This victory increases PA's winning streak to six games.

Andover Dominates Play

The game opened with Andover clearly dominating, as the Winchester attack was unable to penetrate the stalwart Blue defense. PA's attack also exploited its weaker opponents by scoring four goals in the first period.

The first goal came off the stick of Scott Mead, as he circled around the left side of the net and bounced a shot past the incompetent goaltender. Twenty-nine seconds later, Mike Corcoran upped the margin to 2-0. Scott Clemson then repeated Mead's feat, with Randy Koch recording the assist. The period closed with Mead again racing through the Winchester defense and scoring from the front of the crease.

To open the second quarter, Ray Stecker positioned himself in front of the crease to quick-stick an accurate pass from Scott Clemson past the goalie. Mead then tallied his third goal of the game after taking a pass from Stecker.

Blue Rolls to Victory

The third period resembled the first quarter, as Andover again came up with four goals. Yet, after Mark Pellegrini left the PA goal, Winchester managed to score two goals against his replacement, Chris Shaw. The Blue goals were scored by upper Steve Gleason, on a pass from Randy Koch, and Craig Reynolds, on a side-arm shot that skidded into the net. Winchester then retaliated with its first goal of the game. Ray Stecker finished his show for the day on an individual effort which consisted

of a spin-dodge and a quick shot. Randy Koch also completed his fine showing as he drove a hard shot from the restraining line past the Winchester netminder.

The fourth quarter was less productive for PA due to the many substitutions. Winchester led off the scoring, but lower Tim Cameron rebounded for the Blue, as he drove a hard shot into the lower corner.

Record Stands At 6-1

With its win over Winchester High, Andover increased its successful record to 6-1; its only loss has come at the hands of Yale in the opening game of the season. Since that game, PA has looked impressive, outscoring its opponents by an overwhelming margin.

Lacrosse Defeats Governor Dummer, 11-3

Wednesday, May 16; Andover, Mass.—Led by the efforts of Ray Stecker, the Andover varsity lacrosse team defeated the Governor Dummer varsity, 11-3. Stecker, who totalled five points in the game, scored four final period goals.

Mead Opens Scoring

Tri-captain Scott Mead started the Blue off with 7:31 gone in the first period, as he connected a well-placed pass from mid-fielder Scott Clemson. The score remained 1-0 throughout the first quarter.

Leading off the scoring in the second period, upper Steve Gleason scored his fifth goal of the season. Mike Corcoran followed Gleason, blazing through the Red defense to fire a hard shot over the goalie's shoulder. Corcoran then recorded an assist on the next play, as he passed to Bill Lewis who was breaking in from the restraining line. Lewis got off an amazing behind-the-back quickstick that completely stunned the opposition's goaltender.

In the third quarter PA played better lacrosse, although it was only able to score once. Governor Dummer, however, retaliated to cut the score to 4-1. Scott Mead soon reestablished the four goal margin, as he scored after taking Craig Reynold's pass.

Stecker Leads Blue

It was in the fourth quarter that Ray Stecker took over for Andover. He scored his first goal with about seven minutes remaining in the period, to make the score 6-1. Just 22 seconds later, he scored again with an over-the-shoulder shot, with Scott Clemson receiving an assist. GDA then scored their second goal but Stecker put the game on ice, with a well executed spin-dodge and shot. Stecker scored once again, while Steve Gleason and Dan Miner accounted for PA's final goals. Governor Dummer squeezed in one last goal with about two minutes left to make the final score 11-3.

Saturday, May 19; Northfield, Mass.—The Andover varsity lacrosse team defeated the Northfield-Mount Hermon School, 11-3, as Scott Mead led the Blue in point production with four goals and one assist. The PA defense managed to contain the Mt. Herman attack, while the midfielders displayed a greatly improved defensive effort.

Mead Opens Scoring

Mead was the first to score in the game as he connected on a pass from Mike Corcoran, who had stationed himself behind the net. Corcoran then gave Andover a two-goal advantage after taking a pass from Scott Clemson.

The second period started with Clemson scoring a goal on a bounce shot from the restraining line. This effort was followed by Ray Stecker quick-sticking in a pass from Scott Mead on a man-up situation. Just 1:16 later, Stecker scored again, making the score 5-0 on an excellent individual effort. To complete the half, Mead raced around the left side of the net and drove home a shot to give PA a 6-0 edge.

Mead, Stecker Dominate

Opening the second half's scoring, Scott Clemson connected on an unassisted bounce shot. Mead then pumped in two more goals to give him his five points of the day. Andover's tenth goal was scored by a streaking Bill Lewis, who scored on a flip pass from Clemson.

Mt. Hermon Rules Fourth Period

Goalie Mark Pellegrini's hopes for a shut out were shattered in the final period, as the Hermies followed up a score by Dan Miner. The Mt. Hermon squad managed to sneak in two more goals, one on a play in which goalie Chris Shaw broke his stick.

Record Stands at 8-1

The win over Mt. Hermon sets the lacrosse team's record at 8-1. The Blue hopes to continue its winning streak, although two challenging games are still on the schedule—St. Paul's School and the Dartmouth Frosh.

PA, however, will be hindered in these games by the loss of Craig Reynolds, who cut himself from the team after the Mt. Herman victory. Reynolds, once a starting attackman, was shifted to second mid-field, a move that resulted in his self-exile to club. In his first club game, Reynolds exhibited his talents by scoring seven goals.

St. Paul's Shocks Lacrosse With Two Last Minute Goals

Wednesday, May 23; Concord, N.H.—The Andover lacrosse team fell to an inspired St. Paul's School, 6-5, as PA's hopes for the New England championship were somewhat darkened by the loss. This marks the first time since the series between the two schools originated, 17 years ago, that PA has succumbed to St. Paul's. SPS took advantage of the over-confident Andover squad, as it played its best game of the season.

St. Pauls Opens Scoring

St. Paul opened the game with a strong offensive effort, while its unique zone defense also confused the Blue attack, as PA had trouble moving the ball around the exterior of its offensive zone. With 2:02 gone in the game, the Red team scored on an extra-man play. Andover fell two

goals behind six minutes later when St. Paul's scored again.

The second period started with PA taking the face-off and scoring after only 13 seconds, as Ray Stecker quick-sticked in a feed from lower Gordon Nelson. St. Paul's rebounded instantly to restore its two-goal lead. Stecker then quick-sticked in a second goal on a feed from attackman Scott Mead, 3-3. He repeated his act to bring the halftime score to 3-3.

Andover Takes Lead

After Frank Skokan scored to give PA the lead, St. Paul's managed to come back and tie the score at 4-4. Mike Corcoran then put the Blue ahead, only to see SPS roar back with two goals in the final minutes of play, which enabled the Paulies to upset Andover

Corcoran Nets Three Goals In Andover Victory

Saturday, May 26: Andover, Mass.—Although hampered by 18 penalties, the Andover varsity lacrosse team downed a strong Dartmouth freshman team, 5-3. The PA squad held a psychological advantage over Dartmouth, as it was seeking to return to its winning ways after falling to St. Paul's.

Opens Scoring

PA scored early in the first period when Scott Clemson called an isolation play, and ran right through the loose Dartmouth defense to fire a shot that hugged the left post and evaded the goalie. Mike Corcoran then scooped up a loose ball in front of the net and took a slapshot that dented the net. Ray Stecker increased PA's lead to 3-0, as Dave Victor threaded the needle on a pass to Scott Mead, who in turn found Stecker open in front of the Dartmouth goal. Dartmouth then pumped in two goals to cut PA's lead to a single goal at halftime.

The Blue's slim margin was increased to two goals with only seven seconds left in the third quarter. Mike Corcoran was responsible for the goal, as he again slapped a loose ball into the net. He then finished off the scoring for PA by completely faking out his defenseman and firing it over the shoulder of the Green goalie. The frosh scored in the middle of the last quarter, but the rest of its scoring attempts were subdued by the PA defense.

Senior, Pellegrini Excel

Although the PA offense played excellently, the Andover defense deserves much credit. The play of tri-captains Al Senior and Dave Victor has been excellent throughout the entire season, while goalie Mark Pellegrini played his best game of the year against the Green.

Andover Racketmen Defeat Browne&Nichols In Opener

Wednesday, April 11; Andover—The Andover varsity tennis team opened its season with a convincing victory, crushing Browne and Nichols, 7-1-1. Of the six singles matches, PA won four, lost one, and tied one, while in doubles competition, the Blue swept all three matches.

Rockwell, Gomez Excel

Playing in the number five position, Steve Rockwell employed his excellent backhand to perfection, as he crushed his opponent, allowing him only one game in two sets. Mike Gomez also played excellently, as he smashed his counterpart, 6-0, 6-2.

Aided by the fast hardcourt surface, upper Ned Bacon, in the number three spot, overpowered his opponent, 6-3, 6-2. In addition, Senior Brooks Bloomfield won his match with ease, triumphing 6-3, 6-3.

Initiation of Rivalry

The Browne and Nichols coach had arranged this match, PA's first ever against Browne and Nichols, because he had the services of two first-year superstars, Mike Counihan and Chris Gregory, who played in the number one and two positions, respectively. Sandy Wood, playing number one for PA against Counihan, dropped the first set, 6-3, but rallied to take the second by the identical score. Unfortunately, Counihan and Wood were unable to play the deciding third set as darkness set in.

Captain Bill Kaplan, playing in the second spot versus Gregory, lost both sets by the close scores of 7-5 and 6-4, respectively. In the doubles competition, however, Kaplan paired with Wood to defeat Counihan and Gregory in an eight-game pro set by an 8-6 margin.

Blue Tennis Loses To Deerfield

Wednesday, May 16; Andover—The Andover varsity tennis team fell to a powerful Deerfield squad by the score of $5\frac{1}{2}$ - $3\frac{1}{2}$. There were no easy victories, as many matches went to three sets, while those won in straight sets went into extra games. Counting the "B" squad victory over the Merrimack freshmen, played the same day, the team's record now stands at 3-2.

Gomez, Bacon Victorious

Playing an aggressive game with a strong serve and crisp volleys, senior Mike Gomez crushed his opponent in straight sets, 7-6, 6-3. Second seed Ned Bacon, using a good serve-net game, won the first set 6-1, lost the second 5-7, and came back to clinch the deciding third set, 6-2. Due mostly to his ten-day absence from practice, Steve Rockwell, the number five racketman narrowly won the first set 6-4, but then dropped the next two, 3-6, 1-6. Dropping the opening set 2-6, Brooks Bloomfield, seeded fourth, won the second, 6-4, but then dropped the crucial third set in a tense tie breaker. Captain Bill Kaplan and Sandy Wood each lost in straight sets by scores of 4-6, 5-7 and 6-7, 6-4, respectively.

Doubles Even

Playing against their singles rivals, Bill Kaplan and Sandy Wood, the number one team, avenged their previous defeats, 6-2, 4-6, 6-4. The number two pair, Ned Bacon and Brooks Bloomfield, dropped their match in straight sets, 5-7, 2-6. Since Deerfield had already clinched the meet, the third doubles match was cut short after the two teams split sets.

Wednesday, May 2; Concord, New Hampshire — The Andover varsity tennis team, winning each match in straight sets, trounced St. Paul's School, 9-0, to extend its winning streak over S.P.S. to 15 consecutive years. So far the team is undefeated with a season record of 2-0.

Gomez Excels

Playing with excellent form at the number six position, senior Mike Gomez did not allow his opponent to win one game during the entire match. With strong volleys and angle shots, Ned Bacon, the number two man, crushed his opponent, 6-0, 6-2.

Captain Bill Kaplan, now back in the number one position, played a steady game, teeming with heavy topspin and sharp backspin, to easily defeat his rival, 6-0; 6-2.

Although still feeling the effects of a winter case of pneumonia, Sandy Wood, playing as the number three man, gave up only three games during two sets. As the number five racketman, lower Peter Wyman, who has worked his way up to varsity since the Brown and Nichols meet, overpowered his counterpart with extremely consistent ground strokes, 6-2, 6-3.

Varying his game with deep lobs and short drop shots and employing his devastating volley to perfection, senior Brooks Bloomfield, playing the fourth position, also scored a victory for the Blue 6-4, 6-0.

PA Sweeps Doubles

Playing as the number one doubles team, Bill Kaplan and Sandy Wood took their match without any trouble, 6-3, 6-0. Although new to each other, Peter Wyman and Mike Gomez overwhelmed their opponents with excellent teamwork, 6-2, 6-4. Ned Bacon and Brooks Bloomfield, the number two doubles team, won a close first set, 7-5, but easily won the second, 6-1.

Tough Competition Ahead

On Saturday, April 28, the team's match scheduled against Deerfield was rained out and has been rescheduled for Wednesday, May 9. Deerfield will mark P.A.'s first tough competition. Other important meets are those versus Harvard and Exeter, teams which Andover lost to during the fall.

Wednesday, May 9; Cambridge, Mass.—Despite the excellent play of seniors Sandy Wood and Mike Gomez, the varsity tennis team fell to a powerful Harvard Freshmen squad, which now stands undefeated through its first eight matches. Wood, the number three man who was obviously back in preseason form, crushed his opponent by identical 6-2 scores, while Gomez, the sixth seed, dropped the first set 6-2 but stormed back to narrowly defeat his Harvard counterpart 6-4, 6-4.

Doubles Decisive

With Harvard leading 4-2 after the singles competition, the number one doubles team of co-captain Bill Kaplan and Sandy Wood narrowed the margin to a slim 4-3, as it appeared that the Blue might come back. The number two combination

of Ned Bacon and Brooks Bloomfield, however, dropped the crucial third set, 6-1, after winning the second set 7-6 to deadlock the match at one apiece. The third pairing, consisting of number four man Steve Rockwell and Mike Gomez, lost their first set 7-6 and, after winning the second 6-3, finally fell to their Crimson opponents.

Harvard Captures Singles 4-2

In the singles, the Blue's only two wins belonged to Wood and Gomez, as Harvard's depth proved to be decisive. In the fifth slot, Steve Rockwell lost 3-6, 2-6, while Kaplan and Bacon, the Blue's top two racketmen, lost by scores of 2-6, 2-6, and 1-6, 0-6, respectively. Rockwell, Wyman Guide Racketmen In Narrow Loss

Saturday, May 19; Hanover, N.H.—

Playing without the services of number two man Sandy Wood, who was hobbled by a badly sprained ankle, the varsity tennis team fell to the Dartmouth freshmen, 5-4, in a tight, hard-fought contest. Steve Rockwell, the Blue's number five man, defeated his frosh counterpart, 2-6, 6-2, 6-2, in the singles competition and later teamed with Mike Gomez to record P.A.'s only doubles victory, winning by scores of 6-1, 4-6, and 6-3.

Captain Bill Kaplan is PA's number one racketman.

Wyman, Bloomfield Victorious

Lower Peter Wyman, who moved up to sixth position to compensate for the loss of Wood, recorded the Blue's most impressive singles victory as he demolished his Dartmouth opponent by identical 6-0 scores. Brooks Bloomfield, playing in the third position, dropped the first set, 7-5, but came back to win the next two by scores of 6-4, 6-2.

Kaplan, Bacon, Gomez Fall

For the second week in a row the crucial one-two combination of Bill Kaplan and Ned Bacon failed to provide the Blue with much needed singles strength, as they both fell to their Dartmouth adversaries by scores of 2-6, 6-7, and 2-6, 3-6, respectively. Mike Gomez dropped his first set 4-6,

and, despite many brilliant shots, his errors added up, as he also dropped the second set, 5-7. The loss marked Gomez's first setback of a season that has seen him compile an individual record of 4-1 and climb from the sixth to the fourth position.

Doubles Decisive

Entering the doubles competition deadlocked at 3-3, the number one pairing of Kaplan and Wyman fell, 2-6, 1-6. This marked Wyman's first appearance as a varsity doubles competitor. PA's other combination, consisting of Bacon and Bloomfield, managed to win a total of only five games, falling 2-6, 3-6.

Trailing 4-2 after the singles, the Blue entered the doubles competition knowing a sweep would give them the match. Bill Kaplan and Sandy Wood, PA's one and two racketmen, combined in the doubles and took the first set, 7-5; however, their Exeter opponents rallied and won the next two sets by identical 6-4 scores, clinching the Red triumph.

Exeter Cops Singles, 4-2

Except for victories by Rockwell and Gomez in the singles' play, Exeter stifled the Blue's top four men, winning each match handily in two sets. Brooks Bloomfield, playing in the fourth position, fell, 4-6, 2-6, while Ned Bacon, number two seed, fell by scores of 3-6, 2-6. Still bothered by an ankle injury, number two man Sandy Wood lost, 2-6, 1-6, while captain Bill Kaplan managed to win only one game, falling 0-6, 1-6.

Including Wednesday's 8-1 rout of Choate, in which many team members played their best tennis all season, PA's final record stands at 4-4.

24 1/4 Points To Pace Blue

Saturday, April 21; Andover—Sweeping the mile, the 440 yard dash, and the triple jump, PA's varsity track team overwhelmed Andover High School, 95-54. The excellent weather and good condition of the track contributed to many fine efforts by Blue performers.

Murray Outstanding

Upper Lee Murray, participating in six events, personally compiled a total of 24 1/2 points. To start his day, Murray long jumped 20'10 1/4" to place first, after passing twice in an effort to cut down his workload. Next Murray won the 120 yard high hurdles in a time of 15.9 seconds. He then went on to capture firsts in the high jump and the 180 yard low hurdles, and to place second in the triple jump. Rounding out his personal scoring total at 24 1/4 points, Murray ran the second leg of the Blue's victorious 880 yard relay squad.

Distance Events Strong

Running three strong races, the Blue distance runners outscored Andover High, 21-6. Matt Mangar led the way by placing first in the mile with a time of 4:32.6, while also finishing third in the 880. In the half-mile, Charlie Nadler took the lead after the first 220 yards and held on to win in the time of 2:02.7. Jamie Morgan sustained a grinding kick in the final half-mile to outleg his opponent in the two mile.

Maddox, Grady Excel

Andover's second leading scorer

was Al Maddox, who compiled 10 1/4 points. Maddox placed first in the 440, second in the 100, and third in the long jump, while he also anchored the victorious half-mile relay team. Rob Grady also performed exceptionally well as he won the triple jump with a leap of 42'11 1/4 ", placed second in the 180 low hurdles, and captured third in the high jump.

Other strong performers for the Blue included Tim Whelan, who sprinted the 100 in 10.4 seconds to take first, and Jim Collins, who was triumphant in the hammer throw. In the 440 yard dash, Peter McCandless and Bruno Marino placed second and third, respectively, as each recorded times under 53.0 seconds

Lee Murray recorded 24 1/4 points in track's rout of Andover High.

Andover Track Loses To Northeastern JV's, 87-62

Wednesday, April 25: Andover — The Andover varsity track team succumbed to a strong Northeastern Sub-Varsity squad, 87-62. While Andover once trailed by only three points, 60-57, Northeastern's superior depth prevailed in the later events, as it captured 27 of the next 32 points, to secure the victory.

Murray Sets Mark

Lee Murray was once again outstanding, as he compiled a total of 19 points in six events. Murray highlighted the day by lengthening his own school record in the triple jump with a leap of 43'10 1/2". He also went on to win the long jump with a distance of 21'10", and the 180 yard low hurdles in 21.4 seconds, while placing second in the 120 yard high hurdles, and third in the high jump.

Grady, Cook, Whelan Outstanding

With a leap of 43'51/2", one inch off the old school record, Senior Rob Grady managed to secure second place in the triple jump. Grady also placed second in the high jump, and third in the 180 yard low hurdles. Paul Cook captured first in the high jump, as he cleared 5'10", four inches less than the height which he obtained during winter track. Cook then came back to pick up third place in the 120

yard high hurdles with a time of 16.4 seconds. Tim Whelan was Andover's only other competitor to secure over five points, as he captured second places in the 100 yard dash, with a time of 10.4 seconds, and in the shot put, with a distance of 42'5".

Northeastern was particularly strong in the distance events, where Jamie Morgon's 9:57 two mile was only good enough for second place. Charlie Nadler finished third in the half-mile with a time of 2:03, while Matt Mangan ran a 4:28 mile to place fourth.

Other strong performers for the Blue included Ed Heller, who placed first in the pole vault, clearing a meager height of 9'6", Al Maddox, who picked up third places in the 220, the 440 and the long jump, and Jim Collins, who captured second in the hammer throw and third in the discus.

Harvard Meet Postponed

The Andover vs. Harvard freshmen meet scheduled for last Saturday, was postponed because of rain. The meet is currently scheduled for Monday, May 7, at Andover. The Blue will also compete in a tri-meet against Huntington and Worcester this coming Saturday.

Whelan Excels As Varsity Track Captures Tri-Meet

Saturday May 5; Andover — In a tri-meet, the Andover varsity track team demolished weak Worcester and Huntington squads. PA compiled 11 and 1/2 points in the meet, compared to 40 and 1/2 for Worcester and 10 for Huntington. Andover completely dominated the contest, as it swept five events: the 440, the 880, the mile, the two mile, and the high jump.

Paul Cook was victorious in the high jump, and captured second in the 120 yard high hurdles. Rob Grady likewise excelled, as he placed second in both the 100 yard dash, and the 180 yard low hurdles, while capturing a third, one place ahead of Bill Brickley, in the high jump.

PA Distances Sweep

Whelan, Murray Outstanding

Tim Whelan placed first in both sprints, and captured second in the shot put. In the 100 yard dash Whelan exploded out of the blocks, and won by a substantial margin in 10.3 seconds. Whelan also started well in the 220, and went on to win in 23.0 seconds.

Although Lee Murray had a relatively quiet day, he still managed to score 13 points. Murray fouled out of the long jump, but he secured firsts in both the 120 yard high hurdles, with a time of 15.6 seconds, and in the 180 yard low hurdles, while also taking third in the high jump. Peter McCandless also scored a double victory, as he took firsts in the 440 yard dash, ahead of senior Bruno Marino, and the javelin.

Tim Whelan captured both the 100 and the 220 in last week's meet.

The Andover distance runners proved to be too much for their inferior counterparts, as they captured a total of 33 points. In the half-mile Charlie Nadler fell behind the other Blue runners at the outset, but kicked past them in the final stretch to take the victory with a time of 2:01.8. After three slow laps in the mile, Doug Greeff, who is normally a half-miler, outkicked his competitors to

capture first place. The two mile run also came down to the final stretch, where John Rogerson, who had just placed a dismal fifth in the mile, nipped Martin Leamon at the tape to win. Jamie Morgan also excelled in the mile, where he placed second, and in the half-mile, where he finished fourth.

In the long jump Rick Phelps leaped 20' 5-1/2" to place first, while Paul Murray captured second for the Blue. Dave Lindsay secured first in the pole vault, while Tom Masters copped second in the 220. In the half-mile Mark Grange placed second as

he edged out Matt Mangan. Al Maddox was third in the 440 while Mason Wilkinson finished fourth. Paul Suslovic also picked up a third in the mile, where Steve Johnson captured fourth in his first race of the season.

PA To Compete At Petty

Next Saturday the track team will send a delegation of twenty-two down to Petty, New Jersey, where the annual Petty relays will be held. Teams from throughout the country will be competing in this meet, where Andover placed third last year.

Track Defeats BHS, 78-62; Murray, McCandless Excel

Thursday, May 10; Andover—The Andover varsity track team defeated the Boston High Schools' All-Star team, 78-62. At one point the score was tied at 42, but, after the results of the pole vault, triple jump, and high jump came in, Andover moved into an insurmountable lead.

Murray, McCandless, Cook Excel

Once again leading the team in scoring, Lee Murray totaled 19 points. Murray won the 120 yard high hurdles in 15.9 seconds, while he soared 20' 9" to place first in the long jump. Murray also took seconds in the 180 yard low hurdles, the triple jump, and the high jump. After placing first in the javelin with a distance of 157' 2", Peter McCandless secured another first in the 440 yard dash with a time of 52.6 seconds. Paul Cook scored 10 points, as he leaped 5' 11" to win the high jump and picked up a second place in the discus, while capturing thirds in both the 120 yard high and 180 yard low hurdles. Tim Whelan ran a sizzling 10.0 second 100 yard dash to win against a strong field of Boston High School sprinters.

Grady Captures Triple Jump

In the triple jump, Rob Grady leaped 43' 6" to edge out Murray for first place. David Lindsay also took a

first place in the pole vault, as Ed Heller and Kevin Retelle captured second and third, respectively.

With Andover's top distance runners, John Rogerson, and Matt Mangan, sidelined with minor injuries, Boston High School took firsts in all three distance events. Jo Jo

Varsity Track Captures First Place In Peddie Relays

Saturday, May 12; Hightston, New Jersey—With a total of 48 points the Andover varsity track team captured overall team honors at the sixth annual Peddie Relays. With only the javelin throw remaining, PA trailed Episcopal Academy by just one point, but Peter McCandless won the event to give Andover a five-point victory over Episcopal. Moses Brown finished third with 39 points, while the other twelve teams finished further back in the scoring.

PA Wins Distance Medley

Andover's most impressive victory came in the distance medley, which consists of a half-mile leg, and a mile leg. Doug Greeff led off for Andover, and at the first turn he lost his right shoe; he managed, however, to finish the half-mile in 2:06, giving Andover the lead.

Paul Suslovic, meanwhile, a member of PA's "B" squad, had forged into second place, and for the remainder of the race, Andover firmly held the first and second positions. Charlie Nadler, Kevin Retelle, and Matt Mangan managed to hold off a challenge from the remaining members of the "B"

ATHLETE OF THE WEEK

squad which consisted of Steve Johnson, Martin Leamon, and Jamie Morgan. Both finished far ahead of the outside competition.

Murray, Grady Outstanding

Lee Murray anchored the 480 yard shuttle hurdle relay to victory, while also leading Andover's long jump relay squad to a second place finish with a leap of 20' 5 1/2". Murray then went on to capture second in the 330 yard individual hurdle event. Rob Grady opened up a lead in the hurdle relay, while Kevin Retelle, Paul Murray, and Lee Murray managed to protect it.

Grady also led off PA's 440 yard relay squad. He was followed by Tom Masters and Rick Phelps, who gave Tim Whelan, the anchor, a slight lead. With 50 yards remaining, however, Whelan pulled a thigh muscle, and limped into third place. Phelps was also a member of PA's second place half-mile relay team, as Tom Masters, Bruno Marino, and Peter McCandless rounded out the 880 squad. In the individual pole vault, David Lindsay captured second place for the Blue.

Nadler, Morgan Strong Anchormen

After running the 440 leg of the distance medley in 53.3 seconds, Charlie Nadler came back to anchor the victorious two mile relay team. Mark Grange led off with a 2:03 half-mile to give Andover the lead, but Martin Leamon, who also ran in the distance medley, was passed by Moses Brown. Paul Suslovic then regained

first place, and gave Nadler a ten-yard lead at the pass of the baton. Moses Brown quickly gained ground, and pulled even at the gun lap, but Nadler confidently kept him to the outside and pulled away in the final stretch to give Andover the win, finishing with a half-mile split of 2:02. This victory proved important as it pulled Andover to within striking distance of Episcopal.

PA then closed the gap to a single point by placing second in the sprint medley, in which Steve Johnson ran the 440, Bruno Marino and Tom Masters consecutive 220's, and Jamie Morgan the final 880. Andover also scored two points in the mile relay, as the team of Marino, McCandless, and Al Maddox finished fourth. Moses Brown took first in the mile relay in 3:26.3 seconds. Joe Salvo picked up a first place in the 100 yard dash with a time of 10.8 seconds.

Overall Andover runners collected a total of 14 gold, 9 silver, and 4 bronze medals.
